At the outset of the hearing, Mr David Dadds, Legal Representative on behalf of the Applicant made a request for the hearing to be adjourned because he said he was prejudiced in his preparation for the hearing. In particular Mr Dadds said he was unable to obtain the evidence necessary to rebut what the Test Purchasers said in their witness statements, and which formed the basis of the Licensing Authority's objection to the renewal of the SEV Licence. Mr Dadds also said that he had not had sufficient time to watch all of Whites' CCTV provided to the Licensing Authority, and upon which the Licensing Authority relied as evidence of further breach of the Licence conditions.

The Chair asked when the Applicant was informed of the allegations to which Mr Dadds confirmed a letter dated 6th June was received between 16-17 June 2019. Mr Dadds stated that several discussions had taken place between himself and officers from the Licensing Authority and information had also been provided.

At this point the Chair invited Mr Matt Lewin, Legal Representative on behalf of the Licensing Authority to make a submission in respect to the request for adjournment. Mr Lewin opposed the request for adjournment, he said it was clear what had happened, the Applicant had been aware of this since June 2019. In terms of the late notice, the CCTV footage that has been relied upon was provided by the Applicant themselves, and these should have been viewed by them in advance.

The Committee listened to submissions for and against an adjournment made on behalf of Mr Dadds, and Mr Lewin. The Committee adjourned the meeting at 7.00pm to consider their decision and reconvened at 7.15pm.

The Committee rejected Mr Dadds' application to adjourn the hearing for the following reasons.

- (i) The Council had given Whites sufficient notice of the hearing.
- (ii) Mr Dadds had been instructed in relation to the matter since at least July 2nd 2019.

- (iii) Mr Dadds had not specified the nature of the evidence that his client needed to obtain in order to rebut the evidence of the Test Purchasers.
- (iv) The Committee agreed that it would only rely on the CCTV evidence shown to the Committee during the course of the hearing.

At the request of the Chair, Ms Kathy Driver, briefly introduced the report for the application for the renewal of a Sexual Entertainment Venue Licence for Whites Gentleman's Club, 32-38 Leman Street, London E1 8EW. Members and all interested parties noted the report as read.

The Chair stated that both parties would be given 45 minutes each to make their submissions.

At the request of the Chair, Mr Dadds, began by explaining that an application for a renewal was made by the Applicant which had been objected to by the Licensing Authority. He explained that the Licensing Authority did a mystery shop/observation on 23 May 2019, following this, correspondence was sent to the Applicant in mid June 2019 and within two days, accurate CCTV footage was supplied. The CCTV footage showed that there was no one in the VIP rooms at the times the Test Purchasers claimed to have been there.

He also said that the VIP rooms were charged at £1180, and £780 for half the hour and therefore claimed that there were discrepancies in the Test Purchasers statements as they had claimed to be have been charged £870 and £850. Mr Dadds said that according to their records the rooms were not hired between 11-11.30pm on 23 May 2019. Therefore there were clear discrepancies in the times and prices.

Mr Dadds stated that the first response they had received from the Licensing Authority was on 29 August 2019 in relation to the footage supplied on 16 July 2019. He was of the view that in fairness the Test Purchasers statements should have been withdrawn. Mr Dadds also questioned the report made by the Test Purchasers as to an incident with an intoxicated customer at the premises on the same night, but the times that they claimed to witness this incident, did not correspond with the incident log and premises own records completed on that night.

Mr Dadds acknowledged that there was no CCTV footage of the individual cubicles. However the Licensing Authority had been invited to view footage on 18 June. He questioned the statements of the Test Purchasers on the basis that they used a substantial amount of cash, had no receipts, were not seen on CCTV footage in the rooms they claimed to have been in. He confirmed that the CCTV footage had not been edited or interfered with and suggested little weight or no weight should be given to the statements provided by the Test Purchasers.

He explained that the blind spots that have been observed in the CCTV footage, cameras can be adjusted and repositioned to cover these locations and the applicant was happy to upgrade the CCTV camera system. In terms

of the allegations of contact and breach of conditions that had been referred to which had occurred in the Office VIP Room and Moulin Rouge Room, these could be addressed and it would be disproportionate not to renew the licence as a result. It was noted that as a result of the allegations made about the conduct of the performer, her contract had not been renewed on 2 August 2019.

Mr Dadds concluded that there were three matters to consider;

- 1) Contact with customers – one of the performers was asked to leave and contract was not renewed. Where there was some contact, the second performer was issued a warning. Due to the inappropriate behaviour, additional steps had been taken to address these.
- 2) CCTV – relocation and repositioning of cameras to cover all areas in the rooms/booths.
- 3) Serious concerns about the validity of the Test Purchasers statements.

He explained that no representations had been made by the Police, Ward Members or residents. He questioned the credibility of the Test Purchasers and their statements. The conduct of the performers was inappropriate and additional steps had been taken and CCTV cameras would be adjusted to cover all areas.

At 7.50pm Members adjourned the meeting for a short comfort break, Members reconvened at 8pm.

Mr Dadds made a submission to the Chair, with allegations over the lack of attention from two Members of the Licensing Committee during his submission.

Councillor Rajib Ahmed stated he was not feeling well and withdrew himself from the meeting at 8.05pm

Councillor Leema Qureshi stated that she had used her mobile to make notes during Mr Dadds submission. However, she also withdrew herself from the meeting at 8.05pm.

Both Councillors did not take part in the decision making process.

At the request of the Chair Mr Matt Lewin presented on behalf of the Licensing Authority, he stated that the Applicant was unsuitable, there had been clear breaches of the licence, failure to uphold licensing conditions and a lack of cooperation by the Applicant with the investigation.

Mr Lewin referred to page 72 of the agenda – plan of the premises and drew Members attention to the cubicles where CCTV footage was not provided by the Applicant, he highlighted the journey of the Test Purchasers from the dance floor to the cubicles to the VIP rooms and the clear breaches of conditions that were encountered during this process.

In particular the Committee took account of the Applicants breach of the following conditions 12, 24, 26, 27, 35, 36 and 46 of the current licence conditions.

Mr Lewin explained that the applicant had failed to cooperate adequately with the Licensing Authority in its investigation in respect to the allegations made by the Test Purchasers, this was evident from the communications made to the applicant detailed in the letters in the supplemental agenda. In particular he highlighted the significant failure to provide the CCTV of the private cubicles.

The Committee considered that the applicant's management had been irresponsible in that the Test Purchasers had been pressured to drink alcohol during the performances, and had also allowed a customers to become inebriated. The applicant had failed to ensure the siting and quality of the CCTV cameras was adequate.

Mr Lewin highlighted the fact that the incident occurred on 23 May, despite many requests 50% of the CCTV footage was still missing and claimed to be deleted which is misleading and was of the view that it was a deliberate attempt to sabotage the investigations.

It was at this point Mr Lewin stated that the two test purchasers were present and available if Members wanted to question them.

Members decided to call the Test Purchasers as witnesses. At this point the chair formally excluded the press and public from the meeting at 8.25pm

RESOLVED

That in accordance with the provisions of Section 100A of the Local Government Act 1972, as amended by the Local Government (Access to Information) Act 1985, the press and public be excluded from the remainder of the meeting on the grounds that the remaining agenda item contained information defined as exempt or confidential in Part 1 of Schedule 12A to the Local Government Act 1972.

At 9.00pm the Chair, confirmed that the meeting was now in open session.

In response to questions from Members the following was noted;

- Concerns were raised as to why CCTV footage had not been provided despite requests, it was noted that the request was made 23 June, three weeks after and therefore it was quite late.
- Concerns that there was CCTV footage missing, which couldn't confirm sequence of events.
- That Mr Dadds made submissions about the admissibility of the CCTV evidence on the basis that it was being used by the Licensing Authority

in breach of GDPR. Mr Dadds did not provide any written authority in support of his submissions.

- That one of the conditions on the licence was to provide CCTV footage at the request of an officer of a Responsible Authority.
- That Performers had to comply with the code of conduct and Performers have been asked to leave on occasions when there has been non-compliance with the code.
- That Mr Dadds accepted on behalf of Whites that the two extracts from the CCTV shown to the Committee showed contact between performers and customers in breach of condition 35.
- Since January 2019, there had been four performers that have been asked to leave or where contracts have not been renewed.

Both parties were asked to give a brief summary.

Mr Lewin stated that since January 2019, the new management have been in place, there have been serious breaches of the licence, lack of cooperation with the investigation and therefore was of the view that the Applicant was unsuitable to hold a licence.

Mr Dadds stated they were working with the Licensing Authority, concerns that the Test Purchasers were not on the CCTV footage, the Applicant was law abiding and had offered assistance with the investigation and has provided CCTV footage.

In accordance with Part 4, 9.1 of the Council's Constitution, the Chair, extended the meeting by one hour.

Members retired to consider their decision at 9.20.pm and reconvened at 10.00pm.

Decision

Accordingly, the Licensing Committee made a unanimous decision –

RESOLVED

That the application for a renewal of a Sexual Entertainment Venue Licence for Whites Gentleman's Club, 32-38 Leman Street, London E1 8EW be **REFUSED**.

In reaching its decisions the Licensing Committee took account of the Local Government (Miscellaneous Provisions) Act 1983 ('the Act'), the Councils Sexual Entertainment Licensing Policy, and Rules of Procedure Governing Application for SEV Licenses.

At the outset, Mr Dadds, on behalf of the Applicant, asked for the hearing to be adjourned because he said he was prejudiced in his preparation for the hearing. In particular Mr Dadds said he was unable to obtain the evidence necessary to rebut what the Test Purchasers said in their witness statements, and which formed the basis of the Licensing Authority's objection to the

renewal of the SEV Licence. Mr Dadds also said that he had not had sufficient time to watch all of Whites' CCTV provided to the Licensing Authority, and upon which the Licensing Authority relied as evidence of further breach of the Licence conditions.

The Committee listened to submissions for and against an adjournment made on behalf of Mr Dadds, and Mr Lewin, counsel representing the Licensing Authority. The Committee adjourned to consider their decision.

The Committee rejected Mr Dadds' application to adjourn the hearing for the following reasons.

- (i) The Council had given Whites sufficient notice of the hearing.
- (ii) Mr Dadds had been instructed in relation to the matter since at least July 2nd 2019.
- (iii) Mr Dadds had not specified the nature of the evidence that his client needed to obtain in order to rebut the evidence of the Test Purchasers.
- (iv) The Committee agreed that it would only rely on the CCTV evidence shown to the Committee during the course of the hearing.

The Committee heard evidence from a manager of Surveillance Group Ltd, which provided the Test Purchasers, and the Test Purchasers themselves.

The Committee was satisfied that the Surveillance Group Ltd was a reputable organization and experienced in the operation of test purchases on behalf of licensing authorities.

As both parties were legally represented the Test Purchasers written evidence was taken as read. Mr Dadds challenged each of the Test Purchasers evidence in its entirety, effectively saying the Test Purchasers were lying and in particular had not paid for the VIP package in the sums of £850 and £850 respectively, and that they had failed to account to the Council for their expenses.

Mr Dadds did not call any evidence on behalf of Whites, or provide any witness statements and documentary evidence to the Committee.

Both Whites and the Licensing Authority agreed that, for reasons neither party could explain, the CCTV did not show either of the Test Purchasers at the premises. However, Mr Dadds accepted that the Test Purchasers had been on the premises at sometime between late evening on May 23rd to early morning on May 24th 2019.

The Committee considered the the Test Purchasers gave honest and reliable evidence and, on the balance of probability, accepted what the Test Purchasers said in their written evidence and in response to Mr Dadd's questions.

Mr Dadds made submissions about the admissibility of the CCTV evidence on the basis that it was being used by the Licensing Authority in breach of

GDPR. Mr Dadds did not provide any written authority in support of his submissions.

In the absence of any authority to the contrary, the Committee considered that it was lawful for the Licensing Authority and the Licensing Committee to impose on an SEV Licence conditions relating to the collection of CCTV images, and that the information had been collected in a fair and transparent manner. The Committee further considered that the Licensing Authority and the Licensing Committee had authority or an obligation to view the CCTV for the purposes of ensuring compliance with, and enforcement of the SEV Licence conditions.

Mr Dadds accepted on behalf of Whites that the two extracts from the CCTV shown to the Committee showed contact between performers and customers in breach of condition 35.

The Committee did not receive a satisfactory explanation as to why the applicant had failed to provide the CCTV for the private cubicles.

Mr Dadds confirmed that Whites would agree to reposition the cameras within the premises, and to upgrade the CCTV in order to assuage the concerns of the Licensing Authority raised in correspondence between the Licensing Authority and Whites.

The Committee took account of the fact that no one on behalf of the applicant was prepared to appear on behalf of the applicant and explain the applicant's management of the premises. Mr Baboo, a director of the applicants, was present throughout the hearing.

The Committee adjourned and after deliberation the Committee's unanimous decision was to refuse the renewal of the SEV Licence on the basis that further to paragraph 12(3) of Schedule 3 of the Act, the applicant was unsuitable to hold a licence "for any other reason", namely because of its corporate failure to

- (i) operate the premises in accordance with its SEV Licence conditions;
- (ii) cooperate with the Licensing Authority in its supervision and investigation of the premises;
- (iii) manage the premises responsibly.

In particular the Committee took account of the applicants breach of the following conditions 12, 24, 26, 27, 35, 36 and 46.

The Committee further considered that the applicant had failed to cooperate adequately with the Licensing Authority in its investigation of the allegations made by the Test Purchasers, and in particular considered as significant the failure to provide the CCTV of the private cubicles.

The Committee considered that the applicant's management had been irresponsible in that the Test Purchasers had been pressured to drink alcohol during the performances, and had also allowed a customers to become

inebriated. The applicant had failed to ensure the siting and quality of the CCTV cameras was adequate.

The Committee also considered whether the imposition of additional conditions would adequately deal with the issues raised by the Licensing Authority. Mr Dadds did not offer any additional conditions.

The Committee did not consider the corporate failure and unsuitability of the applicant to hold an SEV licence could be resolved by imposing additional conditions.

The meeting ended at 10.20 p.m.

Chair, Councillor Ehtasham Haque

Introduction

The ward profiles have been produced for all 20 wards in Tower Hamlets. They provide the social, economic and demographic characteristics of each ward in the borough developing a broad picture of the area and help describing local differences.

In May 2014, the number of wards increased from 17 to 20. The changes were made by the Local Government Boundary Commission for England, in order to ensure that every councillor in Tower Hamlets represented roughly the same number of residents. The changes mean that no ward will have a population variance of greater than 10 per cent. As a result of the changes, the average population per councillor will be 4,029 in 2014, rising to 4,417 by 2018, according to projected population growth.

Data from the 2011 Census has been used throughout this ward profile as this still provides the single best source of statistics which are available at geography small enough to be aggregated up in to the new wards. While more recent estimates of the resident population are available for the borough and old ward boundaries, these cannot be used to infer the current population according to the new ward boundaries.

Population

Age Structure

Figure 1: Proportion of population by age

(Source: Census 2011 QS103EW - Age by single year)

Table 1: Number and proportion of residents by age range

Statistical Areas

The map (right) shows which Census Output Areas have been included in the summary statistics for this ward, and which areas have been assigned to other wards. Census Output Area (OA) data has been aggregated on a best fit basis to match the new Tower Hamlets ward boundaries as closely as possible. This has been done in accordance with methodology employed by the Office for National Statistics (ONS) in producing census statistics for non-standard geographies. Details of this methodology can be found on the ONS website at: <http://www.ons.gov.uk/ons/guide-method/geography/geographic-policy/best-fit-policy/index.html>.

Dear Appropriate Authority,

Re: Whites Gentlemen's Club, 32-38 Leman Street, London
Sexual Entertainment Licence Renewal
Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982

I write in the capacity of the Licensing Authority, acting as a Responsible Authority, to object to the granting of the renewal of the Sexual Entertainment Venue Licence for the above premises. The grounds for my objection are under Paragraph 12(3)(a) of the above legislation. This being that applicant is unsuitable to hold a licence for other reasons as outlined below.

This Authority is concerned that the applicant will not abide by the Council's Standard Conditions attached to their current Licence. I raise this in view of a previous investigation in 2019 in connection with a Test Purchase visit to the premises, which identified breaches of the standard conditions attached to the Licence. As a result, this Licensing Authority requested CCTV for the dates/times of the identified breaches as part of investigating potential breach of their licence conditions. Despite requesting this CCTV, it took over a month and a second letter to obtain it. Then, when it was received, it only related to the VIP Rooms not the Private Booths/Cubicles, which were also requested. During a meeting at the premises on 18th July 2018 the Licensing Authority was told that the CCTV for the Private Booths/Cubicles had not been retained, thus it could not be provided or viewed. It was mentioned this had been a mistake, however, the majority of the breaches identified related to these areas and not the VIP rooms.

I would also stress that failure to provide CCTV upon request is a breach of condition 12 of the standard conditions attached to their licence.

Further to the CCTV the Authority also requested a copy of the till receipts for payments made in relation to private dances between the hours and the dates the CCTV was requested for. To date this also has not been received.

In 2020 a copy of the CCTV showing the Test Purchase Officers visit to the premises in 23rd/24th May 2019. However, this was a redacted copy with all but the CCTV and the

Management/Staff and the Test Purchasers were blurred out. Furthermore, it only covered the entrance, Bar area, Toilet and VIP rooms. The private booths/cubicles were not included. This, essentially redacted CCTV, is a concern, as why was this retained (though much of it not being formally requested) but the Private Booths/Cubicles not retained.

Given this history of lack of cooperation in assisting the Authority in investigating the breaches of Licence conditions identified by the Test Purchase Officers, the Licensing Authority does not have confidence that the applicant would abide by their licence conditions. Thus, should there be a need to investigate issues within the premises in the future it is likely this could be met with the same issues in obtaining CCTV or other records required to be supplied under the conditions of their licence.

It is for these reasons that this Licensing Authority acting as a Responsible Authority cannot support the granting of the renewal of this Sexual Entertainment Licence and thus would recommend that the Licensing Committee Members refuse the renewal of this application.

If you have any questions or queries in relation to any of the above please do not hesitate to contact me.

Yours sincerely

Tower Hamlets Council

Sex Establishment Licensing Policy

Introduction

This policy sets out Tower Hamlets Council's proposed approach to regulating sex establishments and the procedure that it will adopt in relation to applications for sex establishment licences.

The policy of the Council is to refuse applications for sexual entertainment venues. This policy is intended to be strictly applied and will only be overridden in genuinely exceptional circumstances. Such circumstances will not be taken to include the quality of the management, its compliance with licence conditions, the size of the premises or its operating hours.

The policy is intended as a guide to applicants, licence holders, people who want to object to applications and members of the Licensing Committee who are responsible for determining contested applications. It also aims to guide and reassure the public and other public authorities, ensuring transparency and consistency in decision making.

When the decision making powers of the Council are engaged each application will be dealt with on its own merits but this policy gives prospective applicants an early indication of whether their application is likely to be granted or not. It also provides prospective applicants details of what is expected of them should an application be made.

The legal controls for sex establishment premises are contained in the Local Governmental (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009.

There are 3 types of sex establishments which fall into the licensing regime:-

Sex shops

Sex cinemas

Sexual entertainment venues

The role of the Council in its position as Licensing Authority is to administer the licensing regime in accordance with the law and not in accordance with moral standing. The Council recognises that Parliament has made it lawful to operate a sex establishment and such businesses are a legitimate part of the retail and leisure industries.

Policy Rationale

The policy has been developed that sets out how the legislation will be administered and applied. The policy identifies how the Council would exercise the licensing regime in relation to sexual entertainment venues.

The policy has been developed to reflect and complement existing Council plans and strategic approach, namely:-

- Tower Hamlets Community Plan.
- Tower Hamlets Crime & Drug Reduction Partnership Plan.
- Tower Hamlets Enforcement Policy.
- Tower Hamlets Core Strategy.
- Tower Hamlets Town Centre Spatial Strategy.
- Tower Hamlets Statement of Licensing Policy (Licensing Act 2003).
- Tower Hamlets Statement of Licensing Policy (Gambling Act 2005).

The policy has also been prepared with regard to:

- Consultation responses
- Human Rights Act 1998
- Equalities Act 2010

The policy seeks to contribute to the “One Tower Hamlets” principle by fostering community cohesion, reducing inequalities and empowering communities. The public consultation that was undertaken concerning the adoption of a nil policy did not have overwhelming support. Therefore careful consideration has been given to the policy response, given the balance that the consultation returns did not give overwhelming support.

Policy Considerations

Existing Licensed Premises

The Council has had the ability to licence sex shops and sex cinemas under the Local Government (Miscellaneous Provisions) Act 1982 for many years.

There are no licensed sex shops in Tower Hamlets.

The businesses that hold premises licences under the Licensing Act 2003 with permissions that will be affected by the adoption of the sexual entertainment venue licensing regime are as follows:-

NAME	ADDRESS
THE BEEHIVE	104-106 Empson Street, London, E3 3LT

Tower Hamlets Council has adopted schedule 3 Local Government (Miscellaneous Provisions) Act 1982 with effect from 1st June 2014 so that it can:

- set a limit on the number of sexual entertainment venues
- determine premises that are appropriate for the borough and
- licence sexual entertainment venues

Sexual entertainment venues are those that regularly provide lap dancing and other forms of live performance or live display of nudity.

Establishments that hold events involving full or partial nudity less than once a month may be exempt from the requirements to obtain a sex establishment licence and applicants are advised to contact the Licensing Team for advice.

Limits on the number of licensed premises

The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management
- A management structure and capacity to operate the venue
- The ability to adhere to the standard conditions for sex establishments

The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

Location of premises

The Council's policy is that there is no locality within Tower Hamlets in which it would be appropriate to license a sex establishment. Accordingly, the appropriate number of sex establishments for each and every locality within Tower Hamlets is zero.

As previously stated in the policy the Council will treat each application on its own merits however applicants should be aware that the Council will take into consideration the location of the proposed premises and its proximity to:

- residential accommodation,
- schools,
- premises used by children and vulnerable persons
- youth, community & leisure centres,
- religious centres and public places of worship
- access routes to and from premises listed above
- existing licensed premises in the vicinity

Impact

In considering applications for the grant of new or variation applications the Council will assess the likelihood of a grant causing impacts, particularly on the local community.

The Council will take the following matters into account:

- the type of activity
- the duration of the proposed licence
- the proposed hours of operation
- the layout and condition of the premises
- the use of other premises in the vicinity
- the character and locality of the area
- the applicant's previous knowledge and experience
- the applicant's ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant

- any reports about the applicant and management of the premises received from residents, Council officers or the police
- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers
- crime and disorder issues
- cumulative impact of licensed premises, including hours of operation
- the nature and concerns of local residents
- any evidence of complaints about noise or disturbance caused by premises
- planning permission and planning policy considerations

In considering applications for renewal the Council will take into account

- the applicant's ability to minimise the impact of their business on local residents and businesses
- any reports about the licensee and management of the premises received from residents, Council officers or the police
- whether appropriate measures have been agreed and put into place to mitigate any adverse impacts
- any evidence of complaints about noise or disturbance caused by premises

In considering applications for transfer the Council will take into account:

- the applicants previous knowledge and experience
- the applicants ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant
- any reports about the applicant and management of the premises received from residents, Council officers or the police

- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers

Applicants

Where appropriate the Council expects applicants to:

- demonstrate that they are qualified by experience
- have an understanding of general conditions
- propose a management structure which will deliver compliance with operating conditions for example through
- Management competence
- Presence
- Credible management structure
- enforcement of rules internally – training & monitoring
- a viable business plan covering door staff, CCTV
- policies for welfare of performers
- demonstrate that they can be relied upon to act in best interests of performers through remuneration, facilities, protection, physical and psychological welfare
- have a transparent charging scheme with freedom from solicitation
- a track record of management compliant premises or employ individuals with such a track record

New applicants may be invited for interview by the Licensing Officer and /or Police Officer prior to the application being referred to the Licensing Committee for determination.

Applications from anyone who intends to manage the premises on behalf of third party will be refused.

Premises appearance and layout

The Council expects premises to:-

- have an external appearance which is in keeping with the locality
- prevent the display outside the premises of photographs or other images which may be construed as offensive to public decency

- adequate lighting to allow monitoring of all public areas
- surveillance by CCTV
- surveillance by CCTV of all private booths

Conditions

The council will prescribe, and from time to time revise, standard conditions which will apply generally to licences that the council will grant or renew.

Through standard conditions the council seeks to ensure that sexual entertainment venues are well managed and supervised, restrict the sexual entertainment activities and the manner in which they are permitted to be provided, protect performers, and control the impact of the venue and its customers in relation to its locality.

Specifically, standard conditions could include measures which are found in the appendix of this policy.

The Application Process

Making a new, renewal, transfer or variation application

The Act requires the Council to refuse all application if the applicant:

The Council prefers to receive electronic applications and *offers a choice off payment options the details of which are contained in the application pack.*

The Council expects the premises to have planning consent for the intended use and hours of operation, or otherwise have lawful planning status before making an application for a new licence.

In order for the application to be valid the applicant must:

- Submit the completed application form
- Pay the application fee
- Submit a floor plan, drawn to scale showing the layout of the premises(new applications only)
- Submit a location plan (1:1250) showing the location of the premises(NB. plans will not be required for transfers nor renewal applications)
- 2 passport size photos of the applicant where the applicant is an individual rather than a limited company
- 2 passport size photos of the manager if applicant is a limited company(NB: photos will only be required if there has been a change of applicant or manager since the last application)
- Display an A4 notice at the proposed premises for 21 days following the date that the completed application is submitted setting out the application details. The notice must be in a prominent position so that it can be easily read by passers-by. A notice template will be provided with the application form.
- publish a notice on at least one occasion in a local newspaper, during the period of ten working days starting on the day the application was given Council. The advert can be any size or colour but must be readable.

Applicants who wish to advertise the application in another local newspaper are advised to contact the Licensing Team beforehand, to confirm that it is acceptable.

On receipt of a valid application the Council will consult:

- The Police
- The Fire Brigade
- Building Control
- Health and Safety
- Ward Councillors

For new and variation applications the Council will also consult:

- Development Control Team
- Local residents living within 50m of the premises

Authorised Officers from the Council, Fire Brigade and Police may choose to inspect the premises and require works to be carried out to bring the premises up to the required standard before the premises can be used for licensable activities.

The Council will not determine an application for a licence unless the applicant allows an authorised officer reasonable opportunity to enter the premises to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

Representations

Anyone wishing to object to the application must submit a representation, in writing, within 28 days of the date that the valid application was received by the Council.

Representations can either be submitted via

- Our website: www.towerhamlets.gov.uk
- Email to: licensing@towerhamlets.gov.uk
- Post to: Consumer and Business Regulations, Licensing Team, 6th Floor, Mulberry Place, 5 Clove Crescent, E14 2BG.

A person making a representation must clearly state their name, address, and the grounds for objecting to the application and indicate whether they consent to have their name and address revealed to the applicant. Copies of representations will be made available to the applicant 14 days before the committee hearing.

The Council will not consider objections that are frivolous or vexatious or which relate to moral grounds (as these are outside the scope of the Act).

The Council prefers to receive electronic representations.

Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the

decision to allow a late objection to be considered. In making such a decision the Council will take into account:

- The length of the delay
- The amount of time that the applicant has to consider the representation before the hearing date
- If other representations have been received before the deadline

Determining an application

Applications with no representations will be approved under delegated authority to officers.

Applications with representations recommending that conditions be attached to the licence and which are acceptable to both the applicant and person making the representation can be approved under delegated authority to officers.

All other contested applications will be referred to the Licensing Committee for determination. The applicant, anyone making a representation and the ward Councillors will be notified the date, time and venue of the hearing and invited to attend to address the committee in person.

Applications can take up to 14 weeks to be determined. If an application is likely to take longer than 14 weeks to determine the Council will notify the applicant in writing before this deadline. Applications for sex establishment licenses are exempt from the tacit consent provisions of the EU Services Directive on the grounds of public interest and the legitimate interests of third parties.

The applicant will be notified in writing about the outcome of their application within 5 working days of the decision being made.

Sex Establishment licences are usually issued for 12 months, but can be issued for a shorter period if deemed appropriate.

In order to continue operating as a sex establishment the licence holder must make a renewal application prior to the expiry of the existing licence.

Appeals

Any applicant who is aggrieved by a decision to refuse an application or by the imposition of any conditions can appeal to the Magistrates Court within 21 days of receiving the decision in writing.

Grounds for refusing an application

1. The applicant is unsuitable to hold a licence by reason of having been convicted of any offence or for any other reason
2. That if the license were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a license if he made the application himself
3. That the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality
4. That the grant or renewal of the license would be inappropriate, having regard:-
 - a. to the character of the relevant locality
 - b. to the use to which any premises in the vicinity are put; or
 - c. to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

Transitional Arrangements

Broadly speaking, those existing sexual entertainment venues (lap dancing clubs etc) with a premises licence under the Licensing Act 2003, under which it is lawful to provide such entertainment, will continue to be able to operate for one year after the Council adopts the 2009 Act provisions or, if later, the determination of any application submitted during that year.

The 'transitional period' will last for 12-months beginning with the date that the Council resolves that Schedule 3 as amended by the 2009 Act will come into force in their area ('the 1st appointed day'). Six months following the 1st appointed day will be known as the '2nd appointed day' and the day on which the transitional period ends will be known as the '3rd appointed day'.

Existing Operators

To allow time to comply with the new regime, existing operators, who, immediately before the 1st appointed day, have a 2003 Act licence and lawfully use premises as a sexual entertainment venue under that licence or are undertaking preparatory work to use the venue in that way will be allowed to continue to provide relevant entertainment until the 3rd appointed day or the determination of any application they have submitted before that time (including any appeal against the refusal to grant a licence), whichever is later.

For the purposes of the Transition a "2003 Act Licence" means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

"Preparatory work" refers to work carried out by an operator, such as a refurbishment or refit, in order that they can use the premises as a sexual entertainment venue in the future. The operator will have been granted a 2003 Act licence before the 1st appointed day but will not have used the premises as a sexual entertainment venue by that date. It is likely that such operators will be known to the Council. However, where a dispute arises between the Council and

a licence-holder over whether the licence-holder qualifies as an existing operator by virtue of this provision the Council will need to seek evidence from the licence-holder to demonstrate that they clearly intended to operate a sexual entertainment venue in the future and work had been done to achieve this end.

For the purposes of the Transition a “2003 Act Licence” means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

Appointed Days

1st Appointed Day

The day on which the Sexual Entertainment Venue regime comes into force in the Borough and the beginning of the transitional period (1st June 2014)

2nd Appointed Day

The day 6 months after the 1st appointed day (1st December 2014)

3rd Appointed Day

The day 6 months after the 2nd appointed day and the end of the transitional period (1st June 2015)

New Applications

New applicants are people who wish to use premises as a sexual entertainment venue after the 1st appointed day but do not already have a premises licence or club premises certificate to operate as such under the 2003 Act or do have such a licence but have not taken any steps towards operating as such. After the 1st appointed day new applicants will not be able to operate as a sexual entertainment venue until they have been granted a sexual entertainment venue licence

Determining Applications Received On or Before the 2nd Appointed Day

Applicants will be able to submit their application for a sexual entertainment venue from the 1st appointed day onwards.

As the Council is able to refuse applications having regard to the number of sex establishments they consider appropriate for a particular locality, all applications made on or after the 1st appointed day but on or before the 2nd appointed day shall be considered together. This will ensure that applicants are given sufficient time to submit their application and all applications received on or before the 2nd appointed day are considered on their individual merit and not on a first come first serve basis.

No applications shall be determined before the 2nd appointed day. After the 2nd appointed day the appropriate authority shall decide what if any licences should be granted. If a new applicant is granted a licence it will take effect immediately. If an existing operator is granted a licence, it will not take effect until the 3rd appointed day, up to which point they will be allowed to continue to operate under their existing premises licence or club premises certificate.

Determining Applications Received After the 2nd Appointed Day

Applications made after the 2nd appointed day shall be considered when they are made but only once all applications made on or before that date have been determined. However, reference to determination here does not include references to the determination of any appeal against the refusal of a licence.

As with applications received on or before the 2nd appointed day, licences granted to new applicants shall take effect immediately and licences granted to existing operators shall take effect from the 3rd appointed day or, if later, the date the application is determined.

Outstanding Applications

The Council will attempt where possible to determine outstanding applications made under the 2003 Act, which include an application for the provision of

relevant entertainment, before the date that Schedule 3 as amended by the 2009 Act comes into force in their area.

Where it has not been possible to determine application before the 1st appointed day, applicants will need to submit an application for a sex establishment licence as set out in Schedule 3 if they wish to provide relevant entertainment. From the 1st appointed day onwards outstanding applicants shall be dealt with as though they are new applicants
