b) The prevention of crime and disorder

We will display clear signage advising customers on normal hours under the terms of the license.
We will also display clear signage of potential criminal activities such as theft that may target customers.
We will report any problems to the police as soon as possible.

c) Public safety

We will conduct a risk assessment for the premises.
We will have staff/marshals that have been trained to monitor and deal with any public safety issues quickly and professionally.

d) The prevention of public nuisance

We will ensure that set up and dismantle of the market is as noiseless as possible.
Our music will be maintained at a level that is within the legal requirements, having open communication with our neighbours to maintain a healthy working relationship.
We are particular in keeping and leaving the site clean and clear of any rubbish.

 8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
 9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 10. Please list here steps you will take to promote all four licensing objectives together.

 13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
 14. This is the address which we shall use to correspond with you about this application.

15. Right to work/Immigration Status

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under Section 182 of the Licensing Act 2003;
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

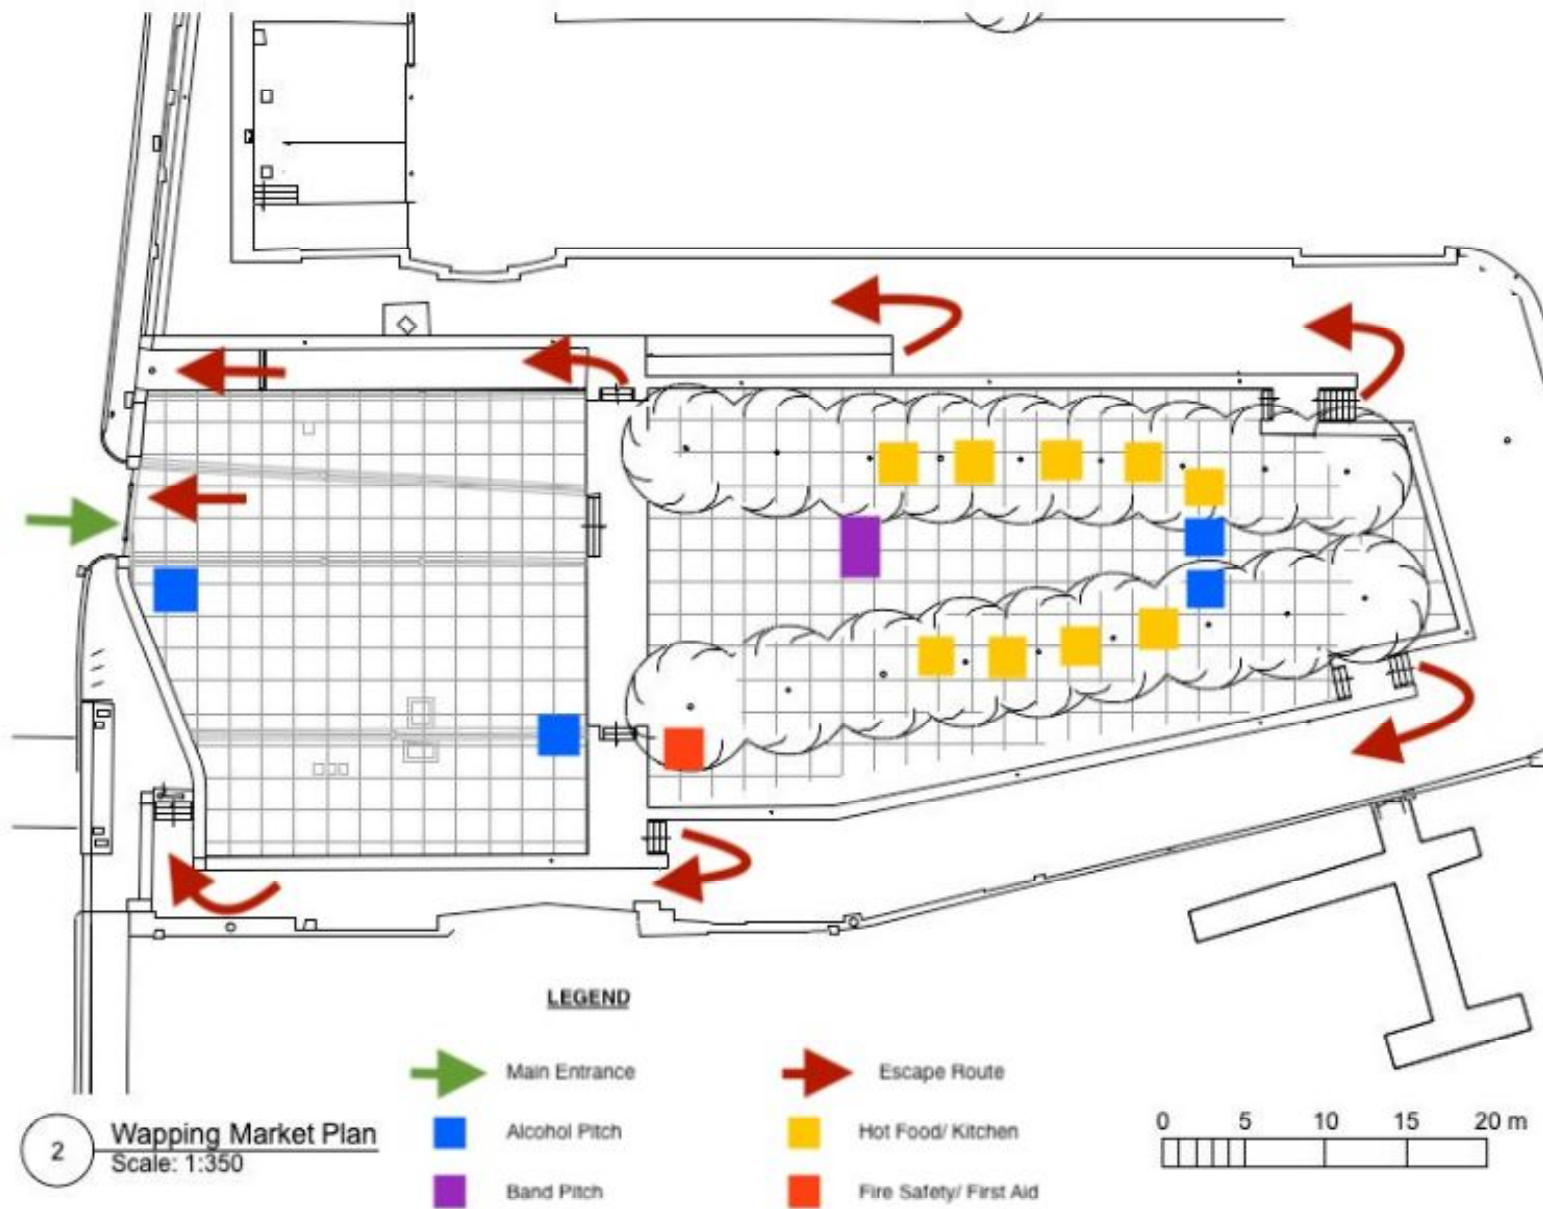

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home office. Your licence application will not be determined until you have complied with this guidance.

Appendix 6

Section 182 Advice by the Home Office Updated on April 2018

Relevant, vexatious and frivolous representations

9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.

9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.

9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.

9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this

Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Dear Sir/Madam,

Licensing Act 2003

New premises licence application: ZERO0UK Ltd, Brussels Wharf, Wapping Wall Wapping, London E1W 3SG

The Licensing Authority (acting a Responsible Authority) is making a representation against the above application on the grounds of:

- *the prevention of crime and disorder*
- *the prevention of public nuisance*

The Home Office guidance

under Section 182 of the Licensing Act 2003 (8.42) says:

“Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- *the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- *any risk posed to the local area by the applicants’ proposed licensable activities; and*
- *any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.”*

The applicant is “ZERO0UK Ltd” and the company director is “William Michael Francis Cutteridge”. Mr Cutteridge applied for Temporary Event Notice (TENs) including one for Friday 3rd December 2021 to carry out the sale by retail of alcohol (on and off sales) and the provision of regulated entertainment from 13:00 hrs to 23:00 hrs. However, this TEN was not granted.

On Thursday 2nd December 2021 (13:54 hrs) the Licensing Authority (Kathy Driver) emailed Mr Cutteridge and explained that the “*applications have reached the maximum limit under the legislation*” and “*not within 5 working days*”. It explained to Mr Cutteridge that “*In regards to this weekend the event can still take place however no alcohol can be sold, you can opt to offer alcohol for free or “bring your own” policy or utilise a licensed premises*”.

15:22 hrs, Mr Cutteridge replied to the email by asking if he “*could be granted a daily pass to cover this Friday, Saturday and Sunday*”.

At 16:29 hrs Kathy Driver stated:

Thank you for your email, as explained to you over the phone the event can still go ahead as there are elements to your event that do not require a licence, choir singing is not regulated entertainment and therefore can still go ahead, any unamplified live music can also take place without a licence. A market where entertainment is ancillary to the event is also considered incidental as long as the entertainment has not been described as the main focus of the event.

There are a number of activities that are permitted without the need for a licence of which I attach the relevant guidance to assist you with activities that are taking place this weekend, however I am afraid that alcohol cannot be sold. As explained, TENs have limits under the legislation and I have described in my email alternatives open to you but I’m afraid we have to remain within the boundaries of the law and the timescales for this weekend are too short to make any application, this is without considering any consultation with the Responsible Authorities.

Alcohol can be brought on site as “bring your own” you can offer it for free but this has to be legitimately free without any ticket charge or contribution. The alternative is utilising an already licensed premises for off sales.

This Authority is concerned that despite the above advice Noise & Nuisance Response Officers witnessed stalls selling alcohol and they test purchased alcohol from one of those stalls on the 3rd December 2021. This incident is currently under investigation. Various TEN’s were also applied for on numerous dates and we are also looking into whether offences were committed on the other dates.

There are also previous complaints that were passed on to Licensing from Environmental Protection as follows:

FYI on the 2/11/2021 we received the complaint below, and I refer for any action you may consider.

I quote the complainant as below:-

“A band of what appeared to be professional musicians were performing at the Saturday Market at Brussels Wharf, Shadwell Basin during the afternoon of 30-10-21 after 13:00 and periodically throughout the afternoon. The music was loud enough to be audible through the closed windows of my flat on Shadwell Basin about two hundred feet away from Brussels Wharf. It is not the first occasion on which this has happened.

The entertainment was likely enjoyed by people attending the market in the same way that people attending a festival enjoy it. The music was not enjoyed by a captive audience two hundred feet away. In addition, I don't believe Brussels Wharf is an outdoor music venue. I'm puzzled about why music at that volume is being permitted. It was clearly audible on the opposite side of Shadwell Basin. I have a short video/audio sample available if needed.

I'd be grateful if someone could investigate the terms of the license given to the Saturday Market to trade at Brussels Wharf in relation to noise nuisance, and if possible take action to prevent it from becoming habitual”

On a balance of probability, the above allegations show there is a concern that the premises may be unlikely to comply with the Licensing Act 2003. Members would expect the applicant to offer appropriate conditions for the promotion of the licensing objectives.

Yours faithfully

Follow Up Flag: Follow up
Flag Status: Completed

Dear Licensing,

Having considered the premises license application for Brussels Wharf Wapping Wall, Wapping I have to consider the impact of the licensing objectives, particular for Environmental Protection the prevention of public nuisance and the prevention of noise generated from the premises being external space, to be causing disturbance to people in the vicinity.

Whilst the application is for lesser hours than the Council's framework hours there is insufficient information in the operating schedule in the licence application to show how the applicant will promote the licensing objective for the prevention of public nuisance. Consideration has to be given to (1) potential music which may emanate from the premises & (2) the impact on public nuisance from people loitering outside whilst the premises is in operation.

The condition on the application "Our music shall be maintained at a level that is within legal requirements" is very general. Also a noise complaint was received from the venue for loud music on the 2nd November 2021.

Noise Sensitive premises: residential premises in close proximity to the venue.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.

CONCLUSION

Environmental Protection **does not** support the application for Brussels Wharf Wapping Wall, Wapping for the following reason :

- (1) The applicant has provided insufficient information to show how they will promote the licensing objective for the prevention of public nuisance.

However if I am willing to consider withdrawing my representation if the applicant provides a noise management plan to include noise mitigation measures including music noise levels

Kind regards

WAPPING DOCKLANDS MARKET

Noise Management Plan

The purpose of this document is to outline the measures proposed to reduce and control any potential noise disturbances to local residents by activities in and around Brussels Wharf during the times that Wapping Docklands Market is operational. This plan should be reviewed regularly considering any alterations to the premises or any changes to the activities taking place on the site.

Part 1 – Contact Details

Name of premises	Brussels Wharf
Address of premises	Brussels Wharf, Wapping Wall, Wapping, E1W 3SG
Name of licensee and/ or premises supervisor	Will Cutteridge
Contact telephone number	[REDACTED]
Email address	will@[REDACTED]

Part 2 - About the Premises

Brussels Wharf is a public park used weekly for the purpose of a community market. The market is open to the public on Saturdays from 10am to 5pm. Live/ recorded music is played during the market hours.

Part 3 - Source of Potential Noise Disturbance

The set up of the market starts at 8am, and take down of the market is finished by 6pm.

Live/ recorded music is played between 10am and 5pm.

Part 4 - Polices and Procedures

To control noise from regulated entertainment, the following polices and procedures will be actioned:

- Maintain good and open communication with our neighbours, in order not to cause disturbance and nuisance emanating from potential noise disturbance.
- Respond pro-actively to noise complaints, and action immediately when received during operational hours.
- Sounds levels will be taken at set times throughout the event at noise sensitive boundaries and other pre-determined places. Readings will be documented and must not exceed 65 decibels. It is widely accepted that a standard human conversation emits 60 decibels.
- Readings will be used to provide a detailed database of noise levels around the site, see appendix 1.
- A site log book is to be kept and updated weekly, detailing the above readings along with any noise complaints received.

Part 5 - Complaints Procedure

A direct phone to the market manager/ licensee for complaints is displayed on our website, social media channels and google profile. Two staff members are also present onsite every week to handle complaints and take immediate action where appropriate.

Upon receipt of a noise complaint an investigation into the source will be carried out by the onsite team, immediate action will then be taken to mitigate the source of the complaint. The complaint will then be recorded in the log book located within the staff pack on site.

Appendix 10

Prevention of Public Nuisance

- 9.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 9.2 The concerns mainly relate to noise nuisance both from the premises and customer egress, light pollution, noxious smells and disruption from parked vehicles and due regard will be taken of the impact these may have in considering a licence. The Licensing Authority will expect Operating Schedules to satisfactorily address these issues. Applicants are advised to seek advice from the Council's Environmental Health Officers before preparing their plans and Schedules.
- 9.3 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the problems identified in Section 18 of this Policy (Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area), and these may include conditions drawn from the Model Pool of Conditions found in the Secretary of States Guidance.
- 9.4 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction, or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Council's rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 9.5 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.

Appendix 11

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated April 2018

Public nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Appendix 12

Licensing Policy, updated November 2018

Crime and Disorder

- 7.1 Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment for large numbers of people, can be a source of crime and disorder problems and to store prescribed information.
- 7.2 When addressing crime and disorder the applicant should initially identify any particular issues (having regard to their particular type of premises and / or activities) which are likely to adversely affect the promotion of the crime and disorder licensing objective. Such steps as are required to deal with these identified issues should be included within the applications operating schedule. Where the Metropolitan Police, acting as a responsible authority, makes recommendations in respect of an application relating to the licensing objectives the Licensing Authority would expect the applicant to incorporate these into their operating schedule.
- 7.3 Applicants are recommended to seek advice from Council Officers and the Police as well as taking into account, as appropriate, local planning and transport policies, with tourism, cultural and crime prevention strategies, when preparing their plans and Schedules.
- 7.4 In addition to the requirements for the Licensing Authority to promote the licensing objectives, it also has duties under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough and to share prescribed information.
- 7.5 The Licensing Authority, if its discretion is engaged, will consider attaching Conditions to licences and permissions to deter and prevent crime and disorder both inside and immediately outside the premises and these may include Conditions drawn from the Model Pool of Conditions relating to Crime and Disorder given in the Secretary of State's Guidance.
- 7.6 **CCTV** - The Licensing Authority, if its discretion is engaged, will attach conditions to licences, as appropriate where the conditions reflect local crime prevention strategies, for example the provision of closed circuit television cameras.

7.7 **Touting** – This is soliciting for custom. There has been a historic problem with Touting in the borough, mainly in relation to restaurants, and as such in 2006 the Council introduced a byelaw under Section 235 of the Local Government Act 1972 for the good rule and government of the London Borough of Tower Hamlets and for the prevention and suppression of nuisances.

As a result, in relation to premises where there is intelligence that touting is, or has been carried out, the Licensing Authority, where its discretion is engaged will insert a standard condition that prohibits 'touting' as follows:-

- 1) No person shall be employed to solicit for custom or be permitted to solicit for custom for business for the premises in any public place within a 500 meters radius of the premises as shown edged red on the attached plan.(marked as Appendix -)
- 2) Clear Signage to be placed in the restaurant windows stating that the premises supports the Council's 'No Touting' policy.

7.8 **Responsible Drinking** - The Licensing Authority expects alcohol to be promoted in a responsible way in the Borough. This should incorporate relevant industry standards, such as the Portman Group Code of Practice. Where appropriate and proportionate, if its discretion is engaged, the Licensing Authority will apply conditions to ensure responsible drinking. The Licensing Authority also recognises the positive contribution to best practice that "Pubwatch" and other similar schemes can make in promoting the licensing objectives and is committed to working with them.

Model Pool Conditions can be found in the Secretary of State's Guidance.

7.9 **Criminal Activity** - There is certain criminal activity that may arise in connection with licensed premises which the Licensing Authority will treat particularly seriously. These are the use of the licensed premises:

- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
- for the sale and distribution of illegal firearms;
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
- for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;
- for prostitution or the sale of unlawful pornography;
- by organised groups of paedophiles to groom children;

- as the base for the organisation of criminal activity, particularly by gangs;
- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

The Secretary State's Guidance states that it is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and this Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence, even in the first instance, should be seriously considered.

7.10 In particular the Licensing Authority is mindful of the Secretary of State's Guidance "Reviews arising in connection with crime".

7.11 From 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) will need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database which will be available from April 2017. This is an ongoing obligation and if a business is found to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a 'trade buyer') does not need to register unless they sell alcohol to other businesses. Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC. Further information may be found at: <https://www.gov.uk/guidance/the-alcohol-wholesaler-registration-scheme-awrs>.

Smuggled goods

7.12 The Licensing Authority will exercise its discretion to add a standard condition as follows:-

- 1) The premises licence holder and any other persons responsible for the purchase of stock shall not purchase any goods from door-to-door sellers other than from established traders who provide full receipts at the time of delivery to provide traceability.
- 2) The premises licence holder shall ensure that all receipts for goods bought include the following details:
 - i. Seller's name and address
 - ii. Seller's company details, if applicable
 - iii. Seller's VAT details, if applicable
 - iv. Vehicle registration detail, if applicable
- 3) Legible copies of the documents referred to in 2) shall be retained on the premises and made available to officers on request.
- 4) The trader shall obtain and use a UV detection device to verify that duty stamps are valid.
- 5) Where the trader becomes aware that any alcohol may be not duty paid they shall inform the Police of this immediately.

Olympic Park – Football Ground

7.13 Premises where Police intelligence shows that football supporters congregate within the borough should consider in their application form the following conditions:

- 1) On Match Days for premises licensed for the supply of alcohol for consumption on the premises:
 - a) Drinks shall only be supplied in polypropylene or similar plastic and all bottled drinks shall be poured into such drinking vessels before being handed to the customer. These should be made of recyclable materials.
 - b) Registered door staff shall be employed to control the entry and exits to the premises and to manage any licensed outside area(s).

Appendix 13

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated April 2018

Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to cooperate with the Security Industry Authority (“SIA”) as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.

- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.
- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 9.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 14.10**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 9.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 15

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.
