NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Section 182 Advice by the Home Office Updated on December 2022

Relevant, vexatious and frivolous representations

9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.

9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.

9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.

9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this

Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Subject: 153780 MAU REPRESENTATION on 154937 YeYe London 58 Wentworth Street, London

Good afternoon Licensing,

Please take my representation ref 154937 forward to YeYe London 58 Wentworth Street, London reference 153780.

The new application does not provide sufficient information to show the applicant will promote the licensing objective for the prevention of public nuisance. Conditions "*Keep the noise down*" and "*not in operation beyond operation hours*" are very general and do not indicate consideration of the impact on public nuisance from increase footfall from persons accessing and egressing the premises, patrons outside the premise leaving to smoke etc, particularly when considering the premises is in Brick Lane Cumulative Impact Zone.

Subject: MAU REPRESENTATION 154937 YeYe London 58 Wentworth Street, London

Dear Licensing,

Having considered the premises license application for YeYe London 58 Wentworth Street, London, London I have to consider the impact of the licensing objectives, particular for Environmental Protection the prevention of public nuisance and the prevention of noise generated from within the premises or outside to be causing disturbance to people in the vicinity. Consideration also has to be given to the fact that the premises is within Brick Lane Cumulative Impact Zone.

Whilst the premises operating hours are within framework hours there is insufficient information in the operating schedule of the licence application to show how the applicant will promote the licensing objective for the prevention of public nuisance, nor consideration of the impact on public nuisance from increase footfall from persons accessing and egressing the premises, patrons outside the premise leaving to smoke etc, particularly when considering the premises is in Brick Lane Cumulative Impact Zone.

Noise Sensitive premises: residential premises in close proximity.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents,
- Access & egress to and from the venue including patrons outside the premises to smoke, whilst the premises is in operation

CONCLUSION

Environmental Protection **does not** support the application for YeYe London 58 Wentworth Street, London for the following reasons:

- (1) There is great likelihood of disturbance to residential premises from the impact of additional footfall
- (2) The applicant have not provided sufficient information to show how they will promote the licensing objective for the prevention of public nuisance
- (3) The premises is in Brick Lane Cumulative Impact Zone.

If the committee are minded to grant this application I would ask that the following conditions be considered:

1. Loudspeakers shall not be located in the entrance lobby or outside the premise building.
2. The premises license holder shall ensure that noise or vibration is not audible at the nearest noise sensitive premises.
3. Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and leave the area quietly.
4. Patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall be limited to 5 persons at any one time.
5. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.

Licensing Act 2003

New premises licence application: (YeYe London) 58 Wentworth Street, London E1 7AL

The Licensing Authority (acting a Responsible Authority) is making a representation in relation to the above application.

Special Cumulative Impact Policy for the Brick Lane

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.

This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane CIA if they wish to rebut this presumption.

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.

Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:

- Prevention of Crime and Disorder;
- Prevention of Public Nuisance.

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;
 - Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,
 - Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),and,
 - Have arrangements to prevent vertical drinking, for example fully seated venues;
- Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments),
- Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

Licensable activities and times

The Licensing Authority has had regard to the Guidance to the Act when determining this policy. The end times set out in the policy are not (and should not be regarded as) the 'usual' or 'normal' terminal hour for licensable activities in the Borough. Instead, the 'framework hours' serve to identify cases where the Licensing Authority will pay particular regard to the likely effect on the local neighbourhood of carrying out the proposed licensable activities during the hours applied for. Applications for hours up to the end of the Framework Hours will not automatically be granted. This policy will be applied only where relevant representations are made. Each case will be considered on its merits.

- Sunday – 06:00 hours to 22:30 hours
- Monday to Thursday – 06:00 hours to 23:30 hours
- Friday and Saturday – 06:00 hours to 00:00 hours (midnight)

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

- a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).*
- b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.*
- c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder and the prevention of public nuisance.*
- d) Where the premises have been previously licensed, the past operation of the premises.*
- e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.*
- f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.*

The Home Office guidance

under Section 182 of the Licensing Act 2003 (8.42) says:

"Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- any risk posed to the local area by the applicants' proposed licensable activities; and*
- any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks."*

The plan of the premises submitted by the applicant is not adequate and does not meet the requirements of the Licensing Act 2003. The requirements of the plans of the premises are as follows:

(2) "(2) The information contained in the plan must be clear and legible in all material respects."

(3) The plan shall show -

(a) the extent of the boundary of the building, if relevant, and any external and internal walls of the building and, if different, the perimeter of the premises;

(b) the location of points of access to and egress from the premises;

(c) if different from sub-paragraph (3)(b), the location of escape routes from the premises;

- (d) in a case where the premises is to be used for more than one licensable activity, the area within the premises used for each activity;*
- (e) fixed structures (including furniture) or similar objects temporarily in a fixed location (but not furniture) which may impact on the ability of individuals on the premises to use exits or escape routes without impediment;*
- (f) in a case where the premises includes a stage or raised area, the location and height of each stage or area relative to the floor;*
- (g) in a case where the premises includes any steps, stairs, elevators or lifts, the location of the steps, stairs, elevators or lifts;*
- (h) in the case where the premises includes any room or rooms containing public conveniences, the location of the room or rooms;*
- (i) the location and type of any fire safety and any other safety equipment including, if applicable, marine safety equipment; and*
- (j) the location of a kitchen, if any, on the premises.*

(4) The plan may include a legend through which the matters mentioned or referred to in paragraph (3) are sufficiently illustrated by the use of symbols on the plan.

The applicant has stated there are approximately 15 covers, but there is no reference in the application to the premises being within the CIA and therefore no additional provisions, on how the applicant intends to uphold the licensing objectives, to demonstrate how the premises will not have a negative effect on the already saturated area. There are also no arrangements to prevent vertical drinking, for example fully seated venues.

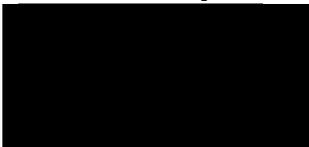

On a balance of probability, this Authority is concerned by the addition of another premises selling alcohol, potentially adding to the existing anti-social issues in the area, particularly through access and egress. The addition of alcohol to the existing premises could change the dynamic of customers in high spirits and therefore potentially undermining the licensing objectives.

If the applicant is unable to prove to the Licensing Sub-Committee, through the implementation of appropriate conditions within the Operating Schedule, that the granting of the application will not undermine the licensing objectives; then the application should be rejected. However, if the Sub-Committee is minded to grant a licence then I would ask that the following additional conditions are attached:

- 1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Tower Hamlets Police Licensing Team.*
 - a. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition.*
 - b. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises.*

- c. All recordings shall be stored for a minimum period of 31 days with date and time stamping.*
 - d. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.*
- 2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.*
- 3. An incident log shall be kept at the premises and record all incidents of crime and disorder associated with the premises. The incident log shall be made available on request to an authorised officer of the Council or the Police.*
- 4. Signs shall be prominently displayed both inside and outside the premises asking customers to respect local residents and be quiet when leaving the premises.*
- 5. Notices shall be prominently displayed at any area used for smoking requesting patrons to respect the needs of local residents and use the area quietly.*
- 6. The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.*
- 7. There shall be no “vertical drinking” of alcohol at the premises*
- 8. When the designated premise supervisor is not on the premises any or all persons authorised to sell alcohol will be authorised by the designated premises supervisor in writing. This shall be available on request by the Police or any authorised officer.*

Yours faithfully

This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.
3. An incident log shall be kept at the premises, and be available on request to the Police or an authorised officer. It must be completed within 24 hours of any incident and will record the following:
 - a) all crimes reported to the venue;

 - c) any complaints received concerning crime and disorder
 - d) any incidents of disorder;
 - e) all seizures of drugs or offensive weapons;

- f) any faults in the CCTV system, searching equipment or scanning equipment;

Dear Nicola,

Thanks for your email.

In order to promote the licensing objective for the prevention of public nuisance, in addition to the two conditions outlined above

- keep the noises down
- operate within the opening hours

I would like to add the following precautions We are planning to implement to prevent public nuisance

- There will be no loud speaker or any music equipment alike on premises
- We will install double glaze glass and noise cancelling material, where possible, to the shop, to minimise any noise or vibration
- ensure all guests will leave quietly to respect the need of local residence and business
- there will be no outside dining area or smoking/drinking area. Customers will not be allowed to temporarily leave and re-enter the premises

In addition, I would like to emphasise we expect most of our clientele will be of east asian origin, who usually do not consume alcohol in large quantify and enjoy the meals itself, most likely reasonable quietly.

I hope the above will complement the application and our application can be considered favourably.

Many thanks and Regards

Good afternoon Licensing,

Please take my representation ref 154937 forward to YeYe London 58 Wentworth Street, London reference 153780.

Appendix 11

Prevention of Public Nuisance

- 9.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 9.2 The concerns mainly relate to noise nuisance both from the premises and customer egress, light pollution, noxious smells and disruption from parked vehicles and due regard will be taken of the impact these may have in considering a licence. The Licensing Authority will expect Operating Schedules to satisfactorily address these issues. Applicants are advised to seek advice from the Council's Environmental Health Officers before preparing their plans and Schedules.
- 9.3 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the problems identified in Section 18 of this Policy (Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area), and these may include conditions drawn from the Model Pool of Conditions found in the Secretary of States Guidance.
- 9.4 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction, or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Council's rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 9.5 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.

Appendix 12

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated December 2022

Public nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Appendix 13

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 8 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Licensing Policy - Appendix 5

Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area

1. The Licensing Authority has adopted a special policy relating to cumulative impact in areas of:
 - Brick Lane
 - Bethnal Green

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

2. The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance. As part of the review in 2021, the Council also decided that the concentration of licensed premises within the Bethnal Green area was also having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

Review of Cumulative Impact Assessment - Supporting Evidence

3. In determining the Councils CIAs for the area of Brick Lane and Bethnal Green (Figures One and Two Below) the Council considered the following evidence:
 - Hot spot maps of incidents of crime and disorder and ASB linked to Licence premises in the defined areas for 2017 to 2020.
 - Complaint data from Environmental Health and Trading Standards relating to Noise and Licensing.
 - Licence Application data for the defined areas for 2017 to 2020
 - Results of the Consultation, that included Survey data and comments and written responses.

This evidence is published on our website:

Cumulative Impact Assessments (Brick Lane and Bethnal Green)

4. The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane and Bethnal Green Areas (highlighted in Figures One and Two below) is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.
 5. The Brick Lane and Bethnal Green CIAs aim to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on the local amenity, environmental degradation and emergency and regulatory services in managing this impact.
 6. The effect of this Special Cumulative Assessment Policy will apply to the following types of applications:
 - New Premises Licences applications,
 - New Club Premises Certificates applications
 - Provisional Statements,
 - Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).
- However, it will only apply where the application seeks to permit the Licensable activities of:
- the sale or supply of alcohol for consumption on or off the premises, and/or,
 - the provision of late night refreshment.
7. **This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIAs if they wish to rebut this presumption.**
 8. The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.
 9. Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

10. It must be stressed that the presumption created by this special policy does not relieve responsible authorities or other persons of the need to make a representation. If there are no representations, the licensing authority must grant the application in terms that are consistent with the operating schedule submitted in line with their delegated authority.

11. This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:
 - Prevention of Crime and Disorder;
 - Prevention of Public Nuisance.

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

12. The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;
 - Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,
 - Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),and,
 - Have arrangements to prevent vertical drinking, for example fully seated venues;

- Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments), .

- Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 16

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.
