Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

It is proposed that the premises will be operated as a relaxed coffee house, providing food and generally non-alcoholic refreshment on the premises. Due to the size of the premises, overall numbers will be limited avoiding any significant congregation of customers and noise and disturbance which may arise as a result.

The owner and manager will operate at all times to ensure that the premises provides a safe, relaxed, attractive and welcoming venue for local residents and customers. It is anticipated that the impact in the local area in terms of activity, noise and disturbance will generally be very limited.

b) The prevention of crime and disorder

During the general hours of opening of the premises to the public, it will primarily involve the sales of non-alcoholic drinks, cakes and sandwiches. Seating will be provided in both the front and rear areas of the premises to enable all customers to be seated.

During occasional evening opening, capacity will be limited to no more than 50 persons monitored through ticket sales. Staff on duty will ensure compliance with the capacity limitations and will deny entry to any individuals who appear either drunk or disorderly.

c) Public safety

Staff will undertake appropriate licensing and first aid training. The safety of all staff and customers on the premises will be assessed by staff on duty at all times during opening hours and any steps taken as considered appropriate following such assessment – such as contact with emergency and other services.

d) The prevention of public nuisance

Recorded music is intended to be non-intrusive background which will not interrupt normal room conversation. It is intended to be inaudible outside the premises and non-amplified. No lighting in addition to that normally deployed in a café facility is intended and no external lighting is proposed.

No alcohol off sales proposed. Customers will not be permitted to take alcoholic drinks outside the premises.

e) The protection of children from harm

No adult entertainment is proposed. No gaming machines proposed. No cigarette sales proposed. Alcohol sales will be strictly in accordance with legal age limit requirements. A 'Challenge 21' policy will be operated. During occasional evening opening, no unaccompanied children will be permitted.

 9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 10. Please list here steps you will take to promote all four licensing objectives together.
 11. The application form must be signed.

 14. This is the address which we shall use to correspond with you about this application.

15. Right to work/Immigration Status

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under Section 182 of the Licensing Act 2003;
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office

online right to work checking service.

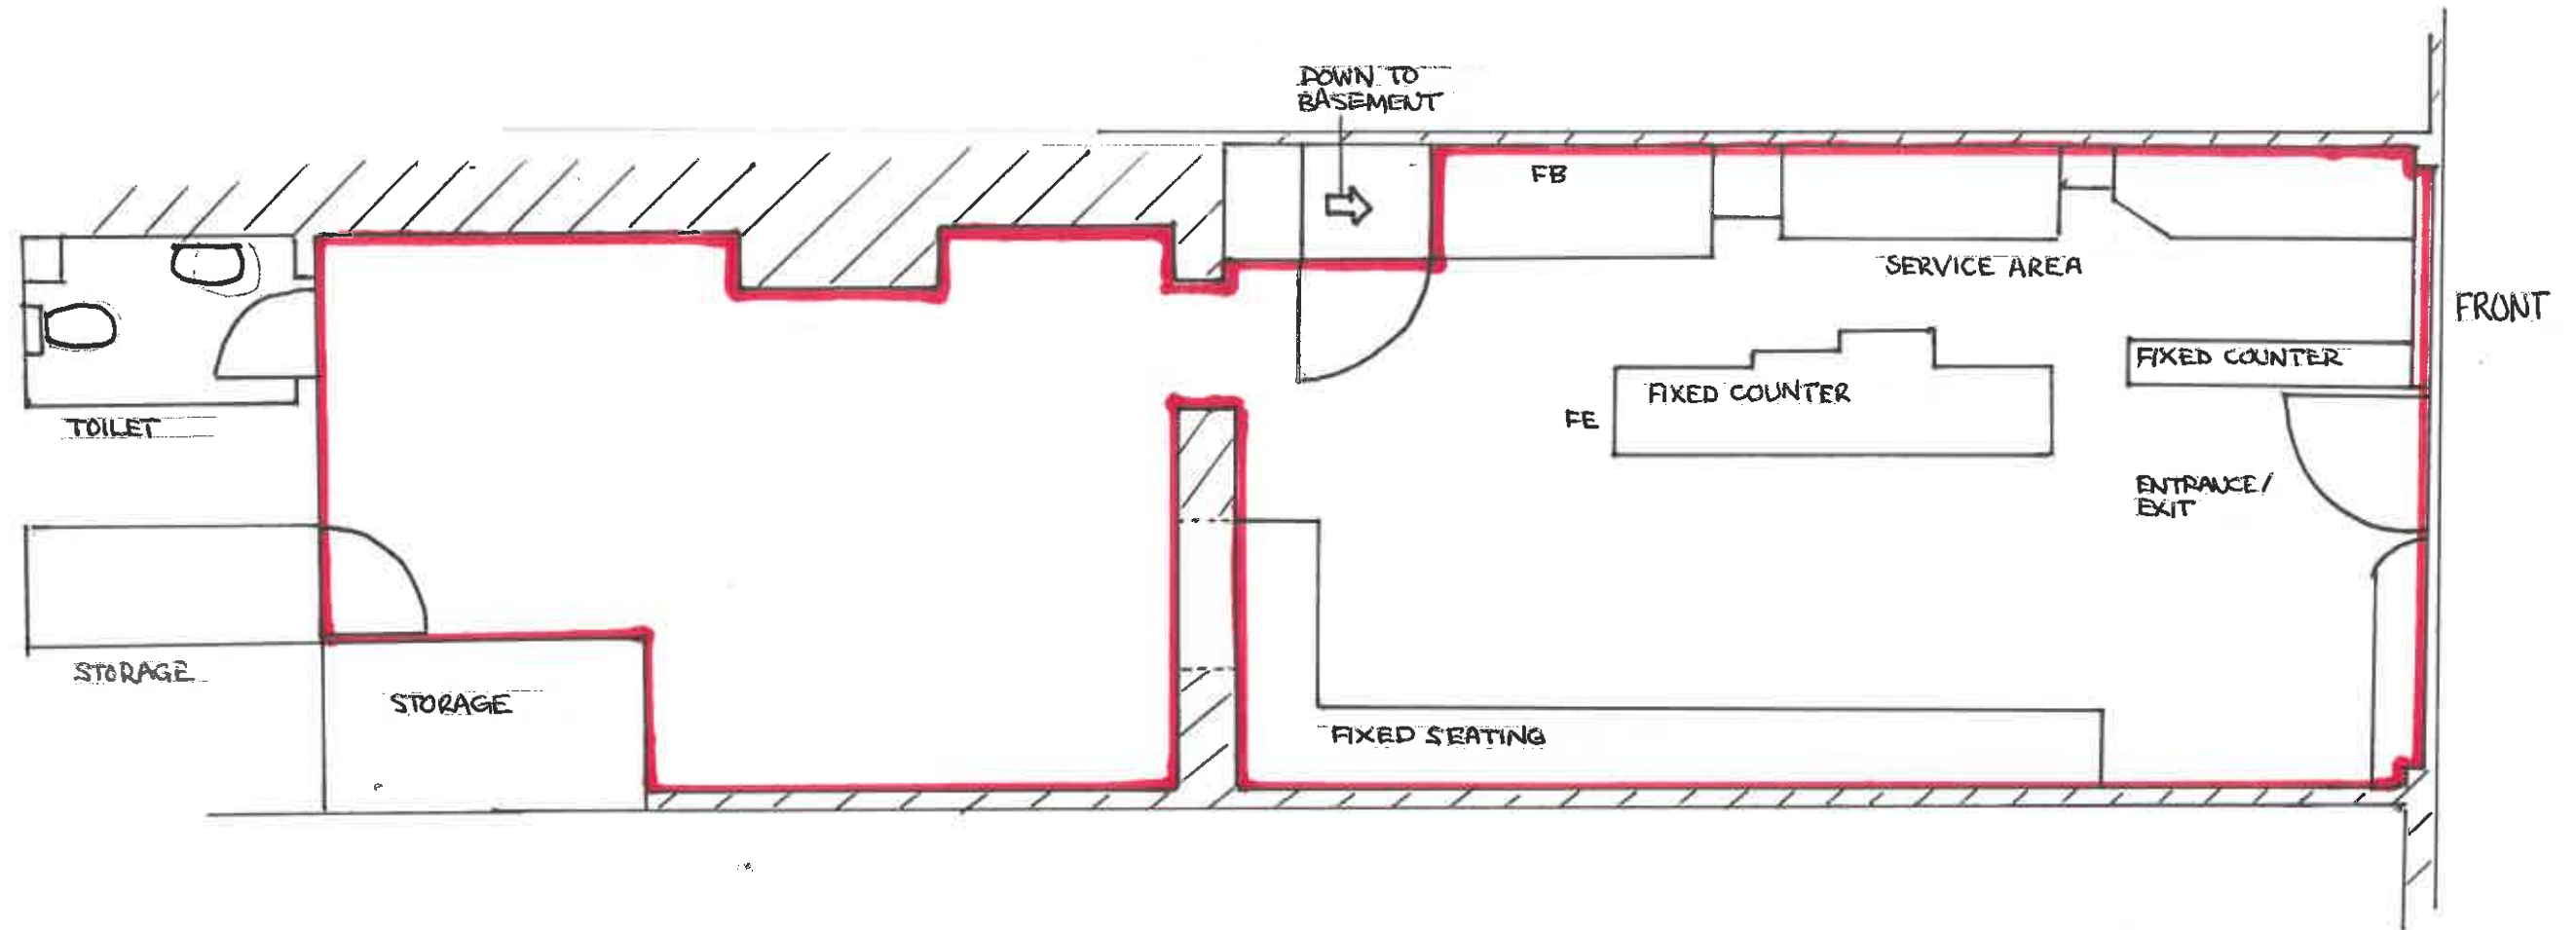

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home office. Your licence application will not be determined until you have complied with this guidance.

Section 182 Advice by the Home Office Updated on April 2018

Relevant, vexatious and frivolous representations

9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.

9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.

9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.

9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this

Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Hello,

I live at [REDACTED] and would like to comment on Jungle Electric's license application.

The prevention of public nuisance - currently the road does not have a similar establishment serving alcohol alongside music, I believe it would be a massive nuisance as the road while being commercial is family friendly and has many, many flats and the road is quite small.

The protection of children from harm - we have a baby who's room faces Jungle Electric and late night music and drinking will severely impact his sleep and wellbeing.

All the best,

Sara Badawi

Subject: Licensing Application - Jungle Electric - 467 Roman Road E3 5LX - MA152861

Dear Sara Badawi,

I am contacting you in relation to the above and following the submission of your comments on the application to the Licensing Team at Tower Hamlets Council. The Licensing Officer has indicated that the applicant may contact you to discuss the proposals. The applicant is Mr Chris Tyerman and I am advising him in relation to the application. I am writing to offer you reassurance in relation to the concerns you raise in your comments to the Council. I have also copied in the Licensing Officer at the Council.

You may have noticed the premises which Mr Tyerman has recently opened at 467 Roman Road. It will operate primarily as a daytime family friendly coffee shop serving coffee, cakes and a limited food offer to customers. In addition to this, Mr Tyerman plans to operate a limited number of low key live music events, where local artists are invited to perform to a limited audience.

Due to the size of the premises, it is likely that no more than 3 musicians would perform at any one time. The events will primarily be acoustic sessions, taking place at the rear of the building away from the frontage. All events are planned to finish by 10pm and Mr Tyerman and his staff will be ensuring that attendees leave the site in a fashion respectful to neighbouring occupiers. There will be no amplification of the sound resulting in a nuisance outside the premises and no drums permitted. Whilst the licence application indicates that audience numbers will be limited to 50 people, on further consideration, Mr Tyerman anticipates that numbers will be limited to 40. This will be ensured through ticketing of events. All the events will be managed and controlled by Mr Tyerman and his staff who have significant experience of ensuring that they take place without any disturbance to adjacent residents. There is no intention that the premises will be operated along the lines of a public house.

The Metropolitan Police, Environmental Health and Trading Standards Officers have all considered the application. There has been no objections on their behalf and Mr Tyerman has been asked to agree to a number of conditions to be applied to the licence such that any noise or amenity impact is kept to an absolute minimum. I am pleased to say that Mr Tyerman is in full agreement with all the conditions suggested. I feel that these will also serve to avoid any of the impacts that you are concerned about.

My Tyerman does understand your concerns and wants to reassure you that he intends to operate the premises as a safe and family friendly place. He does hope that you would be able to pop in at some point so that you can see the friendly environment that he is striving to create.

I do hope that I have been able to reassure you. If you would like any further information or to ask any questions, please do not hesitate to contact either myself by email or Mr Tyerman either at the Coffee Shop itself or on 07545 553885.

If you have been reassured and feel able to, both myself and Mr Tyerman would be very grateful if you would be able to confirm that for us.

With best regards
Kevin Steptoe

Appendix 8

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 9

Protection of children from harm

- 10.1 The wide range of premises that require licensing means that children can be expected to visit many of these, often on their own, for food and/or entertainment. The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Home Office Guidance also expects Licensing authorities to consider the need to protect children from sexual exploitation when undertaking licensing functions.
- 10.2 Tackling Child Sexual Exploitation (CSE) is a key target both locally and nationally as such the Licensing Authority expects Licence Holders to:
- Understand that there are criminal offences in relation to sexual exploitation of a child,
 - Ensure that they and their employees have a basic awareness of the signs of CSE and how to report it;
 - Report any concerns to the appropriate authorities or to the Licensing Authority can advise them of the appropriate authority to report concerns to.
- 10.3 Applicants are to consult with the Responsible Authority designated for Child Protection listed in appendix 1 - List of Responsible Authorities of this who this Licensing Authority recognises to be competent body to advise on the protection of children from harm.
- 10.4 The Act does not prohibit children from having access to any licensed premises; the Council recognises that limitations may have to be considered where it appears necessary to protect children from harm.
- 10.5 The Licensing Authority will judge the merits of each separate application before deciding whether to impose conditions limiting the access of children to individual premises. The following are examples of premises that will raise concern:-
- Where there have been convictions, Fixed Penalty Notices (FPNs) or formal cautions for serving alcohol to minors or with a reputation for underage drinking

- With a known association with drug taking or dealing
 - Where there is a strong element of gambling on the premises
 - Where entertainment of an adult or sexual nature is provided
 - Where irresponsible drinking is encouraged or permitted.
- 10.6 Where its discretion is engaged, the Licensing Authority will consider any of the following options when dealing with a licence application where limiting the access of children is considered necessary to prevent harm to children:
- Limitations on the hours when children may be present,
 - Limitations on ages below 18,
 - Limitations or exclusion when certain activities are taking place,
 - Requirements for an accompanying adult,
 - Full exclusion of people under 18 from the premises when any licensable activities are taking place.
- 10.7 No conditions will be imposed requiring that children must be admitted to any premises and, where no limitation is imposed, this will be left to the discretion of the individual licensee.
- 10.8 The Act details a number of offences designed to protect children in licensed premises and the Licensing Authority will work closely with the police to ensure the appropriate enforcement of the law, especially relating to the sale and supply of alcohol to children.
- 10.9 All licence holders will be expected to comply the Portman Group Code of Practice, and in particular the Retailer Alert Bulletin by which the Portman Group informs licensed retailers, which products have been found to be in breach of the code, and should be removed from sale.
- 10.10 The Licensing Authority expects all licensed suppliers of alcohol to have robust measures, effectively managed and monitored, in place to ensure that minors are fully protected from harm. This will require operating plans to specify these measures and management controls taking into account paragraph 10.1 and 10.2 above. Where appropriate a written childcare policy should be available and be incorporated in the induction of staff.

- 10.11 The Licensing Authority will take appropriate and proportionate action where there are serious concerns in relation to the safe guarding of children in connection with a licensed premises, which may include consideration of applying for a review of the licence where there significant evidence of undermining the licensing objective of the protection of children from harm.
- 10.12 The sale of alcohol to a minor is a criminal offence and Trading Standards will conduct appropriate covert test purchasing exercises and will take account of any complaints and intelligence received. The Act permits the use of children under the age of 18 to undertake test purchases.
- 10.13 Where there are age restrictions imposed by the Act on the licensable activities in respect of children below a certain age, then the licensee will be required to demonstrate that they have age verification systems in place. This Licensing Authority believes that that Licensed Premises should have age verification policies to require individuals who appear to the person serving alcohol to be under the age of 25 years of age to produce on request appropriate identification. This is commonly referred to as the “Challenge 25 Scheme”. The rationale for this is because it can often be difficult to judge how old teenagers are and “Challenge 25 age verification system” would provide licensed premises with margin of error to prevent underage sales. Thus Challenge 25 can help to empower staff to challenge customers where there is doubt about their age. In turn this is likely to reduce the risk of the owner, or the seller of the alcohol, committing an offence.
- 10.14 Training in age verification systems should be given to all persons who might be in a position to serve or refuse the sale of alcohol to children. The training should include a basic understanding of the law, seeking proof of age, verifying the authenticity of proof of age cards and handling and recording refusals.
- 10.15 Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose the following standard conditions in relation to age verification systems:
- 1) All tills shall automatically prompt staff to ask for age verification identification when presented with an alcohol sale.
 - 2) A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.
 - 3) A record shall be kept detailing all refused sales of alcohol. The record should include the date and time of the refused sale and the name of the member of staff who refused the sale. The record

shall be available for inspection at the premises by the police or an authorised officer at all times whilst the premises is open.

- 4) All staff whose duties include the serving of alcohol must be trained in the requirements of this scheme including the importance of recording any refusals.

11 Access to Cinemas

- 11.1 Films cover a vast range of subjects, some of which deal with adult themes and / or contain, for example, scenes of horror or violence that may be considered unsuitable for children within certain age groups.
- 11.2 In order to prevent children from seeing such films, the Licensing Authority will impose conditions requiring licensees to restrict children from viewing age restricted films classified according to the recommendations of the BBFC, or the Council itself. The Licensing Authority will not consider reclassifying any films already classified by the BBFC. The Council will charge for classifying films, on a full cost recovery basis.
- 11.3 The Licensing Authority will classify films itself where it is satisfied that no BBFC classification exists. It will inform relevant licensee and require such classifications to be clearly contained in any advertising or informative material relating to such films.

12 Children and Public Entertainment

- 12.1 Many children go to see and / or take part in an entertainment arranged substantially for them. Consequently additional arrangements are required to safeguard them at such times.
- 12.2 Where 10.1 applies, and its discretion is engaged, the Licensing Authority will require the following arrangements in order to control their access and egress and to assure their safety:-
 - An adult member of staff to be stationed in the vicinity of each of the exits from any level, subject to there being a minimum of one member of staff per 50 children or part thereof,
 - No child unless accompanied by an adult to be permitted in the front row of any balcony,
 - No standing to be permitted in any part of the auditorium during the Performance.
- 12.3 Where children are taking part in any regulated entertainment, and its

discretion is engaged, the Licensing Authority will require the operating schedule to clearly state the steps taken to assure their safety.

- 12.4 Where its authority is engaged, the Licensing Authority will consider attaching conditions to licences and permissions to prevent harm to children, and these may include conditions drawn from the Model Pool of. Conditions that can be found in the Secretary of State's Guidance.

Appendix 10

Prevention of Public Nuisance

- 9.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 9.2 The concerns mainly relate to noise nuisance both from the premises and customer egress, light pollution, noxious smells and disruption from parked vehicles and due regard will be taken of the impact these may have in considering a licence. The Licensing Authority will expect Operating Schedules to satisfactorily address these issues. Applicants are advised to seek advice from the Council's Environmental Health Officers before preparing their plans and Schedules.
- 9.3 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the problems identified in Section 18 of this Policy (Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area), and these may include conditions drawn from the Model Pool of Conditions found in the Secretary of States Guidance.
- 9.4 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction, or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Council's rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 9.5 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.

Appendix 11

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 12

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
