Tower Hamlets Council **Forthcoming Decisions Plan**

What is this document?

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All Key Decisions to be taken by the Mayor or Cabinet.
 - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish all other decisions to be taken by the Mayor and/or Cabinet.

Key Decisions

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Section 3 of the [Constitution](#). Key Decisions can be taken by the Mayor, the Mayor in Cabinet or an officer if it has been expressly delegated.

Publication of Forthcoming Decisions

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

Urgency

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

Make your views known

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council's [website](#).

Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
 - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Summary of Decision	Approval is sought through to initiate works at the Watney Market car park. Currently the sprinkler systems within the commercial element are beyond their economic life and can no longer be maintained. As a result, there is no guarantee in case there is a fire that they will work, and this is considered a major risk considering the two residential blocks above. Furthermore, the emergency lighting in the basement carpark is damaged beyond repair, providing a health and safety issue as well as encouraging Anti-Social Behaviour.

Who will be consulted before decision is made and how will this consultation take place	<p>In respect of the decision required, Arvin and Sons Ltd (by GLA).</p> <p>Greater London Authority Development Partner – Swan Housing Association (contract delivery partner).</p> <p>Not applicable for the decision required. However, extensive and on-going consultation has been carried out with residents concerning the scheme, including development of a resident’s charter, provision of an offer to the community, successive planning applications, and numerous other community consultation and engagement activities. There has been specific consultation with affected business interest, Arvin and Sons Limited, by officers at the GLA who have been negotiating Arvin’s inclusion in the scheme as a delivery partner. Good practice has been followed by the GLA in this respect, as by LBTH in all of its consultations regarding the wider scheme.</p>
Has an Equality Impact Assessment been carried out and if so the result of this Assessment?	<p>An EQIA was not required at the time of the scheme’s inception or for the Compulsory Purchase process which the Council implemented successfully. However, Equalities considerations have been paramount and considered throughout the scheme which has been reported to Cabinet for a number of years. It has been reported that this is a comprehensive regeneration scheme which will transform and improve living conditions for residents on the Robin Hood Gardens Estate, who choose to remain in the area, and residents of the wider area, who will also benefit from the significant improvements to the quality of the homes, environment, community facilities, retail offer and so on, which the regeneration delivers. The project, as reported will have delivered the new homes for all tenants and leaseholders wishing to remain in the area by the end of 2022/23, and will provide a significant number of new homes for people in housing need across Tower Hamlets generally.
