Introduction

The ward profiles have been produced for all 20 wards in Tower Hamlets. They provide the social, economic and demographic characteristics of each ward in the borough developing a broad picture of the area and help describing local differences.

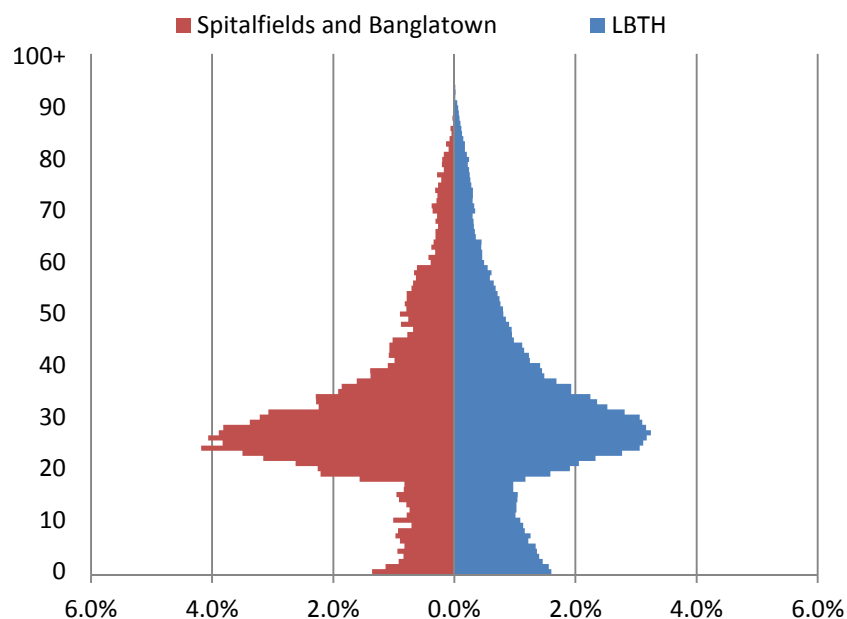

In May 2014, the number of wards increased from 17 to 20. The changes were made by the Local Government Boundary Commission for England, in order to ensure that every councillor in Tower Hamlets represented roughly the same number of residents. The changes mean that no ward will have a population variance of greater than 10 per cent. As a result of the changes, the average population per councillor will be 4,029 in 2014, rising to 4,417 by 2018, according to projected population growth.

Data from the 2011 Census has been used throughout this ward profile as this still provides the single best source of statistics which are available at geography small enough to be aggregated up in to the new wards. While more recent estimates of the resident population are available for the borough and old ward boundaries, these cannot be used to infer the current population according to the new ward boundaries.

Population

Introduction

The ward profiles have been produced for all 20 wards in Tower Hamlets. They provide the social, economic and demographic characteristics of each ward in the borough developing a broad picture of the area and help describing local differences.

In May 2014, the number of wards increased from 17 to 20. The changes were made by the Local Government Boundary Commission for England, in order to ensure that every councillor in Tower Hamlets represented roughly the same number of residents. The changes mean that no ward will have a population variance of greater than 10 per cent. As a result of the changes, the average population per councillor will be 4,029 in 2014, rising to 4,417 by 2018, according to projected population growth.

Data from the 2011 Census has been used throughout this ward profile as this still provides the single best source of statistics which are available at geography small enough to be aggregated up in to the new wards. While more recent estimates of the resident population are available for the borough and old ward boundaries, these cannot be used to infer the current population according to the new ward boundaries.

Dear Appropriate Authority,

**Schedule 3 of the Local Governmental (Miscellaneous Provisions) Act 1982 as
amended by the Policing and Crime Act 2009**
SEV Renewal: The Nags Head, 17-19 Whitechapel Road, London E1 1DU

I write in the capacity of the Licensing Authority as a Responsible Authority to object to the granting of the renewal of Sexual Entertainment Venue Licence for the above premises. The grounds for my objection are under Paragraph 12(3)(a) of the above legislation. This being that the licence holder is unsuitable to hold a licence for other reasons as detailed below.

The Licensing Authority (RA) has already made a request for the Appropriate Authority to consider revoking the Sexual Entertainment Venue Licence and I attached a copy of the revocation request and additional evidence.

Unfortunately, the Committee was unable to hear the revocation request due to an adjournment in May. The Licensing Authority is still of the same opinion as we were when the revocation request was made which is why we are objecting to the granting of this renewal application.

The evidence to support the Licensing Authority's objection is contained within the revocation request application and also the additional submission. I have summarised this evidence below:

- Witness statements from test purchasers identifying intentional touching between performer and customer during the performance (dance) on the 18th August 2022.
- CCTV footage and chronology showing intentional touching between three different performers and three different customers.

- Additional conditions imposed by the Licensing Committee on the 17th October 2017 for breaches relating to intentional touching between performer and customer during performance.
- Mr. Manpal Singh Clair as per his statement submitted in response to the revocation request mentions other premises in relation to which he has been involved in their running. However, the existence of that club (Vanity), and the pending proceedings, were omitted from Mr Clare's statement.
- For clarity, Companies House records confirms the same Mr. Manpal Clair to be an officer of both the corporate licence holder in the present case Nags Head ([NH License Ltd](#)), and in the company ([Vanity License Ltd](#)) who operated 'Vanity' in Westminster.
- Vanity Bar and Nightclub, 4 Carlisle Street, London W1D 4BJ had its SEV renewal application refused by Westminster City Council on Thursday 25 May 2023. The evidence supporting the revocation highlights similar breaches namely touching between performer and customer during a performance which took place at Nags Head with the link being Mr Clair. I will produce the decision/minutes in due course ([Agenda for Licensing Sub-Committee \(6\) on Thursday 25th May, 2023, 10.00 am | Westminster City Council](#)).

<https://committees.westminster.gov.uk/ieListDocuments.aspx?CId=371&MId=6344&Ver=4>

The Licensing Authority is of the view that it is highly relevant that Mr. Clair has very recently lost a SEV licence elsewhere in London on the basis of his fitness to hold a licence; and in particular, the case there disclosed breaches of the licence conditions very similar to those admitted in this case.

Given the above issues this Licensing Authority acting as a Responsible Authority would ask the Licensing Committee to refuse the renewal of this Sexual Entertainment Licence due to the licence holder being unsuitable to hold a licence.

Yours sincerely,

Mohshin Ali

Dear Appropriate Authority,

**Schedule 3 of the Local Governmental (Miscellaneous Provisions) Act 1982 as
amended by the Policing and Crime Act 2009**
RE: The Nags Head, 17-19 Whitechapel Road, London E1 1DU

I write in the capacity of the Licensing Authority, acting as a Responsible Authority to request the Appropriate Authority consider revoking the Sexual Entertainment Venue Licence for the above premises.

The reasons for this request is that test purchases carried out on the 18th August 2022 led to physical contact initiated by performers in relation to the individuals making the test purchases". This included pushing of the breast in face of the test purchasers, kissing of their neck and grinding into the groin areas. Please see attached witness statements from the Surveillance Operatives. Note, we have redacted the Officer's names and will be referring to them as Officer A and Officer B.

CCTV footage was requested on the 9th September 2022, which the Licensing Authority noted confirmed breaches of the below standard licence conditions, and supported the witness evidence mentioned. A chronology of breaches seen in the CCTV footage will be provided shortly.

The evidence shows of breaches of the following Standard Conditions attached to these premises' current Sexual Entertainment Venue Licence.

- 35. *During a performance there shall be no intentional physical contact between a performer and the customer other than the transfer of money or token at the beginning, during and at the conclusion of a dance into the hand or a garter worn by the performer. For the avoidance of doubt nothing in this condition shall prevent Performers from acting to prevent, deter or counter any attempts of physical contact by a customer.***

38. ***During a performance there shall be no full body physical contact between performers and they are not to touch each other's breasts or genitalia either with their bodies or with objects. Any performance shall be restricted to dancing and the removal of clothes. There must not be any other form of sexual activity, including but not limited to acts or the simulation of acts of personal stimulation.***

As the copy of the CCTV footage was requested from the licence holder, we understand that they have retained the original copy. We reserve the right to play the same footage at the hearing in a closed session.

The applicant's solicitor has responded to the Licensing Authority and stated the following:

"concerns about the way in which performances were being delivered by those performers were flagged by staff to management and dip sampling of CCTV footage of performances was undertaken. The dip sampling revealed, inter alia, breaches of my client's Performer and Customer Codes of Conduct. This triggered my client's internal disciplinary procedures and the Performers involved were suspended".

Given the above, the Licensing Authority acting as a Responsible Authority is requesting the revocation of this licence because the licence holder is unsuitable to hold the licence by reason of the breaches witnessed, with regard to paragraphs 17(1) and 12(3)(a) in Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982.

It is also worth noting that a similar breaches of the SEV licence were found at the premises in 2017, which resulted to objection to the renewal of the licence. Details of the hearing for this renewal can be found in the link below. On this occasion the Licensing Committee granted the renewal with additional conditions.

<http://democracy.towerhamlets.gov.uk/ie/ListDocuments.aspx?CId=324&MId=8231&Ver=4>

This letter is being copied to the company as the licence holder and also to the director of the company (also copied to their solicitor).

Yours sincerely,

Mohshin Ali

When we arrived at the establishment we were not touted into the premises. The front entrance was covered by a single male sat at a table by the door. The entrance fee was £3. He verbally told us the rules but there was nothing visible of the rules on show. He did have some form of identification around his neck but unsure as to whether it was an SIA licence or not.

Once inside the venue it was noted that there were 2 further security staff again with id cards around their necks but unsure if they were SIA. We walked upto the bar and ordered ourselves some drinks before going to sit down at the seats directly by the stage where the pole dancers performed. CCTV was visible in multiple areas around the venue including the Private and VIP areas. There were 2 members of staff working the bar area with what looked like the manager at the end of the bar taking payments for the dances. All staff were appropriately dressed in smart casual wear and also fully covered.

As you walked into the venue, the stage was to the back of the venue, where there was seating directly in front. The bar ran along the right hand side where there also was the private dance booths, 4 in total. At the other end of the bar there was the toilets in the far right hand corner and on the left hand side of the venue was where the VIP dance booths were, 3 in total.

Inside, there were 10+ dancers that we could see who all walked around with either a jar or their purses open asking us for money before they went on stage. We were also asked if we could buy them a drink which we obliged. I got talking to an English girl called Mia where I bought her a drink and then we went for a private dance which cost £20 for 5 minutes. Myself and my colleague were both in the same booth whilst this was happening. The dancer did rub herself against me but no touching was allowed. The security guard did come in from time to time to check but spent most of the time at the entrance, CCTV was visible in the booth areas. After that had finished we paid £240 for a ½ an hour VIP dance and also a drink. It was separate booths this time where CCTV was visible directly to the front. The dancer made quite a bit of contact with me whilst naked, thrusting herself against my groin whilst rubbing her breasts against my face and also kissing my neck. She told me that I was allowed to touch her but not the virgina area, I politely declined the offer. During the dance we talked about her having a daughter and the other job she did in the day working in a shop. She said she enjoyed the dance work though because it pays really good money.

At no time whilst in there did we see or hear any mention of any drug use.

There were no performers inside the gents toilets and there was no sexual physical contact between the performers.

The Nags Head E1 1DU

Entry approximately: 22:45.

Arriving at the Nags head venue we were not tought into the premises, the front entrance had a male sat by the door, entrance was £3, he verbally communicated the rules to us for when entering the venue. He had a badge attached around his neck, unable to see if it was SIA licence.

On entering inside the venue there was a further 2 security staff. Both of which also had the badges around their neck. We ordered our drinks at the bar and went and sat down directly infront of the stage where the pole was for the dancers. Cctv could be seen in multiple places over the stage, above the TV's, above the bar, also in the private and VIP dance areas. There appeared to be 2 people working at the bar, with a possible manager that was taking card payments for the dances. The staff were all appropriately dressed, smart casual and fully covered.

The layout as you walk into the venue, you have the stage at the very back, where one female would dance on the pole. To the middle infront was all the seating area. The bar ran along the right hand side, before the bar to the right hand side was the private booths dance area that contained atleast 4 private boothes. The far end of the bar was the toilets in the right hand corner. And the left hand side went into the VIP dance area, which again had atleast 3 open boothes. .

There was approximately 10+ dancers, they would walk around collecting money from individuals before they got up on to the stage, taking it in turns, on the occasion buying one a drink. I got talking to a Romanian dancer "Patricia", we decided to go for a private dance, which we paid £20, we ended up having a double performance with my colleague in the same room with his dancer. The dancer did make contact with me on my lap. The security did check on us through the beaded curtains but was outside of it most of the time. We then went for a VIP dance which was £240 and included a drink for us both. In the VIP no security was seen until the very end of the dance, but there was cctv directly infront of us, as it was quite an open booth area. The dancers would look out for each other's bag, as the dancer explained to me that someone had once ran off with one of their bags. The dancer made a fair amount of contact with me, she pressed her breasts into my face, brushing against my neck and ear. She spent a lot of time on my lap with her underwear to the side and touching her vagina, she would also grind against my groin area. She did explain to me that I was aloud to touch her a little bit if I wanted, I declined politely. We spoke a bit about my tattoos and she told me how she wanted to get bum implants.

There was no mention at all about drug use within the premises, and no offers of further sexual service. On visiting the gents toilets there were no performers inside. There was no sexual physical contact between the dancers.

This statement (consisting of:**3**..... pages each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything in it which I know to be false, or do not believe to be true.

I am the above named person and this statement is a continuation of the statement that I provided on Tuesday 3rd January 2023 with regards to viewing the CCTV for the Vanity bar, 4 Carlisle Street, W1D 3BJ.

Whilst viewing the CCTV for the initial drink spike crime report allegation, I noticed various unconnected incidents that took place within the venue that are contrary to the premises licence and Sexual Entertainment Venue (SEV) licence conditions.

PC Guerra has made reference to many of these conditions in his statement that he wrote on the 2nd January 2023 and my statement includes further incidents of breaches that I witnessed whilst watching the CCTV. Most of the breaches are connected with conditions 17 and 22 of the SEV licence (i.e. no physical contact between the performers and customers whilst relevant entertainment is being provided).

Whilst watching the CCTV, it has become clear that many of the female performers are allowing physical contact between themselves and the customers and there seems to be frequent contact of a sexual nature between both the customers and the performers. These range from kissing, to the touching of the performer's breasts, buttocks and vaginas. Some of the incidents that I have witnessed have already been documented in PC Guerra's statement, so I won't duplicate those. However, the additional incidents that I have noticed in addition to those PC Guerra has supplied for

the 24th November 2023 are as follows:

At **01:29:55 on Camera 3**, an IC1 male in a dark coloured jacket is seen talking to an IC1 female with shoulder length blonde hair. The female is talking to the male and is seen hugging him and talking in his ear. The male can be seen to take out some notes from his trouser pocket and starts to hand over some money to the female. She is seen to grab some money from his hand and starts to count it. The male seems to ask for some of the money back and she hands one of the notes back. The female then walks away followed by the male and they proceed to go upstairs where she provides him with a private dance. This incident is of note as during the interim committee hearing, it was stated that no money is taken from customers by the performers and that all transactions go through the DPS or other members of the management staff. This does not seem to be the case on this occasion. I have taken a screen shot of this incident and I exhibit it as DJM/1.

At **01:10:04 on Camera 14**, a female performer is giving a male customer a private dance in one of the booths. During the dance, the female is facing away from the male and the male can clearly be seen to be touching the performer’s buttocks afterwhich the female does not to stop him. I have taken a screen shot of this and exhibit it as DJM/2. A few seconds later, the female is facing straddling the male and the he is seen to touch her genitals. Again, the female make no attempts to stop him or does she call for a member of staff or security. This screen shot is exhibited as DJM/3. The dance continues and the male continues to touch the female’s breasts and buttocks numerous times.

At **02:13:52 on camera14**, a different female is performing a dance for a male customer and the male can be seen touching the females buttocks. I exhibit this screenshot as DJM/4. During this dance, the female removes her underwear and the male continues to touch her thighs and slaps her buttocks. This can be seen at 02:16:43 and 02:18:03, screenshots of which I exhibit as DJM/5 and DJM/6. Throughout, the dance, members of staff can be seen walking up and down the corridor, but

at no time does anyone intervene nor does the female performer ask the male to stop.

At **02:39:21 on camera 14**, again, another female performer is dancing for another male customer.

As the female is sat on the male facing away from him, he can be seen touching her buttocks and slapping them. I exhibit this screenshot as DJM/7. Again, at no point does the female resist, nor do any members of the management intervene. A minute or so later, the female turns to face the male and his right hand can be seen moving towards her genitals and it appears that his hand makes contact with her vagina as she sits on his lap. This screen shot is exhibited as DJM/8. The female continues to dance and the male continues to touch her and at one point kisses one of her buttocks.

At **02:43:46**, the female can be seen facing away from the male, and he is seen to place his finger directly between her legs touching her vagina. At this point, the female does turn around and moves his hand away, but the dance continues without the female calling for assistance from staff or security.

Throughout my viewing of the CCTV footage, it was clear that the DPS and members of management staff were constantly walking past the booths and were within sight of the performers and customers. However, at no point have I seen them intervene or ask the performers or customers not to make contact with each other. As such, I believe that the SEV conditions have been breached on numerous occasions and it is from this, that I believe that the venue is being managed in an irresponsible manner.

I am the above-named person, currently employed in the Westminster Police Licensing Unit.

This is a further statement in addition to my previously statement dated 14th December 2022.

I submit the below information in relation to an application by the Westminster Police Licensing Unit, on behalf of the Commissioner of the Metropolitan Police, to review the premises licence for Vanity Bar And Nightclub Basement To First Floor 4 Carlisle Street London W1D 3BJ, 20/03227/LIPT. The premises is also licensed as a Sexual Entertainment Venue (SEV) ref 21/13871/LISEVR.

As previously detailed, PC Muldoon and myself attended the premises on the 9th December 2022 to make enquiries regarding crime reference 6573153/22, PC Muldoon requested CCTV to be downloaded at the time of the visit and was told by Lorraine Forman that it would be ready for Monday. There was a series of email exchanges between the premises and PC Muldoon in relation to the CCTV. The premises stated that the request CCTV was disproportionate and unnecessary. The interim step hearing was held on 15th December 2022, during which the Police highlighted the obstruction and delay by the premises in providing the CCTV.

Continuation of Statement of **PC Reaz Guerra 1614CW**

Following the interim steps hearing there were further emails exchanged with the premises, which in my view were an intentional to further delay providing the Police with CCTV.

It also became apparent that the date of the offence for Crime Reference 6573153/22 had been misread, initially thought that it had taken place on 24/25th Nov 2022, the offence actually took place on 23/24th November. when this was noticed PC Muldoon informed the premises, such that the CCTV for the correct time period could be provided, which was followed by a further exchange of obstructive emails from the premises.

At 10:50hrs on 21/12/22 I emailed the Solicitor acting for the premises (Luke Elford) with a letter detailing the necessity and requirement of the premises to provide the CCTV. (Exhibit RGG/003).

The premises solicitor the confirmed that the CCTV was now ready and could be collected. Given the delays already experience in obtaining the CCTV I arranged to collect the CCTV from their solicitor that afternoon, despite being on annual leave I attended an address in Whitechapel to collect the CCTV from the solicitor. I was on annual leave and had no option but to travel into London with my 5 year old daughter to collect the CCTV, as it would have been difficult, for both myself and other members of our team to make arrangements to collect it in the forthcoming days on the approach to Christmas.

I attended the address/location provided at approximately 1520 hours calling Luke Elford to inform him that I was outside, a few moments later he came outside and he handed my two white envelopes, with handwriting on the outside. I said "HELLO, SO WHAT IS IN THE ENVELOPES?"

Mr Elford replied "IT SAYS WHATS THERE ON THE ENVELOPES" his tone was somewhat dismissive, I read out the handwriting on the envelopes to confirm. I did not open the envelopes as I did not want to risk losing the contents. Mr Elford then said "REAZ I NEED YOU GIVE ME THE DETAILS OF THE SUPERINTENDENT AND THE OFFENCE DETAILS BY THE END OF THE DAY OTHERWISE I WILL MAKE A FORMAL COMPLAINT." his tone was aggressive and confrontational.

Conscious of the fact that I had my daughter with me I said "LUKE, I CANT REMEMBER THE SUPERINTENDENTS NAME, BUT CAN EMAIL IT TO YOU LATER, THE OTHER DETAILS WE ARE STILL WATING FOR BUT AS SOON AS WE GET THEM WE WILL PASS THEM ON."

I then said "LUKE, I GOT MY DAUGHTRER WITH ME, AS ITS MY DAY OFF, PLEASE I WOULD RATHER NOT DISCUSS THIS RIGHT NOW AND I DON'T FEEL ITS APPROPRIATE FOR ME TO DISCUSS THIS NOW, BUT I'M HAPPY TO SPEAK TO YOU LATER ON THE PHONE OR BY EMAIL"

He replied "THAT'S NOT MY PROBLEM, I DIDN'T ASK YOU TO BRING HER."

I said "NO YOUR ABSOLUTELY RIGHT YOU DIDN'T BUT I HAD NO CHOICE, I WILL EMAIL YOU THE SUPERINTENDENT'S NAME LATER."

I thanked him for the CCTV and said goodbye, he returned inside the building a I left. I would describe the encounter as unnecessarily uncomfortable and unpleasant. Luke Elford then emailed me later that afternoon stating that I had refused to discuss the matter with him, this was not the case, I simply stated that it was inappropriate to discuss it in front of my daughter.

The CCTV provided contained footage from 21st-22nd November 2022 and 23rd-24th November, with footage from 19 different cameras. At the interim steps hearing the premise stated that there were 22 cameras. The following is a summary of the location/field of view of the cameras provided, this is from my knowledge of the areas I have seen within the venue and using the premises plans.

Notably cameras 1,2 and 8 were not included in the footage provided. I recalled from my visit on the 9th Dec 22 that Lorraine Forman insisted on showing us footage from the basement of her having to open the basement fire escape door which leads to a fire escape staircase to ground/street level, Lorraine Forman stated that she had to open the fire escape door and stand outside in order to use the PDQ card machine process payments. None of the cameras provided covered this area. It is unknown what cameras 1 and 2 would show. PC Muldoon contacted the venue to clarify this but to date no response was received. The CCTV Time stamp on the recorded footage is three (3) Minutes fast.

From the CCTV that I have viewed from 21st/22nd and 23rd/24th November 2022 I have produced a transcript, exhibits RGG/001 and RGG/002 refer.

Both the Premises licence and SEV Licence have conditions relating to CCTV :-

Premises licence – Conditions 29 & 30

29. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times

when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31 day period.

30. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested

Sev Licence conditions 10 & 11

The premises will install and maintain a comprehensive CCTV system as per the minimum requirements of a Metropolitan Police Crime Prevention Officer that ensures all areas of the licensed premises are monitored including all entry and exit points will be covered enabling frontal identification of every person entering any light condition. All cameras shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31 day period together with facilities for viewing.

A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open to the public and this staff member should be able to show Police recent data and footage with the absolute minimum of delay of the request.

On the ground floor, the camera outside the main entrance (Camera 22) does not adequately capture a facial image of all persons entering or exiting. an example of this is evidenced in the

Signature:

Continuation of Statement of **PC Reaz Guerra 1614CW**

CCTV on Camera 22, on 24/11/22 at 03:07:41, two people leave the premises and the footage is of insufficient quality to identify them. (screenshot produced as exhibit **RGG/004**)

The only other camera that covers the internal entrance in the main area of the ground floor is Camera 3 and again this does not provide sufficient quality footage, particularly of people leaving in all light conditions. There are no cameras in the lobby area between the main street entrance and the entrance to the ground floor.

SEV - Condition 21

21. Where relevant entertainment is provided in booths, or other areas of the premises where private performances are provided, the booth or area shall not have a door or other similar closure, the area shall be constantly monitored by CCTV, and access to the booth or other area shall be adequately supervised.

On the 1st floor, the relevant entertainment takes place in a large room, there are approximately eight (8) armchairs located around the periphery of the room, where customers sit, there are three (3) movable concertina screens (approximately 1.8m high) which are positioned ad hoc to provide privacy.

The two cameras located on the ceiling at either end of this large room do not provide sufficient coverage, particularly as the seats located on the periphery of the room are often obscured by screens, also the seats at the far end of the room are out of view of the camera position at the far end of the room and in low light condition are not adequately covered by the only other camera.

In the Basement booth area, there are 6 booths three on each side with a walkway down the middle. As you enter this room, there is a seat/area just to the immediate left as you enter, where the PDQ machine is situated and staff often stand/sit. Within the booth area there are only four cameras to cover all six booths (cameras 14, 15, 16, 17). The booths have bead screens in-between them and this obscure the CCTV coverage, particularly of the middle booths. The

Signature:

Continuation of Statement of **PC Reaz Guerra 1614CW**

positioning of the seating within the booth allows customers to be seated out of view of the CCTV cameras, the dancers are also aware that the seats are out of camera view, this is evident on Camera 15 (21/11/22 23:06:15), when a male enters the booth and sits in the chair that is within the view of the camera, the dancer speaks to him, turns and points at the camera and the male gets up and sits in the seat out of the view of the camera – Screenshot Nov21 Cam15 230645 - Exhibit RGG/005).

I also produce screen shots of Camera 14, 16 and 17, showing the inadequate coverage of all the booths, in each of the screen shots all the booths are occupied by at least one customer and one dancer.

Exhibit RGG/006 – Nov 21 Cam 14 225919 – male out of view at bottom of screen, dancer/male in middle booth obscured by beaded screen

Exhibit RGG/005 - Nov 21 Cam 15 230645 - dancer/male in middle booth obscured by beaded screen

Exhibit RGG/007 - Nov 21 Cam 16 232708 - dancer/male in middle booth obscured by beaded screen

Exhibit RGG/008 - Nov 21 Cam 17 234542 - dancer/male in middle booth obscured by beaded screen.

The inadequate coverage breaches both the conditions on the SEV and premises licence, as the minimum expectation would be that all areas where relevant entertainment takes place should be adequately covered by CCTV as per the conditions on both licences.

Premises licence condition 24

24. The sale of alcohol shall be ancillary to the use of the premises for either i) music and dancing and substantial refreshment or ii) Relevant Entertainment and substantial refreshment.

Signature:

Signature witnessed by:

.....

Continuation of Statement of **PC Reaz Guerra 1614CW**

The CCTV does not show and evidence of any substantial refreshment being provided, the only form of food being consumed are the lemon/limes being provided with what is assumed to be shots of tequila., whilst it is evident that regulated entertainment is being provided (recorded music), the premises was essentially operating as a Sexual Entertainment Venue on both 21/22nd and 23/24th November 2022, and therefore should be fully compliant their SEV Licence.

Numerous conditions have been breached on both dates and is evident on the CCTV.

SEV Conditions breached:-

16. Relevant entertainment shall be given only by Performers and the audience shall not be permitted to participate in the relevant entertainment.

17. There shall be no physical contact between Performers whilst performing.

20. Customers must remain fully clothed at all times. The Performer must not remove any of the customer's clothing at any time.

21. Where relevant entertainment is provided in booths, or other areas of the premises where private performances are provided, the booth or area shall not have a door or other similar closure, the area shall be constantly monitored by CCTV, and access to the booth or other area shall be adequately supervised.

22. Whenever Relevant Entertainment is being provided there shall be no physical contact between Performers and customers or between customers and Performers except for the exchanging of money or tokens at the beginning or conclusion of the performance and only for the purpose of that performance. Clearly legible notices to this effect shall clearly be displayed in each private booth and in any performance area.

23. Performers must redress fully immediately after each performance.

It is clearly evident from CCTV that there are many instances where customers and performers are permitted to touch each other, with physical contact frequently being made often of a sexual nature, whereby customers are permitted to touch the breasts, bottom and vaginas of the dancers; and dancers touch and rub the customers crotches. These incidents are not limited to a

single performer or customer but occur between numerous dancers and different customers. It appears to be commonplace and regular behaviour, the SIA security or management when positioned on each floor ignore and are not seen to actively challenge or prevent the touching/between performers and customers. Breaching conditions 16, 17, 21, 22 and 23.

These many incidents of touching have been detailed with the CCTV transcripts, Exhibits RGG/01 & RGG/02.

35. There shall be at least one SIA registered door supervisor on duty on every floor where Relevant Entertainment is provided for the entire time the Relevant Entertainment is provided.

On 24th November 2022, cameras 13 and 17 between 0300hours to 0440 hours the basement booths are supervised solely by a male member of staff, he is not wearing or displaying an SIA badge, it is believed that he is not an accredited SIA security person.

Another noteworthy incident is captured on camera 6 (ground floor bar) and camera 15 (basement booths) a male customer having entered the booth with a dancer at approximately 23:06 hours. Then at approximately 23:30 hours on camera 15, male is seated out of view a member of staff attempting to make a payment using his phone, Male makes payment on card machine, then staff screws up both copies of the printed receipt, staff the takes the customers mobile phone which is unlocked (bank card image visible on phone screen) up to the bar on the ground floor to complete the transaction (See Camera 6 - 23:31:55) Staff returns to booth, transaction appears declined, staff leave momentarily and returns with another PDQ machine, unclear if transaction made as out of camera view. It is questionable as to why the customer allowed the member of staff to use his phone for a payment with the customer not being present.

The premises is failing to uphold and fully promote the licensing objectives, their obstructive approach in providing CCTV, which clearly evidences many breaches of both their Premises Licence and SEV Licence and shows the premises is being managed and operated in an irresponsible manner.

Exhibit RGG/003 - Email chain between Solicitor (Luke Elford) and PC Guerra

Reaz,

To confirm:

I have just handed to you two envelopes containing 4 x USB sticks containing the CCTV requested for 21/22 November and 23/24 November.

You could not remember the name of the acting superintendent who signed the certificate authorising the summary review, but you are going to send this to me by the end of the day.

You have stated that you do not have any of the details I have requested for the 21/22 November allegation but that as soon as these are obtained they will be provided. It is my suggestion that they **must be obtained as a matter of urgency** and provided to us immediately. If the details are either not provided to us or provided at a late stage (when the police, as a whole, have been aware of the allegation since the date the CRIS was created – 10:46am on 24/11/22) then we reserve the right to raise that matter subsequently. As I have said, those are enquiries that could and should have been made before the triggering of the review with the police placing great reliance on these allegations. It is reasonable to expect the police to have conducted basic evidence gathering.

You refused to discuss the case any further as you had your daughter with you. You explained that you were on your day off. I said that neither of those matters was my or my client's fault.

By the end of today please confirm:

- **Name of acting superintendent who signed summary review certificate and contact details**
- **When we can expect a description of the complainant and supporting details for 21/22 November**
- **When we can expect the totality of the police evidence**

I would remind you that this review was triggered on 13 December 2022 with the trigger incident being cited as taking place on 25/26 November 2022 (as referenced in **both** the application for summary review and the certificate). It was only after the interim steps hearing on 15 December, and indeed, not until nearly 8pm that day, that the police disclosed that they had in fact got the date completely wrong inadvertently misleading and misdirecting the applicant and the licensing sub-committee and wasting a great deal of everyone's time and effort. I further remind you that at the time the review was triggered the police (you) were in already possession of the CRIS report (6573153/22) which **clearly** explains that the date of the allegation was 24 November. Did neither you, PC Muldoon, or Acting Superintendent (name tbc) read that CRIS report prior to submitting the review/signing the certificate?

Thanks.

Kind Regards

Luke Elford

Subject: Vanity License Ltd - Vanity Bar, 4 Carlisle Street - Police CCTV Request

Dear PCs Muldoon and Guerra,

I write further to previous correspondence regarding the above.

You have requested CCTV footage from all cameras at Vanity Bar, 4 Carlisle Street, London W1D 4BJ for the following dates:

1. 21/22 November 2022; and
2. 23/24 November 2022 (incorrectly requested and particularised in review documents and certificate as 25/26 November 2022) – Please may I have the name and contact details for the acting superintendent who signed the review certificate. We may need to contact them in due course.

We remain of the view that your request is neither necessary nor proportionate for the prevention or investigation of the allegations as set out in CRIS references 6573153/22 (23/24 November) and 6572076/22 (21/22 November) and that the request, if complied with, places our client in breach of its obligations as a data controller.

We note that you are yet to provide us with any sort of description of the complainant **in relation to 21/22 November including transaction amounts, card details, and transaction times** despite our requesting these from you several times. All of these details could and should have been secured prior to the submission of the review and it is noted that all of the CRIS reports were in your possession prior to the interim steps hearing on 15 December 2022. **Please provide these today.**

It is further noted that the CRIS report for the trigger incident which you particularised as taking place on 25/26 November 2022 was printed and accessible to you prior to the review application being served and **clearly contains** the correct offence dates.

In spite of this, and in order to comply with condition 30 of the venue's premises licence, the footage has now been downloaded and will be made available for collection.

Before we arrange exchange of the footage, **please may I request, again, that you properly complete the venue's CCTV request form.** So far you have been unable or unwilling to complete it to a satisfactory standard.

I have taken the step of converting the document into Word format for you so that you can type directly into the document. It is reasonable to ask you to complete the form properly.

In terms of collection of the footage, I am working from home today. I will at my offices in Kings Cross both tomorrow and Friday, but I have meetings during the following periods:

- Thursday 22/12 – 9am to 11am and 3pm to 4pm
- Friday 23/12 – 9am to 10:30am and 3:30pm – 5pm

You are welcome to come and collect the footage today, or we can fix a time tomorrow or Friday.

Turning now to the unsigned, undated, letter that you sent to me by email (timed 10:50) the content of which is noted/refuted. I wish to highlight the following paragraph for you:

The police require footage from all cameras at all times on the days in question in order to undertake a comprehensive and effective in enquiry into the allegations made. It is not possible for the police to limit its enquiries to specific cameras and/or specific times within those days. The police's investigations will concern what may *and may not* have taken place on those days. What is precisely relevant will only crystallise as investigations are undertaken (both of the footage and of other evidential sources) and the results of those investigation are analysed.

It is **absolutely possible** and in fact, very simple, for the Police to limit their enquiries to specific cameras and/or specific times.

For example, in relation to the 24 November allegation (CRIS 6573153/22) the male enters the venue at 01:34 rendering any footage from any camera prior to 01:34 irrelevant to that investigation. It might be reasonable, for example, to request

footage from 01:20 to show a short passage of time leading up to the male's entry to the premises, but instead you have asked for footage from 21:00 hours on 23 November onwards.

In a similar vein, you have requested footage from all cameras at the venue. This would include cameras in back of house areas such as the office and female changing rooms. Being that we can show the complainant's entire evening in the venue from entry to exit, save perhaps any trips to the bathroom, how can it be necessary and proportionate for you to have access to hours and hours of footage, including sensitive personal data, for areas that have no relevance whatsoever to your investigation.

In summary:

- **Please properly complete the venue cctv release form and return to me (email is fine)**
- **Please let me know how/when you would like to collect the CCTV footage**

I would remind you that the CCTV footage is being provided to you for the express purpose of investigating the allegations within CRIS numbers 65731153/22 and 6572076/22 and for no other purpose. The footage is to be kept securely by the Metropolitan Police and is not to be further shared with any person without the express consent of the data controller.

Best wishes.

Kind Regards
Luke Elford

Statement of: Mohshin ALI

Age if under 18 (if over insert "over 18"): Over 18

Occupation: Senior Licensing Officer

This statement (consisting of Pages(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.

Name / Signature:

Date: 24th August 2023

Statement

1. I am Mohshin ALI and I am employed by the London Borough of Tower Hamlets as a Senior Licensing Officer in the Licensing Section of Environmental Health & Trading Standards. I have been a Licensing Officer since July 2004 and I am duly authorised under the Licensing Act 2003. I am also aware of the systems used for issuing and storing records in relation to the above Act and I am authorised to access records in order to look at the history of premises.
2. I make this statement as an addition to my previous statement of 15th May 2023.
3. Vanity Bar and Nightclub, 4 Carlisle Street, London W1D 4BJ had its SEV renewal application refused by Westminster City Council on Thursday 25 May 2023. The evidence supporting the revocation highlights similar breaches namely touching between performer and customer during a performance which took place at Nags Head with the link being Mr Clair. I produce **Exhibit MA/03** which is the formal decision of Westminster City Council's Licensing Sub-Committee.
4. Mr. Manpal Singh Clair as per his statement submitted in response to the revocation request mentions other premises in relation to which he has been involved in their running. However, the existence of that club (Vanity Bar and Nightclub), and the pending proceedings, were omitted from Mr Clare's statement.

Witness Statement

Criminal Justice Act 1967, s.9; Magistrates Court Act 1980, ss.5A and 5B; Criminal Procedure Rules 2015, r 16.2

5. The Licensing Committee for the revocation request was originally due to be heard on 16th May 2023. The Licensing Authority received evidence late in the day and we did our best to disclose it as soon as we were able to. Although we did not resist the request for an adjournment, we remain of the view that it is highly relevant that Mr Clair has very recently lost a SEV licence elsewhere in London on the basis of his fitness to hold a licence; and in particular, the case there disclosed breaches of the licence conditions very similar to those admitted in this case.

6. I produce **Exhibit MA/04** which is the formal decision of Tower Hamlets' Licensing Committee hearing of 17th October 2017 where additional conditions were imposed.

Representations Received

- Metropolitan Police Service (PC Reaz Guerra)
- Five Interested Parties.

Issues raised by Objectors

- It is believed that there have been numerous breaches of the conditions on both SEV Licence and Premises Licence.
- The nature and severity of the alleged breaches raises serious concerns with the Police regarding the licence holder's ability to operate the premises in line with the conditions attached to the SEV Licence.
- The conduct of staff and customers, the disruption and noise plus the safety concerns have steadily got worse over the years and is now intolerable.
- The noise continues every night until 4 a.m. as pedicabs and the last customers who hang around and staff leave.
- The amount of violent or abusive incidents that occur on a regular basis is worrying.
- I am aware of a steady deterioration of the quality of life in Carlisle Street.
- The noise generated immediately in front of the building which the residents have itemised and reported in Licensing hearings since 1989 has never abated.

SUBMISSIONS AND REASONS

Ms Emanuela Meloyan, Senior Licensing Officer, outlined the application to the Committee. She advised that representations had been received from the Metropolitan Police Service and five Interested Parties. She advised that the Premises are located within the West End Ward and the Westminster core CAZ North. She confirmed that the additional submissions from the Applicant, the Metropolitan Police Service and the Interested Parties had been circulated to the Committee.

Mr Gary Grant, Counsel on behalf of the Applicant outlined the application for the annual renewal of the Sex Establishment Licence for Vanity before the Committee. He stated that Vanity was now compliant with all 14 reopening conditions imposed on its Premises Licence at the Summary Review and that the Responsibility Authorities had met with the new Designated Premises Supervisor (DPS) who would also be the General Manager of Vanity. Mr Grant confirmed that the Applicant had decided not to reopen Vanity until all the new processes, policies and management team were in place with a verifiable compliance regime overseeing the operation.

Mr Grant outlined that sexual entertainment was not to everyone's liking however in a liberal democracy this was not enough to refuse the renewal of this SEV licence. He advised the Committee of the history of the Premises and stated that the Applicant had taken over the Premises in 2014, reopened it after refurbishment in 2015 and that the SEV licence had been successfully renewed without objection in 2016, 2017 2018 and most recently in 2021 and 2022. He emphasised that this was an established business and that although the type of business was not too everyone's taste that in itself was not enough to prohibit it. He added that over

20,000 people visited Vanity annually and it offered a legitimate and lawful source of entertainment for many people (male and female) of all ages and sexual orientation. He advised that although breaches of the SEV licence had taken place there had been no outright prostitution or sexual intercourse or forced labour occurring within the Premises and therefore the breaches were not at the top end of seriousness of breaches. He emphasised that the Applicant had been horrified to learn of the breaches at Vanity and had worked with purpose to resolve matters.

Mr Grant referred to the suitability of the locality for the Premises and stated that Soho had been (and still is to some extent) famously known for its adult entertainment since the 1930s and that this Premises had been operating as a sexual entertainment venue for the past 40 years. He explained that the renewal of the SEV licence had been mainly unopposed however on the occasions the annual renewal of the SEV licence had been opposed there had been residential objections made regarding Public Nuisance. He advised that all the locality submissions made by residents that this was not an appropriate place for this venue had been previously raised on each and every contested renewal application since 2014, and each time the Committee had considered these representations in detail and had decided that the locality point was not a good reason to refuse the renewal of this SEV licence. He added that nothing had now changed to rule that a lap dancing venue was inappropriate in Soho. He outlined that there were two other SEV licences operating within a three minute walk from Vanity and that Vanity was located right in the middle of the West End CAZ North area deemed a suitable location for such venues as stated in the Council's Sexual Entertainment Venues Statement of Licensing Policy.

Mr Grant advised that the Council had already determined through its own SEV Policy that the West End CAZ North was the appropriate place for up to 25 SEV licences. He added that there was nowhere near that number of SEV licences currently operating in this locality. He stated that the Environmental Health Service and the Licensing Authority had not objected to the renewal of the SEV licence as one would expect if it was an inappropriate location, so on policy grounds the Council's own experts in particular the Licensing Authority did not object to the locality of Vanity. He advised that the Public Nuisance issues raised by the objectors were similar to the ones raised during the Summary Review in January 2023 and that the 14 additional conditions attached to the Premises Licence at that hearing had dealt with the Public Nuisance issues. He referred the Committee to page 143 of the Agenda Pack where Mr Watson, Environmental Health Service (EHS) advised that the noise limiter had been signed off by the EHS and he confirmed that they had not objected to the renewal of the SEV licence as there had not been any substantial complaints against the Premises since 11 November 2021, when there had been fighting on the street which did not involve customers from Vanity. He stated that Public Nuisance was not an objective in the renewal of a sex establishment licence.

Mr Grant explained that the Premises use to operate as a full on nightclub and that the Premises Licence permitted the venue to open until 03:30 hours Monday to Saturday and its conditions specifically envisages the venue operating as a 'discotheque'. He advised that the Applicant wished to continue operating this venue as a sex establishment venue, however if he was not permitted to do so he would be forced to revert to operating it as a nightclub. He added that the Applicant had already had several inquiries from nightclub operators offering to purchase the venue and that evidence from both the Council's Responsible Authorities and Mr

Andrew Bamber (Compliance Consultant to the Applicant Company) and Dr Philip Hadfield (Consultant) indicated that the impact on residents from SEV establishments were much less than on vertical drinking nightclubs or late night bars. He further added that the SEV licence restricted the capacity of the Premises to 89 patrons whereas the Premises licence alone would allow for a capacity of 175 patrons.

Mr Grant advised that the Applicant had accepted that the pedicabs were a real concern for residents and had demonstrated this by agreeing to the 14 additional conditions being added to the Premises Licence after the Summary Review hearing. He explained that the Applicant was very much in favour that these 14 additional conditions on the Premises Licence be added to the SEV licence to alleviate resident's concerns. Mr Grant highlighted that pedicabs were a problem for the whole of the West End and that although the Council had lobbied central Government on this issue there was still no legislative powers to deal with them. He stated that removing the SEV licence would not resolve the issue of pedicabs and that pedicabs would still operate in the immediate vicinity.

Mr Grant referred to Dr Philip Hadfield's (Consultant) findings contained in the Agenda Pack. He advised that Dr Hadfield had visited the area on a Friday and Saturday night in late January 2023 and the photograph contained at page 329 of the pack clearly indicated pedicabs going into Carlisle Street even when Vanity was closed. Mr Grant also referred the Committee to a photograph that showed a sign located outside of Vanity clearly informing patrons not to engage with pedicabs and warning them that they were a source of crime and disorder. He advised that there was now a SIA door supervisor employed solely to deter pedicabs from the area because it was not something that the Applicant wanted associated with the Premises.

Mr Grant referred to pages 212 to 227 of the Agenda Pack which contained the following updated policies and procedures: Codes of conduct for dancers and performers, Drug Policy, Noise Management, Welfare and Safeguarding and Pedicabs. He advised that there would also be a dispersal policy, SIA monitoring of the outside area in the future and vehicles would be encouraged to move away from the Premises. He advised that the suggestion of noise outbreak from the Premises was somewhat historical because the Applicant had undertaken a full refurbishment which included extensive noise dampening and the fitting of a noise limiter which has now been recalibrated and checked by EHS on 22 May 2023. He strongly emphasised that the Applicant would arrange regular engagement with residents and that a condition had been imposed on the Premises Licence to have quarterly residential meetings. He added that an invitation had been sent out a week ago for the first meeting and all those who had sent in representations for the Summary Review had been invited via emails/letter.

Mr Grant referred to Dr Hadfield report contained at pages 279 to 338 of the Agenda Pack. Mr Grant requested that the Committee pay particular attention to paragraph 40 of the report (the executive summary). He advised that Dr Hadfield was a leading reliable expert in gaining evidence regarding cumulative impact in licensing policy matters and he had been instructed to consider all the locality points raised by the residents. Dr Hadfield advised the Committee that he had found that although Carlisle Street was a cu de sac many people mitigated that way out of Soho to Oxford Street because of the one way traffic system and that it had been bustling with noisy activity in the early hours of the morning even whilst Vanity

was not operating. He advised that it was his belief that Soho was the correct location for SEV licences, and that the Council's Policy had worked in that it had prevented a proliferation of SEV licences throughout Westminster. Dr Hadfield advised that there were certain public safety advantages for Vanity to operate as this part of the street was particularly dark so having an open venue would ensure there were 'eyes on the street'. He added that at the moment there was no natural surveillance and people were walking through dark streets. Mr Grant then emphasised that the Premises were right in the heart of precisely the area where the Council's Policy sets out was appropriate for SEVs.

Mr Grant referred to the CCTV installed in Vanity in 2015. He advised that all the cameras were in the exact positions as they were at the time Westminster Licensing Police Officers had approved them. He outlined that the Applicant and the management of Vanity had assisted the Police with their CCTV request and in no way had obstructed the handover of the CCTV footage. He advised that for seven years the Premises had operated without incident or complaint and that footage was only requested because of the allegations made at the Summary Review. He confirmed that two of the CCTV cameras had not been working due to a water leakage in the first floor flat. He explained that it was absolutely right that there had been correspondence between Mr Elford, the instructing solicitor, requesting a more targeted and proportionate request for CCTV by the Police and that the Applicant had been unfairly treated because asking for 500+ hours of footage downloaded onto memory sticks was not an easy or quick job. He confirmed that all the CCTV footage was handed over voluntarily once the Applicant had received the proper paperwork and clearly demonstrated breaches to the conditions on the SEV licence. Mr Grant emphasised that the Applicant was not trying to hide the breaches he simply did not know the breaches were occurring in Vanity. Mr Grant advised that PC Muldoon had met with the new DPS and had confirmed that the CCTV was now fully compliant, and the training records were completed and are up to date.

Mr Grant set out the suitability of the Applicant to hold a SEV licence. He referred to the Decision Notice of the Summary Review which stated that Mr Clair was suitable to hold an alcohol and regulated entertainment Premises Licence and promote the licensing objectives including the Prevention of Crime and Disorder because if they had concluded otherwise the Premises Licence would have been revoked which was the Police's request. Mr Grant advised instead the Committee accepted the suggestion of the suspension for three months and imposed a number of conditions on the Premises Licence as well as the removal of the management of Vanity. Mr Grant emphasised that the Licensing Committee on the 9 January 2023 had deemed Mr Clair a perfectly fit and proper person to hold an alcohol and entertainment Premises Licence.

Mr Grant explained that Mr Clair was a 40 year old man who had not been convicted of an offence except for one driving incident. He was a man of good character with no convictions and no cautions against him. He was a reputable businessman, and his family has been involved in this industry since he was a boy. He strongly advised that merely because there have been breaches in Vanity did not mean he was an unsuitable person to manage the Premises. He advised that it was the conclusion at the Summary Review that the spiking of drinks was not occurring at Vanity but at a secondary place after the customers had left the Premises and that it was independent players acting alone. He advised that the Premises would now employ a Welfare Officer to be on duty at all times and that drunkenness was an issue for every licenced Premises within Soho.

Mr Grant advised that the Applicant had been outraged to see the breaches of the conditions of the SEV licence on the CCTV footage and had dismissed the Vanity management team immediately. He outlined that the Applicant manages several venues and due to personal reasons he took his 'eye off the ball' when his baby was born and had left the day to day management to his managers who were experienced and trusted, however, this trust had been misplaced. Mr Grant explained that the Applicant had previously employed a professional compliance team to monitor the activities in the venue but had stopped using the company due to the high cost of it and because the business was in debt because of being closed over covid. Mr Grant highlighted to the Committee that Mr Bamber's report stated that there was not one SEV licence where a dancer had not stepped over the line in order to make more money and these breaches were not unique to Vanity. He outlined that when a dancer did breach the house rules they were immediately dismissed. He emphasised that when there was a compliance regime in place there was no repeated breaches of conditions and that the Applicant had suggested that going forward Mr Bamber's team would make 15 covert visits in the first year to ensure compliance with the conditions of the SEV licence.

Mr Grant called Mr Andrew Bamber (Compliance Consultant to the Applicant Company) to address the Committee. Mr Bamber advised that he met the Applicant in 2017, when he had approached him to develop a compliance system for the Premises. He advised that he had carried out a standard risk assessment which had identified gaps and stress areas in the business and had then supported the Applicant in covert and overt visits. He stated that checks included inspecting signage, checking employment records and for breaches of the house rules.

Mr Grant set out the breaches that had occurred in the Applicant's Premises called the Nags Head located in Tower Hamlets. He advised that the Applicant had authorised an investigation as soon as he had been informed of the breaches that had been spotted on the CCTV and the dancers in question had been immediately dismissed. Mr Grant advised that the Applicant had then asked for dip sampling of CCTV footage of dancers over a month period from 20 August to 24 September 2022, which had shown no further breaches of the conditions of the SEV licence. He emphasised that this indicated that the Applicant proactively dealt with the breaches before the Authorities even notified him of any problems and this incident gave the Licensing Committee at Tower Hamlets the confidence that the Applicant could deal with incidences swiftly.

Mr Grant advised of the new DPS that the Applicant had employed and who had provided a witness statement at page 268 of the Agenda Pack. He outlined that the new DPS had previously operated an SEV licence for 14 years and was enormously experienced in operating a Premises Licence. Mr Grant confirmed that the Applicant is now aware of the problems of the past, and so there was every reason to believe that he would run a tight ship from now on. He confirmed that the Applicant had undertaken all the necessary training. He further advised that the Applicant had employed a new dance manager (house mother) who was previously a former performer at the venue. He outlined how she was married and relied on the income from the Premises. He strongly emphasised that the dancers did not feel that they were exploited and that they resented the patronising attitude that sometimes comes to bear on what they had chosen to do as adults for a living.

Mr Grant emphasised that systems, policies and procedures had now been put in place to ensure there would be no further breaches to the house rules. He outlined there would also be compliance visits to ensure standards were maintained. He emphasised again that the Applicant wished to duplicate the 14 new conditions proposed on the Premises Licence to the SEV licence and there would be quarterly meetings with the residents. He then outlined the additional conditions that the Applicant had agreed to be attached to the current SEV licence upon its renewal which were contained at pages 44 and 45 of the Additional Pack.

The Committee commented that it appeared there had been a widespread culture of disregard for the conditions on the SEV licence because the photographs of the CCTV footage indicated brazen breaches from multiple dancers not individuals in full view of security and management staff with no action being taken. The Committee also considered that the Applicant should have engaged with the residents during the five months that Vanity had been closed to work, in order to alleviate their concerns before the Premises are open to the public.

In response to questions from the Committee, Mr Grant advised that going forward the Applicant would definitely be more involved in all his businesses. He highlighted how CCTV could now be monitored from the Applicant's mobile phone and how the covert visits would ensure standards would be maintained. He advised of the challenges regarding the pedicabs but emphasised that the Applicant should not be punished for something that was out of his control. He emphasised that the breaches were not as serious as say as the venue operating as a brothel. He advised of the experience of the new DPS and General Manager and that the Premises had operated without complaint for seven years. He advised that the Applicant accepted responsibility for everything that has happened under his SEV licence, and he was now putting things right. He advised that the Applicant had made the mistake of trusting others when he had personal issues to deal with and he would not make the same mistake twice. Mr Elford outlined what qualities the Applicant had looked for in the new house mother and that a customer would be immediately asked to leave the Premises if he started touching a dancer. He outlined that there would be a new security team, policies and procedures so the venue would have a completely new culture.

Mr James Rankin, Counsel for the Metropolitan Police Service confirmed that the Police were against the renewal of the SEV licence even though they have had sighting of the CCTV. He outlined that the Police had taken on board that the Applicant had a whole new raft of policies, however, there had been numerous and continuous failings of the conditions of the SEV licence and this behaviour could not be allowed to continue with the Applicant simply coming back to the Licensing Committee with new policies/management and security. He stated that the Police accepted that in some respects their evidence on the 9 January 2023, at the Summary Review had been lacking however what was determined then did not predetermine the decision today.

Mr Rankin referred the Licensing Committee to the Decision Notice of the 9 January 2023, and advised that Mr Grant had cherry picked a line from the decision. He requested that the Committee refer to paragraph 29 of the Decision Notice where it was noted by the Committee that there had been breaches of the condition of the Premises Licence and SEV Licence and although this hearing was conducted under the Licensing Act 2003, the breaches of the SEV licence conditions was good evidence of poor management of the Premises. He advised that Mr Grant had not

gone on to paragraph 30 where it had been noted that the breaches of the SEV licence would be dealt with under different legislation and that the findings of this Sub Committee in relation to the Review of the Premises Licence was not to be binding on any other Licensing Sub Committee. It stated instead that this decision should not be used to sway the decision of any other Licensing Sub Committee dealing with the renewal of the SEV licence. He advised that the Committee deliberately avoided making any findings in relation to the breaches of the conditions on the SEV licence save to use them as evidence of poor management. He then referred to the third paragraph under paragraph 21 which stated that this decision was in no way intended to sway or influence any future decision. Mr Rankin advised the Committee that this was entirely the correct approach as the two licences needed to be dealt with under different legislation.

Mr Rankin advised why he had introduced the evidence in relation to the London Borough of Tower Hamlets and the Nags Head and that it had not been to booster the Police's case but because Mr Grant had advised that the Committee had been given the 'full picture' of Mr Clair at the Licensing Committee on the 9 January 2023, and this was not the case. Mr Rankin referred the Committee to page 274, paragraph 54 of the Agenda Pack and read it out to members. He stated that what the paragraph did not mention was that the Applicant had faced an awkward renewal of his SEV licence for the Nags Head in 2017 and that he just narrowly squeaked by and got his SEV licence. He added that the Police considered that the Committee should be aware of this and the incident(s) on the 18 August 2022.

Mr Rankin then referred the Committee to page 232 of the Agenda Pack and reminded Members that Mr Grant had stated that it had just been one dancer that had been touched however this was not what the Licensing Sub Committee at Tower Hamlets had concluded. He advised that they had found a serious breach of standard condition 12 and that there had been intentional sexual contact between the performances and covert Police Officers. He then outlined that the two Police Officers acting on behalf of the Licencing Authority carried out covert test purchases which confirmed that dancers were making repeated intentional sexual contact with customers. He advised that the Committee did however grant the renewal of the SEV licence as Mr Clair had committed to enforce the standard conditions and cooperate with licencing officers in the future and in particular not to obstruct the viewing of CCTV footage, including the viewing of CCTV in the course of random checks by the Licensing Officers. He emphasised that Mr Grant omitted to inform the Committee sitting on the 9 January 2023, of this and how Mr Clair now faces an application to revoke this SEV licence for precisely what happened on the 18 August 2022.

Mr Rankin set out that the Applicant had decided to do CCTV dip sampling to determine whether the performers had been breaching the no touching conditions in a fairly substantial way. He advised that this could just be good management or concern for the dancers, or it could be that the Police Officers that did the regulatory check on the 18 August 2022, had been clocked by the management of the Nags Heads. The Applicant then as a result of this contacted Mr Bamber so they were able to come before the Committee and say that they had discovered the breaches themselves before the regulatory or enforcement proceedings by the London Borough of Tower Hamlets. Mr Rankin emphasised that the Police believe the opposite and referred the Committee to the Police's statements contained at pages 158,159 and 161 of the Agenda Pack. He advised that he did not know how Mr Bamber could say these two Police Officers were drunk because the hearing to

consider the renewal application had been adjourned so this was untested evidence.

Mr Rankin advised that if the Applicant had discovered the breaches himself and it is to be believed that he was concerned about them (maybe he had already dismissed Mr Bamber by then) why had he not carried out dip sampling at Vanity because if he had, he would have discovered that in embedded in Vanity was a culture of breaches of touching that went way beyond just casual contact which the CCTV footage would clearly demonstrate to the Committee. Mr Rankin advised that after Mr Bamber was dismissed, within that six month period, standards slipped and when they viewed the evidence it would indicate that it was not just on one occasion it was actually embedded in every single one of the girls because every single girl that appeared on the CCTV was indulging in behaviour that went way beyond casual touching.

Mr Rankin emphasised that there was seven minutes of CCTV footage to show the Committee which needed to be played in closed session. The TEAMS Live EVENT was switched off and the Press and Public were asked to leave the gallery.

The seven minutes of CCTV footage was then played to the Licensing Committee and all parties present at the hearing. Mr Rankin highlighted to the Committee the breaches of the conditions that had taken place in Vanity whilst the CCTV footage was being played to all parties.

Mr Rankin advised that at some stage the cameras had been moved or their angles tilted so that all areas of the club were not covered by CCTV. Mr Rankin then outlined the conditions of the SEV licence that he believed had been breached:

- Condition 10 (CCTV had been removed or titled and did not cover the whole of the Premises)
- Condition 16 (relevant entertainment should be given only by performers and the audience should not be permitted to participate in the relevant entertainment)
- Condition 17 (there shall be no physical contact between performers performing)
- Condition 20 (customers must remain fully clothed)
- Condition 21 (booths shall be constantly monitored by CCTV)
- Condition 22 (there shall be no physical contact between the performer and customers except for the exchange of money or tokens)
- Condition 35 (there shall be at least one SIA on duty on every floor where relevant entertainment is provided for the entire time the relevant entertainment is provided)

Mr Rankin referred the Committee to PC Muldoon's statement on page 6, Mr Guerra's statement on page 63 and David Morgan's statement on page 170 of the Agenda Pack. He advised that the CCTV footage was obtained but not without difficulty and he added that he did not want Mr Grant to champion this as something that the Applicant should be rewarded for doing. He emphasised that it had been a struggle to get hold of the CCTV footage and that eventually the Applicant had no option but to give the Police the footage. He added that this was not the behaviour expected of a SEV Licence Holder.

Mr Rankin referred to the newly appointed DPS and General Manager of Vanity Mr Pantling. He advised that Mr Pantling had been graded for the Committee's consideration as a man with considerable experience, however, he had last operated a SEV licence 10 years ago in Hillingdon where he had a pub called the Old Norwood that did strip tease. Mr Rankin advised that Mr Pantling was 68 years old and that operating Vanity was a young man's game because the General Manager needed up to date experience of administering all the policies and procedures. Mr Rankin then referred to the possibility of the Premises turning into a night club if the renewal of the SEV was not made, however, the view of the Commissioner was 'do it and let us see what happens' and if the Applicant manages the Premises badly it would be subject to another Review Hearing.

Mr Rankin concluded by confirming that the Police had no faith in the Applicant even with the introduction of the new policies, procedures, management team and the offering of additional conditions on the SEV licence.

In response to questions from the Committee, Mr Rankin outlined why the Police had decided not to prosecute the Applicant but had instead made representations to revoke his SEV licence. He advised that the Police would have viewed the circumstances differently if the breaches had occurred by one rogue performer and not multiply performances. He emphasised that the Applicant had already been given the space to improve the operation of his Premises, however, it appeared that he was not genuinely committed to doing this and complying with the conditions of his licences. He confirmed that the Police were requesting the refusal of the renewal of the licence based on the breaches that had occurred within the Premises and not regarding it being an unsuitable locality for a sexual entertainment venue. PC Muldoon confirmed that there were residents living across and down the street from the Premises however the Council's Policy did deem it as a suitable place for such a venue.

Mr Rankin continued and advised that it was perfectly possible to operate a nightclub without complaint and that the Police would wait to see what the Applicant did with the Premises if his SEV licence was not renewed today. He outlined the difficulty the Police had in obtaining the CCTV footage and advised that the Police eventually collected it on the 21 December 2022, by hand which left them very little time to view and gather further evidence for the Summary Review hearing held early in January 2023. He further outlined that the Police had difficulty pinpointing exactly what they needed which was why they had requested over 500+ hours of CCTV footage from the venue. He commented that the new DPS needed to be strong and up to date with all the new policies and procedures as operating a SEV licence in Soho was particularly tricky. He referred to the Premises Plans on page 49 of the Agenda Pack and indicated the areas where the CCTV cameras were either not working/or had been tilted the other way or where screens had obstructed the view of the cameras.

Ms Daisy Gadd, Policy Officer, advised that she believed that she had seen a further breach during the showing of the CCTV footage in that sexual entertainment had been taken place after 03:00 hours. The parties then discussed this further breach and the legal advisor advised she would seek clarification.

Mr Richard Brown, Solicitor from Westminster's Citizens Advice representing the 4 objectors advised that it was arguable that if a Premises were granted a TENS that it would be entitled to the 11 exceptions if it already had a SEV licence. Mr Grant

advised that there had been no objections from the Police or the Environmental Health Service regarding the use of the TENS for Regulated Entertainment.

Mr Brown advised that Carlisle Street was a cul de sac which had very little traffic late at night and that since the closure of Vanity on the 22 December 2022, the street had been increasingly quieter. He advised that there were other Licensed Premises operating in the street, however it had become clear to residents the negative impact that Vanity had on the area during its closure over the last five months. He advised that the locality for the purpose of the SEV policy was Westminster CAZ north. He added that circumstances could change and even if they had not changed the Act gives the Committee the discretion on this application to make a different decision to the one set in the Council's policy as long as the decision could be justified. Mr Brown emphasised that the residents believed that the circumstances had changed for one important reason which was the source of nuisance that was specifically linked to these Premises. He advised that the findings from the Summary Review highlighted the nuisance caused by the pedicabs waiting outside the Premises for customers who had consumed too much alcohol and were unable to make informed decision which was the direct reason pedicabs were in Carlisle Street. Mr Brown referred to the photograph provided by Dr Hatfield on page 329 of the Agenda Pack and advised that the residents were aware that pedicabs would always pass through Carlisle Street, however, since Vanity had closed, they had stopped congregating in Carlisle Street. This had made a huge difference to the noise levels and Public Nuisance in the street, and this was the crucial point to residents.

Mr Brown advised that Dr Hatfield evidence was based on visiting the area twice compared to residents who have lived in the vicinity for over 30 years. He advised that the residents accepted that pedicabs would come into the street as they were part of the West End however it was not until Vanity closed could the residents prove that the pedicabs specifically congregated in Carlisle Street because of Vanity. He advised that the street had improved immensely since the closure of Vanity and until now residents were unable to demonstrate the pedicabs were attracted specifically to the street because of the SEV licence.

Mr Brown advised that in terms of the breaches to the SEV licence it was clear from the CCTV footage that repeated and frequent breaches had occurred by multiple performances and customers. He echoed what the Committee had implied that the behaviour was more of a cultural thing which was more difficult to change. He added that on the 24 November 2022, when Temporary Events Notices (TENS) were granted. There was an extension of alcohol until 05:00 hours however there was no mechanism under the Licensing Act 2003 to extend relevant entertainment so therefore every instance after 03:00 hours was a breach of the conditions of the TENS.

Mr Brown advised that the Licensing Committee on the 9 January 2023, found significant comfort in the fact that the Applicant had committed to employ an experienced DPS and it was for this Committee to decide whether the person that had been chosen was experienced enough to operate this sort of Premises. He advised that operating in Westminster was a particular challenge especially within the West End Cumulative Impact Area. He added that there would soon be a 24-hour hostel operating near the site of Vanity and therefore the surveillance of the street that Dr Hatfield had mentioned in his report would be achieved then.

Mr Brown explained that the absence of complaints regarding a Premises did not mean there were no operating problems. He advised that the residents had informed him that making complaints was futile and time consuming which was why they had decided to concentrate their efforts on making representation on the renewal applications. He advised that the threat to operate a late-night bar was something that the residents had discussed at length and considered that they would prefer to a SEV licence because they could always apply to Review the Premises Licence.

Objector 1 stated that she could not always face complaining and objecting to applications as it took a lot of time and energy. She outlined how literally life changing the closing of Vanity had been on the resident's lives and how she could now have an uninterrupted night's sleep for the first time in years. She explained that there was no longer pedicabs congregating in the street or SIAs or customers or dancers talking and laughing into the early hours of the morning. She advised of the negative impact of pedicabs and how the drivers hung around the streets shouting, arguing and chatting to the SIAs who did nothing to control their noise. She outlined how the noise from the street reverberated into her flat. She advised that she did not dispute that Soho was a busy place however she would still like to emphasise the locality point because she considered that the building was not fit to operate an SEV licence as the noise within the building travels in odd ways.

Objector 1 advised that the Applicant had had eight years to sort out the issues and alleviate the concerns of residents. She set out how the previous manager had discussed concerns with her however the relationship had eventually deteriorated. She explained how she had undertaken mediation in 2017 through the Council but it had not improved the situation. She advised that the Applicant had written lots of policies and procedures that sounded impressive however they did not mean anything as they do not respect the residents because dancers and customers were allowed out on the street causing Public Nuisance.

Witness 1 gave a background to the use of the Premises over the years and advised that Paul Raymond had sold him the building as he had decided that Carlisle Street was no longer an appropriate place to operate a sexual entertainment venue. He advised that when the Premises were operated as a striptease and nude Premises without alcohol (which was the crucial different to Vanity) there had been no issues. He advised that he had been accosted on several occasions by working girls seeking to bring his custom into the Premises which he had refused. He considered that the Applicant's case was weak because he had not been able to operate a tight ship. He strongly considered that the SEV licence should be revoked. The Committee noted that the previous DPS had seemed quite diligent from the resident's perspective and had tried to deter the pedicabs from the venue, however her strategy had only worked for a couple of weeks.

Witness 2 advised that he had been on friendly terms with the previous manager who had been dismissed. He stated that she had been open to discuss issues with him and on one occasion she had helped him when his bike was stolen. He advised that vibrations transmitted through the structure of building so the Premises were not suitable to be a nightclub. He set out how he had seen one of the dancers canoodling with a customer at the bottom of the stairs of the front door where there was obviously no CCTV. He advised that it was impossible for one person to view 20 CCTV cameras and that the CCTV footage indicated that there was not much dancing going on at the Premises. He emphasised that he considered that it was a

completely inappropriate place for a sexual entertainment Premises and/or a nightclub and such venues had moved out to industrial spaces where they did not bother anyone. He wondered if these breaches occurred before midnight or afterwards because it seemed the more intoxicated the customers got the more the house rules were broken. He requested that if the Committee were not minded to revoke the SEV licence that they consider reducing the opening hours to midnight to alleviate the resident's concerns.

Objector 2 advised that the Soho Society and people living in Soho recognise that the place was originally the heart of the sex industry and therefore did not often make representations against such application/Premises. She advised of the mixture of sexual entertainment venues such as cabaret, striptease and gentlemen's clubs and stated that she could not remember the last time the Soho Society had called for a Review of such an establishment. She advised that it was crucial for the Soho Society that all Premises maintain and do not breach the conditions on their licences, especially SEVs and that the Applicant had demonstrated that he was unable to comply with the conditions on his SEV licence. She set out that the Soho Society believed that Vanity had a culture of acceptance for this type of behaviour which seemed to have occurred on a regular basis late into the night. She advised that the other Premises in Carlisle Street either closed around 11pm or midnight and after that the street was fairly quiet. She advised that it was obvious from the Decision Notice from the Summary Review that pedicabs were picking up intoxicated people from the club and taking them off somewhere and robbing them and therefore the opening of Vanity would increase the crime and disorder in the area.

Objector 3 echoed everything that the other objectors and witnesses had shared with the Committee. She advised that the pedicabs pick up people and take them to places as well as pick them up and bring them to Vanity for a tip from the Premises. She considered that the Police would never get to the bottom of the spiking allegations however what could be determined was that they all occurred after customers had attended Vanity.

During his summing up, Mr Rankin advised that having a SEV licence brings with it great responsibility and therefore how many times could the Applicant be allowed to get away with breaching the conditions on his licences by simply turning up and imposing further conditions on his licences and employing a different management team. He stated that the Applicant took 'his eye of the ball' for more than several months and that if one delegates to someone that operates their business badly it was ultimately still their responsibility. He concluded by advising the Committee that the Police, on the balance of probabilities, considered that Mr Clair was not a fit and proper person to hold a SEV licence.

During his summing up, Mr Grant referred to the suitability of the locality and the Applicant. He requested that the Committee turn to page 46 of the Agenda Pack where he referred to paragraph 8.4 of the Officers' report which sets out the statutory test for the suitability of the locality. He advised that the Council's SEV Policy clearly stated that Westminster CAZ North was an appropriate location for such Premises and indeed 25 of such Premises. He advised that Public Nuisance was a specific licensing objective under the Licensing Act when dealing with Premises Licence and this was raised in the Summary Review and 14 additional conditions had been attached to the Premises Licence to alleviate residential concerns. He emphasised that this had been the appropriate forum to deal with

such matters and not under the SEV legislation. He confirmed that the layout of the Premises did not make it unsuitable to be either a SEV establishment or a nightclub and that a place for smokers had not been realised on the 1st floor because of residential complaints. Mr Grant emphasised that it was not fair to blame the Premises for a much wider problem of pedicabs and that by revoking the SEV licence did not simply cure the pedicab problem in the West End.

Mr Grant concluded by reminding the Committee of the suitability of the Applicant. He advised that the Premises had operated for seven years without complaint and reminded Members of all the new policies and procedures that had been put in place to ensure the conditions on the SEV licence were not breached again. He emphasised the compliance regime that would be operating throughout the Premises by Mr Bamber, a highly respected businessman and that the new DPS and General Manager was more than qualified to operate the Premises. He advised that the Applicant had been punished enough by having to close for five months and this would be enough of a deterrent to ensure that no breaches ever occurred again. He concluded by advising that the Committee ultimately look at this renewal proportionality and ask themselves whether the only sanction was to refuse the renewal application or consider that the culture could change at this venue with all the new policies and procedure and new management in place.

Conclusion

1. The Committee noted that it has a duty to consider each application on its individual merits and did so when determining the application.
2. The Committee has determined an application for a renewal of a Sexual Entertainment Venue Premises Licence made by Vanity License Limited to operate the Premises as a Sexual Entertainment Venue between the of Monday to Saturday 09:00 to 03:00 hours Sunday 09:00 to 23:00 hours.
3. The Committee noted that the Applicant had made a very detailed application which included experts' reports but was not convinced, having heard all the evidence from the Metropolitan Police Service and local residents, that the Applicant was a fit and proper person to hold a SEV Licence.
4. The Committee noted that the Applicant had put in place new policies and procedures but despite that, there have been numerous and continued breaches of the conditions of the SEV Licence.
5. The Committee considered that they did not have confidence that the Applicant would operate the Premises responsibly because of his failures to comply with all relevant conditions of the SEV Licence.
6. Serious breaches at Vanity came to light from the Police examining the CCTV footage submitted by the Premises after the allegations of serious criminal behaviour in the Premises including fraud and drink spiking. No charges were brought in relation to those allegations, however serious breaches of Condition 17 were observed being committed by most of the dancers employed at the premises, not just one or two rogue performers.

6. The Committee felt that a pattern of behaviour and breaches of the SEV Licence conditions over several years and across the Applicant's venues had been demonstrated by the Metropolitan Police Service and local residents.
7. The Committee noted that the Applicant had previously offered extra conditions which were added to the Licence at the previous Committee hearing. These have not been found to be effective in solving the issues. The Applicant failed to comply with those conditions.

Having carefully considered the committee papers, the additional material and the submissions made by all parties, both orally and in writing, the Committee has decided to Refuse the application for the above reasons and in particular, pursuant to Paragraph 12(3)(a) of Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 as amended.

In all the individual circumstances of the case the application is **Refused**.

This is the Full Decision of the Committee which takes effect forthwith.

1. DECLARATIONS OF DISCLOSABLE PECUNIARY INTEREST

Councillor Shiria Khatun and Councillor Rajib Ahmed declared a person interest on item 3.1, Application for a renewal of a Sexual Entertainment Venue for the Nags Head, 17-19 Whitechapel Road, London E1 1DU on the basis that they had worked with Mr Andy Bamber, Compliance Consultant, in his previous capacity as an ex-employee of the Council.

2. RULES OF PROCEDURE - LICENCES FOR SEXUAL ENTERTAINMENT VENUES

The rules of procedure were noted.

3. ITEMS FOR CONSIDERATION

3.1 Application for a Renewal of a Sexual Entertainment Venue Licence for the Nags Head, 17-19 Whitechapel Road, London E1 1DU

The Chair exercised his power to exclude the press and public from the meeting.

It was agreed that;

“Pursuant to Public Bodies (Admission to Meetings) Act 1960, and the Local Government Act 1972 the members decided that exceptionally a Licensing Committee hearing on Tuesday October 17th at 10 o'clock should be closed to the public because it was likely that exempt information would be disclosed in the course of a full hearing to determine the application for a renewal of a sexual entertainment venue licence. The exempt information related to action taken or to be taken in connection with the investigation or prosecution of a serious sexual assault at the licensed premises on May 4th 2017, and that there was also a risk that information would have been disclosed which identified the victim or witnesses which may have prejudiced the investigation or prosecution of the offence.

At the request of the Chair, Mr Mohshin Ali, Licensing Officer, introduced the report which detailed the application for a renewal of the Sexual Entertainment Venue licence for The Nags Head, 17- 19 Whitechapel Road, London E1 1DU. It was noted that the licence consists of the basic licence, plus additional conditions relevant to the premises only. In addition, the Tower Hamlets standard SEV conditions also apply and form part of the licence. It was noted that the Licensing Authority had objected to the application and this had been supported by the Police.

At the request of the Chair, Mr Philip Kolvin QC, acting on behalf of the Applicants, gave apologies on behalf of Mr Adrian Studd, Licensing Consultant, and Mr Saab Binning, Manager, and asked that there evidence is accepted as hearsay.

Mr Kolvin explained that the premises had been run by the Singh family for the past 30 years, and that it was their third year for applying for a SEV licence, it was noted that there had been no objections from local residents, local businesses or objections based on the environment or character of the area. Mr Kolvin explained that he would address the two issues that had been referred to in the objection, the first one was of the reported assault on 4th May 2017 and the second one was the conduct of dancers on 11th May 2017.

Mr Kolvin explained that there had been a rigorous process and effort to ensure compliance measures were in place to improve procedures. It was noted that as a result of these incidents a number of compliance visits had been conducted and all had shown that the venue was fully compliant.

Mr Kolvin stated that since the adjournment at the previous meeting on 2nd October 2017, Mr Singh now accepted that touching had occurred on 11th May 2017 this was detailed on page 6 of the Supplemental Agenda 2. Mr Singh unreservedly expressed his apologies for this incident and wanted to highlight that this was not an example of how the venue was run. It was noted that measures were now in place to prevent this from ever happening again.

He then went on to explain that the Singh family had no history of bankruptcy, had no convictions and had other venues in London that were compliant and licensed venues. He referred Members to page 232 of the Supplemental Agenda 1, the Entertainer's Daily Briefing which was explained to the performers on a daily basis. Customer house rules were on page 230 and it was confirmed this was displayed all around the venue.

It was noted that Mr Andy Bamber, Compliance Consultant had been appointed by the Singh Family to help with compliance, measures and controls. Mr Andy Bamber, gave a brief introduction and a summary of his experience to date. He confirmed that his appointment was independent and had started work with the venue from Feb/Mar 2017. It was noted that Mr Bamber had arranged a number of covert/compliance visits and reported his findings to management after each visit.

It was further noted that Mr Bamber had arranged nine compliance visits and all nine visits found the venue to be compliant. A dip sampling process had also been introduced, where random samplings of CCTV footage would be checked, so a three layer check was now in place, overt, covert and dip sampling. Mr Bamber confirmed that he visited the venue on a regular basis and confirmed to his best knowledge that there wasn't another venue as compliant as the Nags Head in London.

Mr Kolvin then highlighted the sequence of events leading up to alleged assault on 4th May 2017. **(Restricted)**

Members then heard about the incidents on 11th May 2017, where covert officers undertook test purchases and found significant breaches of the conditions on the licence. When a further visit was made on 15 June 2017 the premises was found to be fully compliant. It was noted that Mr Singh was not informed of these allegations on 11th May until 50 days after the incident, if this had been within 31 days (according to the conditions) then this could have been verified by the CCTV footage that is kept for 31 days. Management and performers had initially denied that this took place, however it was clear from Members that they wanted to hear from the Covert Police Officers who carried out the test purchases, and with no CCTV footage as evidence, Mr Singh accepted what the Police had said in terms of the number of breaches that were made on 11th May and would give the dancers involved final written warnings as there was clear misconduct and instructions were not adhered to.

Members were referred to pages 49 & 62 where further compliance visits were made and the venue was found to be compliant. Mr Kolvin then went on to detail the conditions that had been drafted between Licensing Services, Police and the Applicants. He believed that these conditions were sufficient to prevent these incidents from happening again and was satisfied that these conditions would be adhered to.

Mr Kolvin concluded by referring to the discretionary grounds for refusal and highlighted that the standard of fitness was obviously met, with high standard of management, there had been no objections on vicinity, no changes to demographics and the layout of the venue was small, neat and tidy.

Mr O'Toole, through the Chair asked questions on the layout of the premises, the availability of incident log and questioned whether the Licensing Officers would be able to access CCTV footage. It was confirmed that Licensing Officers and Police Officers would be able to view CCTV footage, even on a random check, but not be able to download and take it away unless there was a criminal investigation or breach of conditions as the Applicant said this would infringe guidance from the Information Commission Office and the Data Protection Act.

The Chair adjourned the meeting at 11.55am for a short comfort break and reconvened at 12.10pm.

At the request of the Chair Mr Tom Lewis, Licensing Team Leader briefly explained the two main issues which were of concern i.e. the assault on 4th May 2017 and the conduct of the dancers and the breach of conditions on 11th May 2017. Mr Lewis then detailed the incidents in full. Mr Lewis informed Members that one of the officers who conducted the covert visit was present at the meeting and available to answer any questions and asked that his identity remain anonymous and be referred to as Officer P.

It was noted that a meeting (without prejudice) was arranged and all interested parties met and agreed on a draft set of proposed conditions, which were robust and better enforceable. Mr Lewis confirmed that his objection was supported by the Police.

Members then heard from PC Mark Perry, Metropolitan Police who explained that SEV licences required a greater amount of monitoring and he was concerned about the inappropriate behaviour of dancers at the venue. PC Perry then referred Members to page 28 of the supplemental agenda 1 and explained the series of events which took place in relation to the assault on 4th May 2017.

PC Perry (**Restricted**) the incidents on 11 May did support the culture of inappropriate touching at the venue. He also believed that the additional conditions proposed would help alleviate concerns.

PC Perry welcomed the efforts made on behalf of the Applicant and was pleased and reassured that information would be available on request. He explained that the Police had the power to seize evidence if required. PC Perry concluded that he welcomed the fact that the applicants had accepted that the incidents on 11th May had occurred and had offered conditions and were working with officers.

Following a detailed discussion, Members asked a number of questions to which the following was noted;

- That the incident on 4th May (**Restricted**)
- That there was a financial contract between the performers and the owners of the venue as they had to pay to work at the venue.
- It was the applicant's view that management acted accordingly and in line with procedures and did what was right based on the information given.
- Concerns were raised as to blame culture on women (dancers)
- That the Entertainer's Daily Briefing was read out and explained to all performers before the venue opened each day.
- The customer conduct was displayed all around the venue.
- That there had been eleven compliance visits in total over the last six months, and all were found the venue to be compliant.
- It was noted that the victim on the 4th May (**Restricted**).
- Witness statements from other performers state that if sexually assaulted then the dance is immediately stopped and the customer is asked to leave the venue.
- (**Restricted**)
- That the CCTV footage taken on 4th May also showed that there was a breach of condition where a performer was seen to be hugging a customer.

At 1pm the Chair closed the meeting.

The second meeting started at 2pm.

The Chair welcomed everyone.

In response to further questions from Members the following was noted;

- Authorised Officers referred to in the proposed draft conditions included Police Officers and Licensing Officers.
- The Applicant maintained that officers would be able to view CCTV footage but would not be allowed to download footage or be handed over footage unless it was associated to criminal proceedings or to investigate a breach of conditions.
- That the Entertainers Daily Briefing and Customer Rules had been rewritten in order to make the rules more robust and enforceable and clear that you must not touch the dancer.
- SIA door staff also explained the rules to customers when they come into the venue.
- That there were 12 dancers performing on 11th May
- That during the 30 years of trading, there had only been one complaint of sexual assault.
- That there was a further need to educate customers and dancers.
- That dip sampling meant that 4-5 CCTV footage slots would be randomly picked and checked to see that everything was compliant.
- That there was no sign outside the venue, no advertising, and there were no staff outside touting, that SIA door staff stand inside the entrance.

At this stage the Chair formally asked that Police Officer P who was present at the meeting could be released as there were no questions to ask of him.

Cllr Shiria Khatun asked if questions could be asked of one of the performers who was in attendance at the meeting but was not a witness.

The Chair adjourned the meeting at 3.20pm to seek legal advice and reconvened at 3.27pm.

The Chair announced that they would not ask Mr Kolvin to call the performer.

Mr Kolvin then asked the Chair if he could voluntarily call the performer as his witness and asked her questions despite the fact she had not made a witness statement. The Chair sought legal advice and consulted the Committee (without adjourning) and then said that exceptionally the Committee would agree to the performer being called to give evidence at this stage. The performer confirmed the following;

- That her name was **(Restricted)** (Ms A) and that she had worked at the Nags Head for 12 years.
- That she was part of the East London Strippers Union Collective
- That Nags Head was the safest place to work in where dancers felt protected.
- That she had a good relationship with managers and staff
- That she had never been sexually assaulted at the premises.
- That dancers do not permit any sexual contact and can easily protect themselves if they were being assaulted
- That she had been working on the night of 4th May, **(Restricted)**.

- That she was also working on 11th May and she did not engage or see anything that was described by Police Officers
- That dancers were given a daily briefing.
- That she did not see everything that goes on in the venue.

The Chair invited all parties to make final submissions.

Mr Kolvin concluded by saying that no touching is allowed, dancers are protected. That policy and procedures had been scrutinised and revised with great care. He highlighted that the venue was a good family run business, with a dedicated Compliance Manager. The applicants expressed their apologies for the breaches in May. Mr Kolvin said that they accept the conditions and felt that the imposing of the conditions would be a proportionate response as the venue was a compliant business. He highlighted that there was a total of 80 staff working at the venue, the venue had been trading for decades, there was a commitment to work with the responsible authorities and that there had been 11 compliance visits within the last 6 months and all had been found to be fully compliant.

Members then heard from Mr Lewis and PC Perry who stated that they were happy with the conditions and if agreed by Members then this would help alleviate the concerns they had. They were also pleased that the police evidence on 11th May had been accepted by the applicants.

Mr O'Toole for clarity confirmed that the Applicant expressly agreed that authorised officers could review CCTV footage although not ask for a copy unless investigating a breach of conditions or criminal offence.

Members adjourned the meeting at 3.40pm for deliberations and reconvened at 4.50pm.

Accordingly, the Sub Committee unanimously

RESOLVED

That the application for a renewal of a Sexual Entertainment Venue Licence for The Nags Head, 17-19 Whitechapel Road, London E1 1DU be **GRANTED an identical licence with additional conditions.**

At a hearing of the London Borough of Tower Hamlets Licensing Committee on Tuesday October 17th 2017 the Committee unanimously resolved to grant the renewal of a Sexual Entertainment Venue Licence to the Nags Head at 17-19 Whitechapel Road, London E1 1DU subject to the Standard Conditions, and additional conditions set out below.

The Committee imposed additional conditions after determining that the Licensees had committed serious breaches of the Standard Conditions, and that in May and June 2017 the management did not have the ability to adhere to the Standard Conditions for sex establishments.

The SEV Licence will expire on 31st May 2018.

In reaching its decision the Licensing Committee had regard to the Act, Tower Hamlets' Sex Establishment Licensing Policy made pursuant to Schedule 3 of the Act (the Policy), the information contained in the Agenda (white papers), Supplemental Agenda 1 and Supplemental Agenda 2 (pink restricted papers). Over the course of two meetings the Committee heard submissions on behalf of the Applicant and the Licensing Authority as Objector, and evidence from Mr Bamber and Ms A (a performer at the premises) on behalf of the Objector. The Applicant and Objector agreed that all the other witness statements on behalf of both parties could be admitted as hearsay statements.

The Committee decided to conduct a full hearing review into the application for renewal of the SEV Licence because the Licensing Authority had objected on the basis that the Licensees were unsuitable to hold a licence pursuant to paragraph 12(3) of Schedule 3 of the Act, ie that they were unsuitable "for any other reason".

The events which gave rise to the full hearing review occurred on May 4th and May 11th 2017.

The Committee accepted PC Mark Perry's unchallenged evidence that by May 2017 there had, in all probability, developed among some of the performers at the premises a culture of consensual inappropriate touching which was in breach of the Standard Conditions. One such incident ("the hug") was recorded on CCTV on May 4th between a performer and member of the public. PC Perry went on to say that this culture was not safe and it was "a slippery slope because if you say it is ok to hug they [the members of the public] may then take it further especially if they had had something to drink." Mr Colvin QC on behalf of the Applicant conceded that the May incidents were not acceptable and that they "exposed a fault line" about how the premises were managed

Alleged sexual assault

On May 4th 2017 a performer at the premises, referred to as Ms Y, was allegedly assaulted by a member of the public (referred to as Mr X) during a private dance. **(Restricted)**

The Committee accepted all the hearsay evidence regarding how performers responded if touched during a private dance and carefully analysed the agreed CCTV recording timeline of the incident on May 4th. **(Restricted)**

(Restricted)

(Restricted), the Committee found that the management failed to take the matter sufficiently seriously, or properly investigate it. The management also failed to protect Ms Y on May 4th, and had failed to provide appropriate support to Ms Y at the time of the alleged sexual assault or afterwards.

The position was aggravated by what the Committee considered was the Licensees' generally dismissive approach to the matter, especially when it knew beyond doubt that the allegation was that of a serious sexual assault. It was compounded by the Licensees' subsequent obstruction of, and failure to cooperate with the licensing officers in the investigation of the incident. The Committee did not accept the Licensees' reasons for refusing to provide a copy of the CCTV of the incident to the licensing officer (redacted as necessary) and this was a serious breach of Standard Condition 12. The Committee found that the Licensees' failure to cooperate promptly with the licensing officers request for a copy of the incident book was inconsistent with the high standard of management stipulated by the Policy.

Intentional sexual contact between performers and covert police officers

On May 11th 2017 two police officers, acting on behalf of the Licensing Authority, carried out covert test purchases. These purchases confirmed that performers were making repeated intentional sexual contact with customers. The nature of the sexual contact is summarised below.

- Grinding of buttocks onto officers groin, this occurred on several occasions with all performers, and on one occasion one performer was grinding their vagina on officer's groin.
- Placing of the breast into the officers faces. This was mostly only light contact (slight brushing across the face). However on one occasion one of the performers in putting their breast in the officer's face made contact with the officer's closed mouth with their nipple.
- Squeezing of officer's penis, this occurred on two occasions by one performer who reached behind her with one hand and squeezed the officer's penis through their clothing.
- Rubbing of forehead on penis, this occurred with one performer where they knelt between the legs of the officer and rubbed their forehead back and forth on the officer's penis through their clothing.
- Breast being in open hands of the officers whilst seated, which occurred once with one performer.
- One performer asked one of the Officers to put their hand on the performer's buttocks, which they did.
- One performer placed one of the Officer's hand on her exposed pubic area.
- During one of the private dances one of the performers kissed one of the Officers with a closed mouth.

Officers describe in their statements that there were a number of occasions performers touched their vagina's and parting the lips of their vagina's. Furthermore on one occasion a performer simulated acts of personal stimulation by parting their vagina with her fingers exposing their labia and with their other hand rubbed their inner vagina from the base up to the clitoris.

The Licensees admitted that two of its performers had committed the above intentional sexual behaviour.

The Committee found that the above intentional sexual behaviour of two performers was a serious and persistent breach of Standard Condition 26 (implementation and enforcement of House Rules), Conditions 35 and 36 (no intentional physical contact - save for specified exceptions) and Condition 38 (no other form of sexual activity, including but not limited to acts or the simulation of acts of personal stimulation).

The Committee found that the lack of effective enforcement of the Standard Conditions and compliance with the House Rules was likely to be directly affecting the safety of performers as evidenced by the alleged sexual assault on May 4th.

The Committee decided that in May and June 2017 the Licensees' clearly did not have a high standard of management. The management structure was such that it lacked the capacity to operate the venue, or the ability to ensure adherence to the Standard Conditions for sex establishments. As such, it was arguable that, at that time, the Licenses were unsuitable "for any other reason" to hold a SEV Licence.

After careful consideration the Committee decided to grant the renewal of the SEV Licence after taking full account of the following matters.

- 1 The admissions by the Licensee, their apology for the breaches, their positive track record, and their full commitment in the future to enforce the Standard Conditions, and strict adherence to, and compliance with the House Rules and Code of Conduct, and any other conditions the Committee might impose.
- 2 The Committee accepted the Licensees' promise to fully cooperate with licensing officers in the future and in particular not to obstruct the viewing of CCTV footage (including the viewing of CCTV in the course of random checks by the licensing officers).
- 3 That PC Mark Perry, and Mr Tom Lewis (Team Leader, Licensing and Safety Team Environmental Health and Trading Standards) considered that the imposition of additional stringent conditions would mitigate the risks of similar problems occurring at the premises in the future.
- 4 The significant efforts already made by the Licensees to ensure that the premises operated in a way which was fully compliant with the Standard Conditions, and the additional conditions that the Committee were going to impose.

The Committee imposed the following additional conditions.

- 42 Documents to prove compliance with the Licence pursuant to Standard Condition 3.

An incident log shall be kept at the premises, and made available on request to authorised officers immediately. It must be completed within 3 hours of the incident and shall record the following

- (a) all crimes reported to the venue by a member of the public, a performer or member of staff;
- (b) any breach or alleged breach of either the House Rules made by a member of the public or the Code of Conduct made by a performer, and the action taken by the management;
- (c) when a person is removed from the premises;
- (d) any faults in the CCTV system;
- (e) any visit by a relevant authority or emergency service.

- 43 In the event that a performer alleges that they have been sexually assaulted the management will immediately ensure that

- (a) the police (and, where appropriate, the London Ambulance Service) are called without delay;
- (b) all measures that are reasonably practicable are taken to apprehend a suspect pending the arrival of the police;
- (c) the crime scene is preserved so as to enable a full forensic investigation to be carried out by the police; and
- (d) such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises.

- 44 In the event that during a performance the management or security either witness a member of the public making intentional physical contact with a performer (save as permitted by Standard Conditions 35 or 36) or a performer makes a similar allegation to management or security, that member of the public shall be removed from the premises without delay. The management or security may use their discretion to allow that member of the public a supervised 10 minute drink up time prior to being removed from the premises.

- 45 Without prejudice to Standard Conditions 12 and 13, at all times the private performance areas and booths are occupied by performers and members of the public trained staff shall regularly monitor the CCTVs which cover that area.

46 Independent Compliance Audit

- (a) An independent compliance auditor, to be instructed and paid for by the Licensees, must carry out a minimum of four (4) compliance audits per year of the private performance areas and booths when sexual entertainment is offered at the premises. The compliance audits must not be pre-arranged with the Licensees or any employee or agent of the Licensees.
- (b) A copy of the compliance audit, signed and dated by the Compliance Auditor, must be kept at the premises (The Nags Head Public House, 17-19 Whitechapel Road E1 1DU) and made available to authorised officers without delay.

Central East Police Licensing formally object to the application for the renewal of the Sexual Entertainment Venue License for The Nags Head 17 – 19 Whitechapel Road, London E1 1DU. The Police's objection is on the grounds of preventing Crime and Disorder.

Tower Hamlets Councils test purchase operation carried out in August 2022 where the performers of the Nags Head touched the customers. The conditions in the License state:

35: During a performance there shall be no intentional physical contact between a performer and the customer other than the transfer of money or token at the beginning, during and at the conclusion of a dance into the hand or a garter worn by the performer. For the avoidance of doubt nothing in this condition shall prevent Performers from acting to prevent, deter or counter any attempts of physical contact by a customer.

38: During a performance there shall be no full body physical contact between performers and they are not to touch each other's breasts or genitalia either with their bodies or with objects. Any performance shall be restricted to dancing and the removal of clothes. There must not be any other form of sexual activity, including but not limited to acts or the simulation of acts of personal stimulation

In his statement operative one states that the performer was *"thrusting herself against my groin whilst rubbing her breasts against my face and also kissing my neck"*. Indeed the performer said to the operative *"She told me that I was allowed to touch her but not the vagina area"*

The second operative states that *"The dancer made a fair amount of contact with me, she pressed her breasts into my face, brushing against my neck and ear. She spent a lot of time on my lap with her underwear to the side and touching her vagina, she would also grind against my groin area"*.

The above evidence shows that this is not one rogue performer, this is two performers engaging in appropriate touching with customers. Indeed according to the evidence from the venue owner Mr Manpal Clair in his statement says that the dip sampling of three performers had found other breaches that *“had been repeated and were serious”* (point 34 P11). This shows that it is not an isolated incident, but a more deep rooted problem at the venue.

It is concerning that the venue management had not picked up on the breaches of the no touching rules from three of their performers earlier, especially given that the duty manager Mr Binning states that *“I regularly conduct dip sampling of our CCTV system as well as watching performances live in to check compliance”* (point 29 P80).

Indeed, condition 45 states *“At all times the private performance areas and booths are occupied by performers and members of the public trained staff shall regularly monitor the CCTVs which cover that area”*. This is to ensure the safety of the performers and that the license conditions are being complied with.

If the venue had been complying this condition then why were *the “repeated and were serious”* breaches not observed as they happened and action taken. We would of expected that new performers to the venue would have been under even closer scrutiny to ensure that they were compliant.

Yet this did not happen, it leads to the conclusion that either the venue management were incompetent in not monitoring the performances and detecting the breaches and taking appropriate action, or it was accepted behaviour.

Sadly this is not the first time the venue has come to notice for allowing its performers to break the no touching rules. On May 11th 2017 two police officers, acting on behalf

of the Licensing Authority, carried out covert test purchases. These purchases confirmed that performers were making repeated intentional sexual contact with customers. The nature of the sexual contact is summarised below.

- Grinding of buttocks onto officers groin, this occurred on several occasions with all performers, and on one occasion one performer was grinding their vagina on officer's groin.
- Placing of the breast into the officers faces. This was mostly only light contact (slight brushing across the face). However on one occasion one of the performers in putting their breast in the officer's face made contact with the officer's closed mouth with their nipple.
- Squeezing of officer's penis, this occurred on two occasions by one performer who reached behind her with one hand and squeezed the officer's penis through their clothing.
- Rubbing of forehead on penis, this occurred with one performer where they knelt between the legs of the officer and rubbed their forehead back and forth on the officer's penis through their clothing.
- Breast being in open hands of the officers whilst seated, which occurred once with one performer.
- One performer asked one of the Officers to put their hand on the performer's buttocks, which they did.
- One performer placed one of the Officer's hand on her exposed pubic area.

- During one of the private dances one of the performers kissed one of the Officers with a closed mouth.

Officers describe in their statements that there were a number of occasions performers touched their vagina's and parting the lips of their vagina's. Furthermore on one occasion a performer simulated acts of personal stimulation by parting their vagina with her fingers exposing their labia and with their other hand rubbed their inner vagina from the base up to the clitoris.

The Licensee admitted that two of its performers had committed the above intentional sexual behaviour.

A link to that committees report is here:

<https://democracy.towerhamlets.gov.uk/documents/b45027/3.1%20Supplemntary%20evidence%20from%20the%20Nags%20Head%2017-19%20Whitechapel%20Road%20London%20E1%201DU%2016th-May-2023%201.pdf?T=9>

As the committee can see the nature of the offenses in both 2017 and 2022 are very similar in nature, and it is of great concern that such similar offenses are happening at the venue after the previous failings.

Mr Clair owns another sexual entertainment venue called Vanity in Westminster, the licence is in the name of VANITY LICENSE LTD, sole director is Manpal Singh CLAIR Company Correspondence address is 128 City Road, London, United Kingdom, EC1V 2NX

The Licence Holder of the Nags Head is NH LICENSE LTD, the sole director is, Manpal Singh CLAIR, Company Correspondence address: 128 City Road, London, United Kingdom, EC1V 2NX

It is clear that Mr Clair owns both premises.

Vanity in Westminster recently had an application for renewal of a Sexual Entertainment Venue (SEV) Licence refused by Westminster City Council, following an objection to the application by Met Police Licensing. This came about as the result of Police investigating a drink spiking allegation at the venue. While checking CCTV of the venue they observed numerous examples of performers touching their customers, and allowing themselves to be touched.

The details of the breaches including photographs and statements have been attached for the committee to examine. They are detailed, explicit, shocking, and show a venue with no regard for the rules of no contact between performers and customers. It also shows a venue demonstrating a lack of care for its staff as performers with repeated touching of performers intimate areas by customers.

These images are taken from the 21 – 22 and the 23 – 24 November 2022, and are clearly not an isolated incident. The performers and customers can be seen touching each other while in the public bar area, and no action is taken. In one of the screen shots prior to a private dance a performer can be seen pointing to a CCTV camera in the room, and getting the customer to move to a seat on the other side of the room that was out of camera shot.

This is clearly a deliberate attempt to avoid detection, and if this was one rogue dancer it would be explainable as that, but as this is several performers over 2 days this should have been picked up by the venue. Having spoken to the officers concerned who watched the CCTV this was every performer they observed engaging in inappropriate touching over the two dates.

In the CCTV evidence both staff, and security can be seen entering the rooms while this behaviour was taking place. Yet no action was taken, no customers ejected or performers disciplined. The only reasonable conclusion that can be drawn from the evidence is that the unlawful touching is either ignored or encouraged by venue management. It is simply not credible to say that venue management were not aware of it.

A link to Westminster's committee report for the SEV Licence and renewal of Vanity is here:

<https://westminster.moderngov.co.uk/ieListDocuments.aspx?CId=371&MID=6344#AI18787>

This is the same behaviour and breaches that were observed by the test purchasers employed by Tower Hamlets Council when they conducted a Test Purchase at the Nags Head in August 2022, it is the same behaviour and breaches that were admitted by Mr Clair following evidence found during a previous Test Purchase operation at the Nags Head in 2017.

There is a clear pattern here of Sexual Entertainment venues owned and operated by Mr Clair consistently breaching the conditions of their license, of allowing inappropriate touching, and putting their performers at risk in allowing such behaviour.

This venue, its management and staff have demonstrated that they are not fit to operate a Sexual Entertainment Venue and we urge the committee not to renew the license.

I am the above-named person, currently employed in the Westminster Police Licensing Unit.

I am the above-named person, currently employed in the Westminster Police Licensing Unit. I joined the Metropolitan Police Service in 2002 and was posted to the Borough of Westminster in 2003, working in numerous operational roles. I moved to the Westminster Police Licensing Unit in April 2011. Since my appointment in the Licensing Unit I have dealt with a wide range of licensing matters including applications for new premises licences, variations to existing premises licenses, licensing committee hearings, licensing reviews and a large number of licensing visits to licensed premises within the City of Westminster. I am also a specially trained search officer, licensed by the Home Office, with over 17 years experience performing this role.

I submit the below information in relation to an application by the Westminster Police Licensing Unit, on behalf of the Commissioner of the Metropolitan Police, to revoke the Sexual Entertainment Venue licence for Vanity Bar And Nightclub Basement to First Floor 4 Carlisle Street London W1D 3BJ, The premises is also licensed, Premises Licence number 20/03227/LIPT.

Vanity Bar & Nightclub is located on the north footway of Carlisle Street approximately ten (10) metres west of the junction with Dean Street. The main entrance is a large single door on Carlisle Street. As you enter the premises into a small lobby there is a small storage room to the left and another single door into the main ground floor area. The bar is located on the righthand side, opposite the bar there is a staircase which leads up to the first floor and also down to the basement level. In the basement the, from the areas I have seen there is a room with approximately 6 booths and there is a door leading to an office.

In December 2022, the police made an application for a summary review of the premises licence for Vanity Soho (ref 22/11860/LIREVX), as part of this application the Police requested CCTV to be downloaded which is detailed in my statement in relation to the review application 22/11860/LIREVX.

The CCTV provided contained footage from 21st-22nd November 2022 and 23rd-24th November, with footage from 19 different cameras. The following is a summary of the location/field of view of the cameras provided, this is from my knowledge of the areas I have seen within the venue and using the premises plans.

Notably cameras 1,2 and 8 were not included in the footage provided. The CCTV Time stamp on the recorded footage is three (3) Minutes fast.

From the CCTV that I have viewed from 21st/22nd and 23rd/24th November 2022 I have produced a transcript, exhibits RGG/001 and RGG/002 refer.

Both the Premises licence and SEV Licence have conditions relating to CCTV :-

Premises licence – Conditions 29 & 30

29. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31 day period.

30. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested

Sev Licence conditions 10 & 11

The premises will install and maintain a comprehensive CCTV system as per the minimum requirements of a Metropolitan Police Crime Prevention Officer that

ensures all areas of the licensed premises are monitored including all entry and exit points will be covered enabling frontal identification of every person entering any light condition. All cameras shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31 day period together with facilities for viewing.

A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open to the public and this staff member should be able to show Police recent data and footage with the absolute minimum of delay of the request.

On the ground floor, the camera outside the main entrance (Camera 22) does not adequately capture a facial image of all persons entering or exiting. an example of this is evidenced in the CCTV on Camera 22, on 24/11/22 at 03:07:41, two people leave the premises and the footage is of insufficient quality to identify them. (screenshot produced as exhibit **RGG/004**)

The only other camera that covers the internal entrance in the main area of the ground floor is Camera 3 and again this does not provide sufficient quality footage, particularly of people leaving in all light conditions. There are no cameras in the lobby area between the main street entrance and the entrance to the ground floor.

SEV - Condition 21

21. Where relevant entertainment is provided in booths, or other areas of the premises where private performances are provided, the booth or area shall not have a door or other similar closure, the area shall be constantly monitored by CCTV, and access to the booth or other area shall be adequately supervised.

Continuation of Statement of **PC Reaz Guerra 1614CW**

On the 1st floor, the relevant entertainment takes place in a large room, there are approximately eight (8) armchairs located around the periphery of the room, where customers sit, there are three (3) movable concertina screens (approximately 1.8m high) which are positioned ad hoc to provide privacy.

The two cameras located on the ceiling at either end of this large room do not provide sufficient coverage, particularly as the seats located on the periphery of the room are often obscured by screens, also the seats at the far end of the room are out of view of the camera position at the far end of the room and in low light condition are not adequately covered by the only other camera.

In the Basement booth area, there are 6 booths three on each side with a walkway down the middle. As you enter this room, there is a seat/area just to the immediate left as you enter, where the PDQ machine is situated and staff often stand/sit. Within the booth area there are only four cameras to cover all six booths (cameras 14, 15, 16, 17). The booths have bead screens in-between them and this obscure the CCTV coverage, particularly of the middle booths. The positioning of the seating within the booth allows customers to be seated out of view of the CCTV cameras, the dancers are also aware that the seats are out of camera view, this is evident on Camera 15 (21/11/22 23:06:15), when a male enters the booth and sits in the chair that is within the view of the camera, the dancer the speaks to him, turns and points at the camera and the male gets up and sits in the seat out of the view of the camera – Screenshot Nov21 Cam15 230645 - Exhibit RGG/005).

I also produce screen shots of Camera 14, 16 and 17, showing the inadequate coverage of all the booths, in each of the screen shots all the booths are occupied by at least one customer and one dancer.

Exhibit RGG/006 – Nov 21 Cam 14 225919 – male out of view at bottom of screen, dancer/male in middle booth obscured by beaded screen

Exhibit RGG/008 - Nov 21 Cam 17 234542 - dancer/male in middle booth obscured by beaded screen.

The inadequate coverage breaches both the conditions on the SEV and premises licence, as the minimum expectation would be that all areas where relevant entertainment takes place should be adequately covered by CCTV as per the conditions on both licences.

Premises licence condition 24

24. The sale of alcohol shall be ancillary to the use of the premises for either i) music and dancing and substantial refreshment or ii) Relevant Entertainment and substantial refreshment.

The CCTV does not show and evidence of any substantial refreshment being provided, the only form of food being consumed are the lemon/limes being provided with what is assumed to be shots of tequila., whilst it is evident that regulated entertainment is being provided (recorded music), the premises was essentially operating as a Sexual Entertainment Venue on both 21/22nd and 23/24th November 2022, and therefore should be fully compliant their SEV Licence.

Numerous conditions have been breached on both dates and is evident on the CCTV.

SEV Conditions breached:-

16. Relevant entertainment shall be given only by Performers and the audience shall not be permitted to participate in the relevant entertainment.

17. There shall be no physical contact between Performers whilst performing.

20. Customers must remain fully clothed at all times. The Performer must not remove any of the customer's clothing at any time.

Continuation of Statement of **PC Reaz Guerra 1614CW**

21. Where relevant entertainment is provided in booths, or other areas of the premises where private performances are provided, the booth or area shall not have a door or other similar closure, the area shall be constantly monitored by CCTV, and access to the booth or other area shall be adequately supervised.

22. Whenever Relevant Entertainment is being provided there shall be no physical contact between Performers and customers or between customers and Performers except for the exchanging of money or tokens at the beginning or conclusion of the performance and only for the purpose of that performance. Clearly legible notices to this effect shall clearly be displayed in each private booth and in any performance area.

23. Performers must redress fully immediately after each performance.

It is clearly evident from CCTV that there are many instances where customers and performers are permitted to touch each other, with physical contact frequently being made often of a sexual nature, whereby customers are permitted to touch the breasts, bottom and vaginas of the dancers; and dancers touch and rub the customers crotches. Touching takes place from the moment customers walk in to the premises, with the dancers often hugging customers as they enter the bar, dancers can be seen with arms around customers, stroking the chests, touching their bottoms. Customers are also seen with their hands on dancers bottoms without being challenged, deeming this acceptable and permitted behaviour.

These incidents are not limited to a single performer or customer but occur between numerous dancers and different customers. It appears to be commonplace and regular behaviour, the SIA security or management when positioned on each floor ignore and are not seen to actively challenge or prevent the touching/between performers and customers. Breaching conditions 16, 17, 21, 22 and 23.

These many incidents of touching have been detailed with the CCTV transcripts, Exhibits RGG/01 & RGG/02.

It is also evident that, many of the male customers are intoxicated and in their intoxicated state are being encouraged to purchase more dances/performances. two such examples being

22nd November 22 – 02:27 to 03:00 – Intoxicated male attempts various different payments, by phone and bank cards, has 4 dancers with him in the booth, when the performance ends the male stands up and clearly unsteady on his feet.

24th November 22, 03:30 – Camera 16 - Male stands up, clearly unsteady on his feet, stumble as he gets up and has to use his right hand to hold on to wall to support himself, swaying from side to side and has to lean against wall. Dancer returns and male has his hand on her bottom, then grabs her bottom with both hands.

35. There shall be at least one SIA registered door supervisor on duty on every floor where Relevant Entertainment is provided for the entire time the Relevant Entertainment is provided.

On 24th November 2022, cameras 13 and 17 between 0300hours to 0440 hours the basement booths are supervised solely by a male member of staff, he is not wearing or displaying an SIA badge, it is believed that he is not an accredited SIA security person.

Another noteworthy incident is captured on camera 6 (ground floor bar) and camera 15 (basement booths) a male customer having entered the booth with a dancer at approximately 23:06 hours. Then at approximately 23:30 hours on camera 15, male is seated out of view a member of staff attempting to make a payment using his phone, Male makes payment on card machine, then staff screws up both copies of the printed receipt, staff the takes the customers mobile phone which is unlocked (bank card image visible on phone screen) up to the bar on the ground floor to complete the transaction (See Camera 6 - 23:31:55) Staff returns to booth, transaction appears declined, staff leave momentarily and returns with another PDQ machine, unclear if transaction made as out of camera view. It is questionable as to why the customer allowed the member of staff to use his phone for a payment with the customer not being present.

The premises is failing to uphold and fully promote the licensing objectives, their obstructive approach in providing CCTV, which clearly evidences many breaches of both their Premises Licence and SEV Licence and shows the premises is being managed and operated in an irresponsible manner.

Statement of: Constable Stephen Muldoon

Age if under 18: Over 18

Occupation: Police officer

This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.

Date: 15 May 2023

I am the above named person and am currently employed by the Metropolitan Police Service to work as a police constable in the London borough of Westminster. My current role is to work as a licensing officer, part of this role is to deal with applications for new/varied licences and to look at incidents that are alleged to have taken place within licensed premises.

This statement is being submitted to support the objection from the Metropolitan Police for the renewal of a Sexual entertainment venue (SEV) licence for Vanity Ltd, 4 Carlisle St, W1. Vanity has a current premises licence - 20/03227/LIPT.

I was in possession of CCTV from inside the venue for the night of the 23rd November into the early hours of the 24th November 2022. I came into possession of this from Pc GUERRA as we were investigating various allegations from various customers.

Whilst viewing the CCTV for the alleged incidents it became apparent that there was countless breaches of the SEV licence. As part of the SEV licence there were two specific conditions that were breached.

- 16. Relevant entertainment shall be given only by Performers and the audience shall not be permitted to participate in the relevant entertainment.
- 17. There shall be no physical contact between Performers whilst performing
- 22. Whenever Relevant Entertainment is being provided there shall be no physical contact between Performers and customers or between customers and Performers except for the exchanging of money or tokens at the beginning or conclusion of the performance and only for the purpose of that performance. Clearly legible notices to this effect shall clearly be displayed in each private booth and in any performance area.

Watching the footage it was quite clear that the majority if not all of the performers would deliberately touch the customers whilst performing, this varied degrees to sitting on customers to lying fully naked on top of customers and using what I would describe as a grinding motion. These acts would regularly take place in front of the security or the then manager.

I can produce in evidence the following screenshots as exhibits:

SM/1 – Female dancer (a) in one booth sitting on top of a male customer (obscured by seating), female dancer (b) sitting on male customer. Both dancers are topless (01:19 - 24th Nov, Camera 14)

SM/11 – Naked female dancer sitting on a male customer whilst opening and closing her legs. (00:34, 24th November, Camera 7)
SM/12 – Female dancer on her knees at a male customers crotch area. (00:05, 24th November)
SM/13 – Female dancer sitting on male customer. (02:51, 24th November, Camera 7)
SM/14 – Female dancer sitting on male customer. (02:27, 24th November, Camera 7)
SM/15 – Male customer appearing to kiss the naked body of the female dancer. (00:06, 24th November, Camera 9)
SM/16 – Male customer and female dancer on the left in close to each-other. Male has his hands on the dancer. The male customer is also being sat on by the dancer on the top right. Security are sitting on the sofa on the bottom right of the screen. (03:30, 24th November, Camera 7)
SM/17 – Naked female dance rubbing her body from behind on a male dancer (00:07, 24th November, Camera 9)
SM/18 – Naked female dancer laying on her front on a male customer. The male customer has his hand on her bum. (00:07, 24th November, Camera 9)

The above is just a selection of screenshots however the breaches were constant by the dancers, ignored by all the staff and appeared expected by the customers. This was clear this was just not one slip up and this was a regular and I would suggest normal occurrence for the venue and how they operate.

I can also produce in evidence the following:

Exhibit SM/19 - Tower Hamlets licensing committee agenda and papers for Tuesday 16th May 2023.
Exhibit SM/20 - Minutes/agenda from an extraordinary committee report for Tower Hamlets for Tuesday 17th October 2017
Exhibit SM/21 - Companies house page for Vanity Licence Ltd
Exhibit SM/22 - Companies House page for Nags Head Ltd

I received notification that Tower Hamlets council were to be reviewing the SEV licence of The Nags Head on Tuesday 16th May 2023, I was aware that the licence holder for the Nags Head is Nags Head Ltd, a check on companies house shows the sole director of Nags Head Ltd being Manpal Claire Singh. (Shown in Exhibit SM/22). Manpal Clair Singh is also the sole director of Vanity Licence Ltd (as shown is Exhibit SM/21).

I read through and attached the committee papers in SM/19. This shows that the act of touching customers is not alone to Vanity and this also takes place at the Nags Head. I also identified from the papers that there have been numerous previous incidents of breaches of SEV identified at the Nags Head both in 2016 and 2017. (Exhibit SM/20) shows the committee minutes for a hearing that documents these breaches.

During a summary review hearing Manpal Singh proportioned blame on to the then DPS and her son. Whilst i do not doubt they had no control over the premises it is clear and evident that for years both of Manpal Singh's venues where he is the SEV licence holder have operated with constant breaches.

Having reviewed the countless breaches that I have witnessed on CCTV at Vanity, the committee papers from both 2023 and 2017 from Tower Hamlets it is clear that Vanity is being run and operated extremely poorly. The licence holder has no control as to what goes on at the venues and the only apparent consistent thing is the apology he gives when breaches are found. It the opinion of the Metropolitan police service that Manpal Singh should not be granted an SEV licence and is not a suitable person to operate one.

Dear Licensing,

The Nags Head, 17-19 Whitechapel Road, London E1 1DU - **Letter of Support.**

My name is Stephen [REDACTED], [REDACTED]

I write in support of The Nags Head.

I have been a customer at The Nags Head for 15 years.

It is one of my favorite places to go, I always feel welcome and safe whenever I go in whether it is the afternoon or the evening, the doormen are very welcoming and courteous. I know the owners of the Nags Head and know it is a family business that has been passed down from father to son.

The Nags Head is impeccably well-run. The management are friendly but will not tolerate bad behavior. By bad behavior I mean people who are drunk or people who misbehave and try and touch the dancers. The rules are well known to everyone who comes into the Nags Head. You cannot miss them. They are on the wall as you enter and they are explained to you by the security guard, particularly if it is your first visit. People who look like they might cause trouble don't even get through the door.

I have never seen trouble in the Nags Head and is one of the reasons why I like it. The atmosphere is very relaxed atmosphere and you do not feel pressurised to spend money, buy girls drinks or have dances like other venues. They know the rules too and they know what is and what is not ok.

I think it would be a real shame if the Nags Head was not to get another license and was forced to close down. For one I think it would put at least 20 people out of work and that means they would have to find another job in these difficult times. The venue would likely become yet another pub and probably would have more trouble over the course of time. The Nags Head controls any sign off trouble more than if it was just a pub.

I genuinely think the council should look past any obvious dislike for these type of venues, or any moral or religious objections. The simple fact is if there wasn't a market for lapdancing venues then they wouldn't exist I believe the Nags Head although not everyone's cup of tea they have the right to exist.

The council need to consider if these adult entertainment venues close down as The Nags Head has to comply to all sorts of rules to continue to be able to do what it does, closing down these venues will driving lapdancing underground and into the waiting hands of criminals. If the council are concerned about the performers being exploited, touched, or used for sex then this is precisely what will happen if lapdancing clubs are forced to close down.

The Nags Head has been in Whitechapel for over 20 years, I have been visiting for 15 years and have made many friends there including the staff they are all hard working decent people.

I hope the Nags Head stays open and has my full support for many years to come.

Please ensure that my personal details are not made public or published on the councils website/in any agenda papers. Please use this email address only for any contact.

Yours Faithfully

Stephen

To whom it may concern,

I can confirm that I am in support of the licence for the Nags Head, 17-19 Whitechapel Road, London, E1 1DU.

I have frequented the Nags Head for many years and it is one of the only places that I will go for a drink whilst in the area. I travel from Devon with work and have visited every time that I'm in London. It is of my opinion that the licence should be granted and that this important community asset should remain.

It provides a safe and calm environment to enjoy socialising. I would choose the Nags Head before anywhere else as it is always calm, safe and there's never any trouble. The Nags head creates many jobs and has a big impact on bringing affluent businessmen into the area. This in turn is financially beneficial to the surrounding businesses

It is managed and monitored rigorously to ensure that the girls are safe and respected. It is made very clear that contact with the girls is unacceptable in any form and that any such behaviour would result in being removed and banned from the establishment.

Adam

Appendix One

Tower Hamlets Council

Sex Establishment Licensing Policy

Introduction

This policy sets out Tower Hamlets Council's proposed approach to regulating sex establishments and the procedure that it will adopt in relation to applications for sex establishment licences.

The policy of the Council is to refuse applications for sexual entertainment venues. This policy is intended to be strictly applied and will only be overridden in genuinely exceptional circumstances. Such circumstances will not be taken to include the quality of the management, its compliance with licence conditions, the size of the premises or its operating hours.

The policy is intended as a guide to applicants, licence holders, people who want to object to applications and members of the Licensing Committee who are responsible for determining contested applications. It also aims to guide and reassure the public and other public authorities, ensuring transparency and consistency in decision making.

When the decision making powers of the Council are engaged each application will be dealt with on its own merits but this policy gives prospective applicants an early indication of whether their application is likely to be granted or not. It also provides prospective applicants details of what is expected of them should an application be made.

The legal controls for sex establishment premises are contained in the Local Governmental (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009.

There are 3 types of sex establishments which fall into the licensing regime:-

Sex shops

Sex cinemas

Sexual entertainment venues

The role of the Council in its position as Licensing Authority is to administer the licensing regime in accordance with the law and not in accordance with moral standing. The Council recognises that Parliament has made it lawful to operate a sex establishment and such businesses are a legitimate part of the retail and leisure industries.

Policy Rationale

The policy has been developed that sets out how the legislation will be administered and applied. The policy identifies how the Council would exercise the licensing regime in relation to sexual entertainment venues.

The policy has been developed to reflect and complement existing Council plans and strategic approach, namely:-

- Tower Hamlets Community Plan.
- Tower Hamlets Crime & Drug Reduction Partnership Plan.
- Tower Hamlets Enforcement Policy.
- Tower Hamlets Core Strategy.
- Tower Hamlets Town Centre Spatial Strategy.
- Tower Hamlets Statement of Licensing Policy (Licensing Act 2003).
- Tower Hamlets Statement of Licensing Policy (Gambling Act 2005).

The policy has also been prepared with regard to:

- Consultation responses
- Human Rights Act 1998
- Equalities Act 2010

The policy seeks to contribute to the “One Tower Hamlets” principle by fostering community cohesion, reducing inequalities and empowering communities. The public consultation that was undertaken concerning the adoption of a nil policy did not have overwhelming support. Therefore careful consideration has been given to the policy response, given the balance that the consultation returns did not give overwhelming support.

Policy Considerations

Existing Licensed Premises

The Council has had the ability to licence sex shops and sex cinemas under the Local Government (Miscellaneous Provisions) Act 1982 for many years.

There are no licensed sex shops in Tower Hamlets.

The businesses that hold premises licences under the Licensing Act 2003 with permissions that will be affected by the adoption of the sexual entertainment venue licensing regime are as follows:-

NAME	ADDRESS
THE BEEHIVE	104-106 Empson Street, London, E3 3LT

Tower Hamlets Council has adopted schedule 3 Local Government (Miscellaneous Provisions) Act 1982 with effect from 1st June 2014 so that it can:

- set a limit on the number of sexual entertainment venues
- determine premises that are appropriate for the borough and
- licence sexual entertainment venues

Sexual entertainment venues are those that regularly provide lap dancing and other forms of live performance or live display of nudity.

Establishments that hold events involving full or partial nudity less than once a month may be exempt from the requirements to obtain a sex establishment licence and applicants are advised to contact the Licensing Team for advice.

Limits on the number of licensed premises

The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management
- A management structure and capacity to operate the venue
- The ability to adhere to the standard conditions for sex establishments

The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

Location of premises

The Council's policy is that there is no locality within Tower Hamlets in which it would be appropriate to license a sex establishment. Accordingly, the appropriate number of sex establishments for each and every locality within Tower Hamlets is zero.

As previously stated in the policy the Council will treat each application on its own merits however applicants should be aware that the Council will take into consideration the location of the proposed premises and its proximity to:

- residential accommodation,
- schools,
- premises used by children and vulnerable persons
- youth, community & leisure centres,
- religious centres and public places of worship
- access routes to and from premises listed above
- existing licensed premises in the vicinity

Impact

In considering applications for the grant of new or variation applications the Council will assess the likelihood of a grant causing impacts, particularly on the local community.

The Council will take the following matters into account:

- the type of activity
- the duration of the proposed licence
- the proposed hours of operation
- the layout and condition of the premises
- the use of other premises in the vicinity
- the character and locality of the area
- the applicant's previous knowledge and experience
- the applicant's ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant

- any reports about the applicant and management of the premises received from residents, Council officers or the police
- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers
- crime and disorder issues
- cumulative impact of licensed premises, including hours of operation
- the nature and concerns of local residents
- any evidence of complaints about noise or disturbance caused by premises
- planning permission and planning policy considerations

In considering applications for renewal the Council will take into account

- the applicant's ability to minimise the impact of their business on local residents and businesses
- any reports about the licensee and management of the premises received from residents, Council officers or the police
- whether appropriate measures have been agreed and put into place to mitigate any adverse impacts
- any evidence of complaints about noise or disturbance caused by premises

In considering applications for transfer the Council will take into account:

- the applicants previous knowledge and experience
- the applicants ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant
- any reports about the applicant and management of the premises received from residents, Council officers or the police

- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers

Applicants

Where appropriate the Council expects applicants to:

- demonstrate that they are qualified by experience
- have an understanding of general conditions
- propose a management structure which will deliver compliance with operating conditions for example through
- Management competence
- Presence
- Credible management structure
- enforcement of rules internally – training & monitoring
- a viable business plan covering door staff, CCTV
- policies for welfare of performers
- demonstrate that they can be relied upon to act in best interests of performers through remuneration, facilities, protection, physical and psychological welfare
- have a transparent charging scheme with freedom from solicitation
- a track record of management compliant premises or employ individuals with such a track record

New applicants may be invited for interview by the Licensing Officer and /or Police Officer prior to the application being referred to the Licensing Committee for determination.

Applications from anyone who intends to manage the premises on behalf of third party will be refused.

Premises appearance and layout

The Council expects premises to:-

- have an external appearance which is in keeping with the locality
- prevent the display outside the premises of photographs or other images which may be construed as offensive to public decency

- adequate lighting to allow monitoring of all public areas
- surveillance by CCTV
- surveillance by CCTV of all private booths

Conditions

The council will prescribe, and from time to time revise, standard conditions which will apply generally to licences that the council will grant or renew.

Through standard conditions the council seeks to ensure that sexual entertainment venues are well managed and supervised, restrict the sexual entertainment activities and the manner in which they are permitted to be provided, protect performers, and control the impact of the venue and its customers in relation to its locality.

Specifically, standard conditions could include measures which are found in the appendix of this policy.

The Application Process

Making a new, renewal, transfer or variation application

The Act requires the Council to refuse all application if the applicant:

- Is under the age of 18 or
- Has had their licence revoked in the last 12 months or
- Is not resident in the UK, or has not been a UK resident for the last 6months
or
- Has been refused an application in the last 12 months or
- Is a corporate body which in not incorporated in the UK

Applications forms and details of current fee levels are available:

- on the Council's website ([www.towerhamlets .gov.uk](http://www.towerhamlets.gov.uk))
- from the Licensing Team on 020 7364 5008
- by email to [licensing@towerhamlets .gov.uk](mailto:licensing@towerhamlets.gov.uk)

The Council prefers to receive electronic applications and *offers a choice off payment options the details of which are contained in the application pack.*

The Council expects the premises to have planning consent for the intended use and hours of operation, or otherwise have lawful planning status before making an application for a new licence.

In order for the application to be valid the applicant must:

- Submit the completed application form
- Pay the application fee
- Submit a floor plan, drawn to scale showing the layout of the premises(new applications only)
- Submit a location plan (1;1250) showing the location of the premises(NB. plans will not be required for transfers nor renewal applications)
- 2 passport size photos of the applicant where the applicant is an individual rather than a limited company
- 2 passport size photos of the manager if applicant is a limited company(NB: photos will only be required if there has been a change of applicant or manager since the last application)
- Display an A4 notice at the proposed premises for 21 days following the date that the completed application is submitted setting out the application details. The notice must be in a prominent position so that it can be easily read by passers-by. A notice template will be provided with the application form.
- publish a notice on at least one occasion in a local newspaper, during the period of ten working days starting on the day the application was given Council. The advert can be any size or colour but must be readable.

Applicants who wish to advertise the application in another local newspaper are advised to contact the Licensing Team beforehand, to confirm that it is acceptable.

On receipt of a valid application the Council will consult:

- The Police
- The Fire Brigade
- Building Control
- Health and Safety
- Ward Councillors

For new and variation applications the Council will also consult:

- Development Control Team
- Local residents living within 50m of the premises

Authorised Officers from the Council, Fire Brigade and Police may choose to inspect the premises and require works to be carried out to bring the premises up to the required standard before the premises can be used for licensable activities.

The Council will not determine an application for a licence unless the applicant allows an authorised officer reasonable opportunity to enter the premises to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

Representations

Anyone wishing to object to the application must submit a representation, in writing, within 28 days of the date that the valid application was received by the Council.

Representations can either be submitted via

- Our website: www.towerhamlets.gov.uk
- Email to: licensing@towerhamlets.gov.uk
- Post to: Consumer and Business Regulations, Licensing Team, 6th Floor, Mulberry Place, 5 Clove Crescent, E14 2BG.

A person making a representation must clearly state their name, address, and the grounds for objecting to the application and indicate whether they consent to have their name and address revealed to the applicant. Copies of representations will be made available to the applicant 14 days before the committee hearing.

The Council will not consider objections that are frivolous or vexatious or which relate to moral grounds (as these are outside the scope of the Act).

The Council prefers to receive electronic representations.

Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the

decision to allow a late objection to be considered. In making such a decision the Council will take into account:

- The length of the delay
- The amount of time that the applicant has to consider the representation before the hearing date
- If other representations have been received before the deadline

Determining an application

Applications with no representations will be approved under delegated authority to officers.

Applications with representations recommending that conditions be attached to the licence and which are acceptable to both the applicant and person making the representation can be approved under delegated authority to officers.

All other contested applications will be referred to the Licensing Committee for determination. The applicant, anyone making a representation and the ward Councillors will be notified the date, time and venue of the hearing and invited to attend to address the committee in person.

Applications can take up to 14 weeks to be determined. If an application is likely to take longer than 14 weeks to determine the Council will notify the applicant in writing before this deadline. Applications for sex establishment licenses are exempt from the tacit consent provisions of the EU Services Directive on the grounds of public interest and the legitimate interests of third parties.

The applicant will be notified in writing about the outcome of their application within 5 working days of the decision being made.

Sex Establishment licences are usually issued for 12 months, but can be issued for a shorter period if deemed appropriate.

In order to continue operating as a sex establishment the licence holder must make a renewal application prior to the expiry of the existing licence.

Appeals

Any applicant who is aggrieved by a decision to refuse an application or by the imposition of any conditions can appeal to the Magistrates Court within 21 days of receiving the decision in writing.

Grounds for refusing an application

1. The applicant is unsuitable to hold a licence by reason of having been convicted of any offence or for any other reason
2. That if the license were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a license if he made the application himself
3. That the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality
4. That the grant or renewal of the license would be inappropriate, having regard:-
 - a. to the character of the relevant locality
 - b. to the use to which any premises in the vicinity are put; or
 - c. to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

Transitional Arrangements

Broadly speaking, those existing sexual entertainment venues (lap dancing clubs etc) with a premises licence under the Licensing Act 2003, under which it is lawful to provide such entertainment, will continue to be able to operate for one year after the Council adopts the 2009 Act provisions or, if later, the determination of any application submitted during that year.

The 'transitional period' will last for 12-months beginning with the date that the Council resolves that Schedule 3 as amended by the 2009 Act will come into force in their area ('the 1st appointed day'). Six months following the 1st appointed day will be known as the '2nd appointed day' and the day on which the transitional period ends will be known as the '3rd appointed day'

Existing Operators

To allow time to comply with the new regime, existing operators, who, immediately before the 1st appointed day, have a 2003 Act licence and lawfully use premises as a sexual entertainment venue under that licence or are undertaking preparatory work to use the venue in that way will be allowed to continue to provide relevant entertainment until the 3rd appointed day or the determination of any application they have submitted before that time (including any appeal against the refusal to grant a licence), whichever is later

For the purposes of the Transition a "2003 Act Licence" means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

"Preparatory work" refers to work carried out by an operator, such as a refurbishment or refit, in order that they can use the premises as a sexual entertainment venue in the future. The operator will have been granted a 2003 Act licence before the 1st appointed day but will not have used the premises as a sexual entertainment venue by that date. It is likely that such operators will be known to the Council. However, where a dispute arises between the Council and

a licence-holder over whether the licence-holder qualifies as an existing operator by virtue of this provision the Council will need to seek evidence from the licence-holder to demonstrate that they clearly intended to operate a sexual entertainment venue in the future and work had been done to achieve this end.

For the purposes of the Transition a “2003 Act Licence” means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

Appointed Days

1st Appointed Day

The day on which the Sexual Entertainment Venue regime comes into force in the Borough and the beginning of the transitional period (1st June 2014)

2nd Appointed Day

The day 6 months after the 1st appointed day (1st December 2014)

3rd Appointed Day

The day 6 months after the 2nd appointed day and the end of the transitional period (1st June 2015)

New Applications

New applicants are people who wish to use premises as a sexual entertainment venue after the 1st appointed day but do not already have a premises licence or club premises certificate to operate as such under the 2003 Act or do have such a licence but have not taken any steps towards operating as such. After the 1st appointed day new applicants will not be able to operate as a sexual entertainment venue until they have been granted a sexual entertainment venue licence

Determining Applications Received On or Before the 2nd Appointed Day

Applicants will be able to submit their application for a sexual entertainment venue from the 1st appointed day onwards.

As the Council is able to refuse applications having regard to the number of sex establishments they consider appropriate for a particular locality, all applications made on or after the 1st appointed day but on or before the 2nd appointed day shall be considered together. This will ensure that applicants are given sufficient time to submit their application and all applications received on or before the 2nd appointed day are considered on their individual merit and not on a first come first serve basis.

No applications shall be determined before the 2nd appointed day. After the 2nd appointed day the appropriate authority shall decide what if any licences should be granted. If a new applicant is granted a licence it will take effect immediately. If an existing operator is granted a licence, it will not take effect until the 3rd appointed day, up to which point they will be allowed to continue to operate under their existing premises licence or club premises certificate.

Determining Applications Received After the 2nd Appointed Day

Applications made after the 2nd appointed day shall be considered when they are made but only once all applications made on or before that date have been determined. However, reference to determination here does not include references to the determination of any appeal against the refusal of a licence.

As with applications received on or before the 2nd appointed day, licences granted to new applicants shall take effect immediately and licences granted to existing operators shall take effect from the 3rd appointed day or, if later, the date the application is determined.

Outstanding Applications

The Council will attempt where possible to determine outstanding applications made under the 2003 Act, which include an application for the provision of

relevant entertainment, before the date that Schedule 3 as amended by the 2009 Act comes into force in their area.

Where it has not been possible to determine application before the 1st appointed day, applicants will need to submit an application for a sex establishment licence as set out in Schedule 3 if they wish to provide relevant entertainment. From the 1st appointed day onwards outstanding applicants shall be dealt with as though they are new applicants
