90 White Post Lane is a cleared gravel yard bounded by 8ft site fencing on all sides. It is the site of the now demolished Lea Tavern public house and guest rooms, the site has been empty since the demolition of the public house building around 2012. The current landlord, Stewart Schwartz, has plans to redevelop the site in the near future, in the interim he has agreed to lease it to us so that we can relocate the Boat Live project which has been running at 66-78 White Post Lane for the last year. The previous site had to be closed to allow for handover from the LLDC to a housing association for development, leaving the project homeless.

**Continued from previous page...**

Boat Live project is focused around a small mobile event space built inside an old canal boat, this space has primarily been used to showcase music from the vibrant east London electronic scene, facilitating recording and live broadcast of sessions.

The boat has been soundproofed and managed well with no noise complaints from its time at 66-78 White Post Lane. The Boat Live project was previously operating on the Hackney Wick Underground licence on units 2-3 66-78 White Post Lane and was located in the outdoor front yard area to the north of the units. As with the previous licence we would add some temporary structures to facilitate a wc block, lounge, and bar area, most likely housed in shipping containers. We will have a central courtyard area with flexible seating, keeping a space to give us the option to bring in food trucks, similar to the previous premises. We will have a service window from the bar container direct to the street, this will only be used from early morning through the daytime for sales of coffee and smoothies, no alcohol will ever be sold from this window.

If you intend to use only part of the premises at this address or intend to restrict the area to which this notice applies, give a description and details below ([see also guidance on completing the form, note 3](#))

Describe the nature of the premises below ([see also guidance on completing the form, note 4](#))

A meanwhile project hosted in a converted boat and container structure on the site of the demolished Lea Tavern.

Describe the nature of the event below ([see also guidance on completing the form, note 5](#))

The tens applied for is to allow us to test the site for events use in advance of a decision to the premises licence application we have submitted.

The events for this ten are:

17<sup>th</sup> April 2023

Dear Sir,

Central East Police Licensing formally object to the application for a Temporary Event Notice for Boat Live, at 90 White Post Lane E9 5EN for the 29<sup>th</sup> and 30<sup>th</sup> April 2023. This objection is on the grounds of preventing crime and disorder, and public nuisance.

Central East Police Licensing object to this application as we believe it will lead to increased crime and disorder and public nuisance. Firstly when the applicant operated from 66 – 78 White Post Lane, not only were there noise complaints from local residents, when Police visited the site we found a poorly run venue with intoxicated customers, and open use of drugs. Management were not running the premises effectively as they had allowed customer to become drunk and there was no sense that anyone was in charge.

We believe that should this venue be allowed to have a Temporary Event Notice there will be crime and disorder. The applicant have not said how they will keep customers safe, they have not provided a security plan, an egress or dispersal plan. Customers are vulnerable when leaving a venue after the event has finished as if they have consumed alcohol then their decision making is impaired and they are more likely to be either victims of or instigators of alcohol related crime and disorder.

Given the likelihood of drugs being used at late night music events, such as the one on the 8<sup>th</sup> and 9<sup>th</sup> it is concerning that the applicant has made no reference to any searching of customers or security planning.

We also believe that this event will lead no noise nuisance, in contradiction to the applicants assertion that there were no noise complaints about the venue they previously operated from, noise complaints were indeed received by Tower Hamlets Council.

The boat itself may or may not be sound proofed to one degree or another, but this boat cannot hold 200 people, where will the guests be, and is this area sound proofed? We believe that having 200 people dancing to DJ music will cause noise nuisance as they listen to the music.

We also have concerns that as the Boat Live is next to residential premises, Boat Live's customers will congregate at this entrance and cause noise nuisance both as they enter the premises and as they leave.

I have visited the site of the boat with Nicola Cadzow from Tower Hamlets Council Noise Team and found the site to be dangerous with rubbish on the ground, no electricity or running water or any permanent or semi-permeant buildings for customers built or on site. We believe that such poor management demonstrated previously and an un-prepared site will lead to increased risks of crime and disorder and public nuisance.

We believe that this event will cause alcohol related crime and disorder and noise nuisance and ask that this application is rejected.

Kind Regards

Mark

PC Mark Perry

**Flag Status:** Completed

Dear Licensing,

I have reviewed the TENs applications for Boat Live 90 White Post Lane, London for 29-30th April 2023 and have considered the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity.

The applicant advised in the application that and I quote *"the boat had been soundproofed and managed well with no noise complaints from it's time at 66-78 White Post Lane"*. This is contradictory to the fact Tower Hamlets Council Noise Team have received several complaints from nearby residents as recently as November 2022 and I quote complaints received:

- (1) ***"The venue is in a repurposed barge so it has no noise insulation and the sound level of the music coming from it, is ridiculously loud"***
- (2) ***"...stated that they are playing music indoors at a loud volume with no soundproofing"***
- (3) ***"music indoors at a loud volume with no soundproofing"***

On one occasion when a complaint was received (6<sup>th</sup> November 2022) the Out of Hours Noise Team arrived in the vicinity of Boat Live at 66-78 White Post Lane, London and they could hear party style music with a heavy bass. I do not believe that by using same wooden boat as a venue on another site further down White Post Lane, particularly with insufficient sound insulation, that the licensing objective for the prevention of public nuisance will be met.

**Noise Sensitive premises:** residential and commercial premises in close proximity to 90 White Post Lane.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents, particular when the boat with the sound system will no facilitate 200 persons, and use of front yard area.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits;

### **CONCLUSION**

Environmental Protection **does not** support the TENs application for Boat Live 90 White Post Lane, as I do not believe that the licensing objective for the prevention of public nuisance will be met, as there is a greater likelihood of disturbance to residential premises if the event goes ahead.

Kind regards

Nicola Cadzow
