Subject: 145353 - New premise license application for Yango Deli Railway Arch 25a Cudworth Street London

Dear Licensing,

Having considered the variation of premises license variation application for Yango Deli Railway Arch 25a Cudworth Street London, I have to consider the impact of the licensing objectives, particular for Environmental Protection the prevention of public nuisance and the prevention of noise generated from within the premises or outside to be causing disturbance to people in the vicinity.

The applicant is proposing to extend permitted opening hours for licensable activities as follows:

Supply of alcohol: 24/7, 7 days a week thereby increasing hours from 23:00 hours until 07:00 am (an increase of 8 hours)
Late night refreshment : Seven days a week from 23:00 hours until 05:00 hours (six hours increase on existing licensable hours)

Noise Sensitive premises: high concentration of residential premises in close proximity on Cudworth Street.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to “public nuisance” for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.
- The hours of operation (inclusive of proposals)

CONCLUSION

Environmental Protection **does not** support the variation application for Yango Deli, Arch 25a Cudworth Street London, as there is greater likelihood of disturbance to residential operating 24/7 seven days a week close to noise sensitive residential premises.

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Sections 9.1 of the Licensing Policy)**. While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 14.10)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 9.2 of the Licensing Policy)**.

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 9

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 10

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
