CSD0016	Death or serious harm to a child that was or should have been in receipt of services, either from the council or a partner agency. There is an on-going need to ensure that services to all vulnerable children and young people have a focus on safeguarding and prevention of harm.	Our most recent Ofsted report (June 2019) rates Children's Social Care and Early Help service's as "Good". However, there will be a need to regularly review and scrutinise the quality of services for vulnerable young people. This scrutiny and challenge will need to have a focus on; • Overall management oversight and quality of supervision. • Compliance with core statutory and local requirements. • Adherence to key safeguarding thresholds. • Regular assessments of cases, and emerging /changing risks. • Strong planning for children, with regular reviews to avoid drift and delay. • Maintaining strong quality assurance and auditing mechanisms.	 Harm to individual Children and young people being left in situations of risk and or unassisted harm. Poorer than expected outcomes for a child. Poor audit/review findings Reputational damage to the council. Poor Staff development and competence. Poor Quality assurance and Performance Management Loss of experienced professional staff. Potential for legal proceedings against the council leading to financial loss 	Monthly meeting of the Continuous Improvement Board, chaired by the DCS, and involving the Lead member. The Tower Hamlets Children's Safeguarding Partnership, delivering the statutory multi-agency oversight of safeguarding. The Tower Hamlets Safeguarding Children's Partnership is jointly led by the Council, Police and CCG, and benefits from the support and challenge of an Independent Scrutineer. The Partnership provides routine oversight of multi-agency data and quality assurance findings. Monthly service level performance meetings held by the Divisional Director. An established Audit process which is undertaken 5 x times each year. Practice Week which is held twice a year (May and November) which involves all Corporate Directors and members.	5 5 25	Increased level of Quality Auditing. From May 2021 the quality assurance programme will move to monthly quality audits and be positioned as a core activity for all managers to ensure consistent and improving standards of casework across Children's Social Care. All audits are moderated. Sam Nair <u>Required Control Measure</u> <u>Target Date:</u> 31/12/2021 External peer scrutiny of our safeguarding practice. Two Directors of Children's Social Care from other East London boroughs will be joining the Continuing Improvement Board to provide external peer support and challenge.
