

Overview and Scrutiny Committee	 TOWER HAMLETS
Report of: Ann Sutcliffe	Classification: Unrestricted
Spotlight: Waste and Recycling	

Originating Officer(s)	Filuck Miah
Wards affected	All Wards

Summary

The presentation outlines the Waste and Recycling and includes the following:

- Waste Performance Information (since coming in-house);
- Updates on any pilot or innovation programme for waste services;
- Addressing new development waste and recycling infrastructure;
- Overview of Blackwall waste recycling facility
- Complaints data and how this is being managed for missed collections, (contamination, fly tipping and underground waste collection ;
- Ongoing challenges in waste and recycling; and
- Priorities going forward

Recommendations:

The Overview and Scrutiny Committee is recommended to:

1. To review and note the waste and recycling service progress since coming in house and outlining how they are managing the ongoing challenges with waste and defining the priorities going forward; and
2. Consider areas of concern (where service performance is impacted) in developing per-decision scrutiny questions.
