90 White Post Lane is a cleared gravel yard bounded by 8ft site fencing on all sides. It is the site of the now demolished Lea Tavern public house and guest rooms, the site has been empty since the demolition of the public house building around 2012. The current landlord, Stewart Schwartz, has plans to redevelop the site in the near future, in the interim he has agreed to lease it to us so that we can relocate the Boat Live project which has been running at 66-78 White Post Lane for the last year. The previous site had to be closed to allow for handover from the LLDC to a housing association for development, leaving the project homeless.

Continued from previous page...

Boat Live project is focused around a small mobile event space built inside an old canal boat, this space has primarily been used to showcase music from the vibrant east London electronic scene, facilitating recording and live broadcast of sessions.

The boat has been recently stripped down and refitted with a higher quality of soundproofing, we are in discussions with acousticians to have a noise impact assessment produced as requested by the Tower Hamlets Noise team, we have added some temporary structures to facilitate a cafe/food offering, wc block, lounge, and bar area, housed in shipping containers and temporary structures. There is a central beach themed courtyard area with flexible seating, keeping a space to give us the option to bring in food trucks and pop up traders similar to the previous premises.

If you intend to use only part of the premises at this address or intend to restrict the area to which this notice applies, give a description and details below ([see also guidance on completing the form, note 3](#))

Describe the nature of the premises below ([see also guidance on completing the form, note 4](#))

A meanwhile project hosted in a converted boat and container structure on the site of the demolished Lea Tavern.

Describe the nature of the event below ([see also guidance on completing the form, note 5](#))

The tens applied for is to allow us to test the site with a soft launch weekend with a food offer, sale of alcohol and the use of the boat to host in house streaming showcases of upcoming London talent.

In recognition of the concerns raised previously by the MPS we have specifically stepped away from any promoter led events programming which might draw problems and have reduced the capacity to test the site with 100 people and with earlier closing times than applied for on previous tens.

The event for this ten is to test a weekends standard trade checking operating procedures, dispersal, security deployment and taking sound reads in and around the site.

10th July 2023

Dear Sir,

Central East Police Licensing formally object to the application for a Temporary Event Notice for Boat Live, at 90 White Post Lane E9 5EN for the 20 to 23 July 2023. This objection is on the grounds of preventing crime and disorder, public nuisance, and Public Safety.

Central East Police Licensing object to this application as we believe it will lead to increased crime and disorder and public nuisance. Firstly when the applicant operated from 66 – 78 White Post Lane, not only were there noise complaints from local residents, when Police visited the site we found a poorly run venue with intoxicated customers, and open use of drugs. Management were not running the premises effectively as they had allowed customer to become drunk and there was no sense that anyone was in charge.

We know from when the venue operated previously drugs were openly being used inside the venue, and we have no confidence that the venue management would be able to keep drugs out of the venue, or deal with any incidents that occurred. This opinion is re-enforced following a site meeting on the 3rd July where the proposed license holder suggested that drugs were not a problem and that even if they were that drugs were being used in other venues. He denied that drugs had ever been used or taken in his venue, despite me observing and smelling the open use of cannabis.

We also believe that these events will lead to noise nuisance, the venue does not have a good track record in regard to preventing noise nuisance. In contradiction to the applicants assertion that there were no noise complaints about the venue they previously operated from, noise complaints were indeed received by Tower Hamlets Council when they operated from 66 – 78 White Post Lane.

The venue is less than ten meters from a large residential block, and the applicant has not supplied any independent data, like an acoustic report to show that the music levels it intends to use will not cause noise nuisance to local residents.

We also have concerns that as the Boat Live is next to residential premises, Boat Live's customers will congregate at this entrance and cause noise nuisance both as they enter the premises and as they leave. A local resident has already contacted us expressing their concern.

I have visited the site of the boat with Nicola Cadzow from Tower Hamlets Council Noise Team on the 3rd July and found that while there was improvement in terms of the ground being covered in matt and sand the electricity and water had been connected but not been signed off as safe. We have asked for documentation confirming this as it appears to be using electricity and water from the building next door, which would be highly dangerous and unlawful as each premises should have its own dedicated supply of electricity in case problems that may cause electricity to be cut off, in this case to a residential block.

The venue does not have a fire alarm or smoke detector heads. The venue has not provided proof of public liability insurance, or that the site is complete and safe.

We also found that parts of the boat had not been soundproofed, photographs attached, and the venue was not able to conduct a sound test as the sound system was not working, and an acoustic report has not been completed despite requests for this to be done.

We believe that these events will cause alcohol related crime and disorder and noise nuisance, and that the venue is not safe, and ask that this application is rejected.

Kind Regards

Mark

Dear Licensing,

I have reviewed the TENs applications for Boat Live 90 White Post Lane, London for the 20th, 21st, 22nd & 23rd July 2023 and have considered the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity.

I do not believe that the wooden boat is significantly soundproofed, and there has been no noise management plan received to show how the applicant is going to mitigate noise nuisance, and hence adhere and promote the licensing objective for the prevention of public nuisance.

Also, consideration has to be given to safety and public nuisance relating to patrons attending site, and the management of patrons particularly in the courtyard whilst the venue is operating, with sale of alcohol and regulated entertainment.

Noise Sensitive premises: residential and commercial premises in close proximity to 90 White Post Lane (see images 1 & 2 attached from my visit with PC Perry on 3.7.23 at 10am shows the close proximity of residents)

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents,
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits;
- Hours of Operation as proposed on the application

CONCLUSION

Environmental Protection **does not** support the TENs application for Boat Live 90 White Post Lane, as I do not believe that the licensing objective for the prevention of public nuisance will be met, and consideration that there is a greater likelihood of disturbance to residential premises if the event goes ahead.
