NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir/Madam,

Licensing Act 2003

Re: DZRT 622 Roman Road London E3 2RW

I am acting in my capacity as Responsible Authority on behalf of the Licensing Authority to make representations against the above application on the grounds of the prevention of public nuisance, protection of children from harm and crime and disorder.

The applicant has not provided sufficient detail for the Licensing Authority to be satisfied that adequate measures are in place whilst licensable activities take place. The applicant has not offered any conditions in the operation schedule. The plan which has been provided shows very little detail.

The applicant has stated that the premises will be used for providing takeaway (directly) and delivery via Uber Eats and Deliveroo for the following hours:

Late Night Refreshments (Indoors)

Sunday to Thursday from 14:00 hours to 01:00 hours

Friday to Saturday from 14:00 hours to 02:00 hours

If the applicant is to provide takeaway and delivery only with no **indoor** dining, they have not stated that provisions are **outdoors** only in the application.

In the application, the applicant has stated the following regarding how they will uphold the licensing objectives:

- **The prevention of crime & disorder** – *Our customers are well behaved and usually young families wanting some dessert. 80% of our business is delivery.*
- **Public Safety** – *The Shop is fully insured. There is no access to the kitchen for the public.*
- **The prevention of public nuisance** – *we ask customers to vacate the shop as soon as they have received their orders.*
- **The protection of children from harm** – *Children are our future and everything possible should be done to protect them from harm*

Background

Before applying for a premises licence for late night refreshments, the premises received a complaint from a local resident.

04/04/2022 - Noise nuisance/ASB from male customers outside of the premises.

Subject: Noise complaint for DZRT 622 Roman Rd, Bow, London E3 2RW

Hello,

I'm a resident at XXXX Roman Road and I'm reaching to log a noise complaint for the DZRT shop operating at 622 Roman Rd, Bow, London E3 2RW.

Since the shop has opened there have been regular loud gatherings at late hours of groups of young males.

One example of such gathering was tonight 04/04 at 12:20 am when a group of 5-6 young males were gathered in front of the shop having a loud conversation. When I asked them if they could be quieter, they were disrespectful and did not lower their voices. After a few minutes I asked again to which they started arguing disrespectfully again and then started playing loud music from their cars before finally leaving after further 20 minutes.

We experience this almost on a weekly basis and is deeply disturbing not just because of the noise levels but also because of the disrespectful attitude and behaviour of the visitors.

Additionally, as a female resident I do not feel safe when groups of males hang out under my window in the middle of the night and are being loud and disrespectful on a regular basis. This is not a safe and pleasant residential environment.

Thank you in advance for your consideration and action.

04/04/2022 – research was carried out on the internet to investigate the opening hours of the premises. See attached **LMI/001**

05/04/2022 - Principal licensing officer sent a warning letter to the owner of the business Mr Ahmed Chowdhury. See attached **LMI/002**

16/04/2022 – At 23:21 hours, Tower Hamlets officers carried out a DYMOCK visit whereby a positive test purchase of hot dessert was made. The owner Mr Ahmed Chowdhury, whom the warning letter was addressed to was present at the time of the test purchase. See attached **LMI/003**

19/04/2022 – Tower Hamlets licensing team received an application for an LNR licence. In the operating schedule of the application (Section 5 of 21), the applicant, Mr Ahmed Chowdhury stated that they wanted the licence for LNR to start from **17/04/2022**.

The requested start date on the application for LNR was commencing before the application was submitted.

The application received on **19/04/2022** was rejected due to incorrect advertisement of the application and a subsequent application was submitted.

This Licensing Authority does not have confidence in that the applicant would operate a business for LNR in accordance with the Licensing Act 2003.

In the warning letter (**LMI/002**) Mr Chowdhury was advised of the following.

Under the Licensing Act 2003 it is an offence for anyone who carries on or attempts to carry on a licensable activity on or from any premises without or not in accordance with an authorisation.

The ACT covers;

- 1) *the sale by retail of alcohol (off or on sales)*
- 2) *the supply of alcohol by or on behalf of a club to, or to the order of, a member of the club (or permitted guest)*

3) *the provision of regulated entertainment (with or without a licence to sell alcohol)*

4) ***the provision of late night refreshment (selling meals and hot drinks after 23:00 hours and before 05:00 hours)***

He was further advised to cease trade immediately.

Mr Chowdhury did not take note of the above warning and continued to trade being caught operating past 23:00 hours on **16/04/2022**.

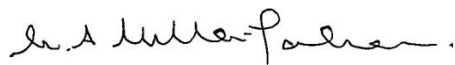

Further to the above, this Licensing Authority noted the lack of understanding of the licensing objectives and therefore feels that with the lack of information to be able to come to an agreement at this stage and therefore request for this application to be rejected.

However if the members are minded to grant this licence, to consider my representation and also consider the following conditions:

- 1) The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Tower Hamlets Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31-day period.
- 2) A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.
- 3) An incident log shall be kept at the premises, and be available on request to the Police or an authorised officer. It must be completed within 24 hours of any incident and will record the following:
 - a) all crimes reported to the venue;
 - b) all ejections of patrons;
 - c) any complaints received concerning crime and disorder
 - d) any incidents of disorder;
 - e) all seizures of drugs or offensive weapons;

- f) any faults in the CCTV system, searching equipment or scanning equipment;
 - g) any visit by a relevant authority or emergency service.
-
- 4) A direct telephone number for the manager at the premises shall be publicly available at all times the premises is open. This telephone number is to be made available to residents and businesses in the vicinity.
 - 5) During the hours of operation of the premises, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be swept and or washed, and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.
 - 6) Notices shall be prominently displayed at all exits requesting patrons and delivery drivers to respect the needs of local residents and businesses and leave the area quietly.
 - 7) There shall be no idling of vehicles.
 - 8) There shall be no loitering of customers out of the premises.
 - 9) Delivery drivers must wait for orders inside of the premises.
 - 10) All children entering the premises must be accompanied by a suitable adult after 21:00 hours.

Yours sincerely,

Lavine Miller-Johnson

This Authority has received a complaint of the premises operating into the early hours of the morning and causing noise and disturbance to residents with people congregating outside.

Having looked on your website the hours stated for your business are Monday to Thursday 5pm to 1am; Friday to Saturday 2pm to 2am and Sunday from 2pm to 1am.

According to the Council records you do not hold a licence under the Licensing Act 2003 and must inform you that any supply of hot food or hot drinks, such as hot waffles would be deemed late night refreshment and therefore would require a licence under the above Act for the supply between 11pm and 5am.

The Act further stipulates Hot (food or drink) as:

Food or drink supplied on or from any premises is "hot" for the purposes of this Schedule if the food or drink, or any part of it,—

(a) before it is supplied, is heated on the premises or elsewhere for the purpose of enabling it to be consumed at a temperature above the ambient air temperature and, at the time of supply, is above that temperature, or

(b) after it is supplied, may be heated on the premises for the purpose of enabling it to be consumed at a temperature above the ambient air temperature.

It is an offence for anyone who carries on, or attempts to carry on a licensable activity on or from any premises without or not in accordance with an authorisation.

The ACT covers;

- 1) the sale by retail of alcohol (off or on sales)
- 2) the supply of alcohol by or on behalf of a club to, or to the order of, a member of the club (or permitted guest)
- 3) the provision of regulated entertainment (with or without a licence to sell alcohol)
- 4) the provision of late night refreshment (selling meals and hot drinks after 23:00 hours and before 05:00 hours)

A person guilty of an offence under section 136 (1) of the ACT is liable on a summary conviction to imprisonment for a term not exceeding six months or an unlimited fine.

You are advised to cease the unauthorised licensing activity with immediate effect.

Appendix 6

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 7

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 8

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
