Tower Hamlets Equality Policy recognises that this can only be done by working with our partners to advance equality, promote good community relations and tackle discrimination. The Council believes that diversity of our community is one of our greatest strengths and assets. We value the strength that comes with difference and the positive contribution that diversity brings to our community. This includes achieving equality and inclusion in all that we do, to improve the quality of life and</i></p>	<p>Addition of Public Sector Equality, and links to Statement of Licensing Policy. The Equality Policy seeks to embed equality throughout the council's plans, services and activities to ensure it is a key driver for everything we do. As a Licensing Authority we want to do all that we can do to ensure our borough is open and accessible to all.</i></p> <p><i>4.2 It is unlawful for any venue to discriminate against anyone based on race, sex, sexual orientation, age, or any of the protected characteristics under the Equality Act 2010. In our view equality and inclusion extends beyond this definition within the 2010 Act. Any type of discrimination be it intentional or subconscious is inherently damaging for the individual, our wider community and our economy. Moreover, it actively harms the interests of licensed premises and the licensed industry.</i></p> <p><i>4.3 Tower Hamlets is a diverse and culturally rich borough. It is a microcosm of London and has the fastest population growth in the country because we are a very special place and people want to live and work here. We have always been a gateway for people of all backgrounds to come and better themselves. As part of London's east end, we are enriched by the significant contributions made by a diversity of communities and migrant groups and boast a proud history of collective action against racism and bigotry. Altab Ali Park is an iconic area in the borough that speaks to the richness of this history. Yet, it is only one of the many Parks that has historical importance within the borough, many of which are often used to host small community events to large music festivals. We want to celebrate and build on this, which means we need to hold ourselves, as well as the venues and businesses we licence to account to ensure that together we continue to promote and offer equal opportunities and inclusive experiences for everyone.</i></p> <p><i>4.4 Duties as a License Holder to Equality</i></p>	<p>Addition of Tower Hamlets Not Place for Hate Campaign as requested by Community Safety</p>
--	--	---

Applicants and licensees must make themselves familiar with the law and their responsibilities set out within the Equality Act 2010 and relevant guidance for businesses, which can be found on the Equality & Human Rights Commission website. The 2010 Act makes discrimination against any person (including employees and customers) unlawful. The 2010 Act defines the relevant protected characteristics as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation. Any activity in breach of the 2010 Act may be considered an offence and will lead to enforcement by the Equality and Human Rights Commission.

As part of Tower Hamlets No Place for Hate (NPFH) Campaign we would encourage all licence holders and new applicants to sign our Organisational pledge against hate. Organisations who sign this pledge are published on the website. This helps promote equality within our borough.

4.5 Public Sector Equality Duty

The Council must have regard to its public sector equality duty under the 2010 Act. In summary a Public Authority must, in the exercise of its functions, have due regard to the need to:

- eliminate discrimination, harassment, victimisation, and any other conduct that is prohibited by or under this Act.*
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.*
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it.*

	<p>4.6 <i>Expectation on Licence holders and applicants to equality and inclusivity</i> <i>There is no one size fits all approach to making a venue inclusive, and each operator will need to make an assessment of its own practices and policies. However, the following are common and best practice examples that could be adopted:</i></p> <ul style="list-style-type: none"> • <i>Inclusive and transparent policies (for example, admittance policies may clearly stipulate adherence to a dress code and refusal if there are concerns about a customer; however, they must not prevent admittance based on any of the protected characteristics).</i> • <i>Robust complaints procedures that make it easy for customers who feel they have been discriminated against to raise their concerns and understand how this will be investigated or managed.</i> • <i>Accessible venue layouts that make venues welcoming.</i> • <i>Comprehensive training on equality and inclusion for all staff, which is regularly refreshed.</i> <p>4.7 <i>Using the Licensing Process to promote equality and inclusivity</i></p> <p><i>This Authority will use the Licensing Process to ensure both Operators and the Council are compliant in carrying out their legal obligations. This includes:</i></p> <ul style="list-style-type: none"> • <i>Providing pre-application advice to applicants.</i> • <i>Determining licensing applications and reviews.</i> • <i>Making representations as a responsible authority.</i> • <i>Applying for reviews in appropriate circumstances.</i> • <i>Defending appeal decisions</i> <p><i>In essence this means that the Council through this licensing process will identify applicants that do not provide sufficient information on how they are promoting equality and inclusivity and could make a representation to require that the</i></p>

	<p><i>applicant address the issue or explain to members of the Licensing Sub-Committee why they have not done so.</i></p> <p>4.8 Tower Hamlets Commitment to Equality and Inclusivity</p> <p><i>Over the duration of this Statement of Licensing Policy Tower Hamlets as a Licensing Authority will:</i></p> <ul style="list-style-type: none"> <i>• Ensure that any strategy or policy affecting the licensed industry is always underpinned by the promotion of equality and inclusivity.</i> <i>• Provide where possible advice and support to Licence Holders and Applicants on promoting equality and inclusivity by signposting them to internal and external bodies that can provide expert guidance.”</i> 	
Page 7 (10 on reviewed Policy)	<p>Delete Paras 4.13 and 4.14 (now 5.13 and 5.14) and replace with below paras:</p> <p><i>“This Licensing Authority will ensure that any conditions added to a licence/authorisation are enforceable and proportionate and are consistent with the general principles for licence conditions detailed the Secretary of State’s Guidance. We encourage applicants’ responsible authorities and other persons to have regard to this Guidance when considering additional conditions. We also encourage the use of words such as “must”, “shall” and “will” when deciding the wording of any condition.</i></p> <p><i>Licensing laws are not the primary method of for general control of nuisance and anti-social behaviour by individuals once they are away from any licensed premises, thus being beyond the direct control of the Licensee/Certificate holder or holder of any other such authorisation (e.g. Temporary Event Notice). However, it is a key aspect of control and licensing laws will always be part of an overall approach to the management of the evening and night time economy.”</i></p>	Update as per Home Office Guidance, and to give better clarity on wording of conditions.

Page 8 (11 on reviewed Policy)	Delete para 4.16 and 4.17. Recognition of Licensed Trade’s benefit to Borough.

In such circumstances the Licensing Authority will follow the Secretary of State's Guidance and the House of Commons Briefing Paper, dated 6th July 2018: Alcohol: objecting to a licence. In these circumstances the Licensing Authority may decide to withhold some or all of the person's personal details from the applicant, giving only minimal details (such as street name or general location within a street). Use of nitrous oxide is also a health concern and has other associated harms.</i></p> <p><i>As a result, this Licensing Authority expects Licence Holders to refuse entry to any person seen use or selling NOx as a psychoactive Substance. Refusals should also be entered into Licence Holders refusals logs.</i></p> <p><i>Where its discretion is engaged this Licensing Authority impose conditions to formally require refusal of persons seen selling or using NOx as a psychoactive Substance.</i></p> <p>Drinks spiking – <i>in reference to the Local Governments Association (LGA) Guidance note on drink spiking prevention, this Licensing Authority expects licence holders and applicants to have a zero-tolerance policy towards drinks spiking. This involves as a minimum ensuring all reports of spiking are acted upon and that all incidents of alleged spiking are recorded and reported to the police. Licence holders and applicants should also be aware of the Metropolitan Police’s definition of drink spiking:</i></p> <p style="padding-left: 40px;"><i>“Spiking is where someone adds drugs or alcohol to another person’s drink without them knowing, it is illegal.”</i></p> <p><i>The LGA has set some recommendations for Licence holder, and we would expect our Licence holders to follow these where appropriate to their venues:</i></p> <p>https://www.local.gov.uk/publications/lga-guidance-note-drink-spiking-prevention#recommended-actions-for-licensed-premises-</p> <p><i>Applicants for new and variations of exiting licences as well as those submitting TENs are expected to work with the Metropolitan Police in order to consider actions needed to prevent drinks spiking in their venues/events</i></p>	<p>restrictions, and use of party boats. Gives our stance on these issues and what we expect from applicants/licensees.</p>
--	--	---

Where its discretion is engaged this Licensing Authority will impose conditions on licences aimed at preventing drinks spiking, specifically any recommended by the metropolitan police.

Welfare and Vulnerability – *This Licensing Authority believes that all Licensed venues should train their staff in Welfare and Vulnerability Engagement (WAVE). As of 2023 this Licensing Authority in partnership with the Metropolitan Police and the London Borough of Hackney is delivering monthly WAVE training sessions for Licensed venues within both Tower Hamlets and Hackney. As a result, we expect that all Licensed venues who sell alcohol for consumption on their premises should train their staff in WAVE and adopt Ask for Angela or similar initiatives aimed at assisting vulnerability within alcohol licensed venues.*

Sexual Harassment in the Night Time Economy – *sadly this is still an issues for women working in and visiting licensed venues in London. As a result, this Licensing Authority encourages Licensed venues to sign up to the Mayor of London’s Women’s Night Safety Charter:*

<https://www.london.gov.uk/programmes-strategies/arts-and-culture/24-hour-london/womens-night-safety-charter>

As well as the Women’s Night Safety Charter we would encourage applicants and licence holders to discuss applications with the Council’s Violence Against Women and Girls Service, who can provide advice and training to venues on preventing misogyny within licensed premises.

Lastly, we expect Licence Holders to take a zero-tolerance approach to misogyny within their venues where this is towards customers or employees. We would expect refusal in the first instance of acts of misogyny and reporting to the metropolitan police.

	<p>Party Boats – <i>An increasing number of complaints have been received in London Boroughs that boarder the River Thames in relation to “Party Boats”, which use the River. In respect of this we would encourage applicants for Party Boats to consider adopting the conditions listed in our Model Conditions in Appendix 3, where appropriate to promote the Licensing Objective of Prevention of Crime and Disorder. Furthermore, where its discretion is engaged, this Licensing Authority may add one or more of the boat conditions from our Model Conditions.”</i></p>

Then Add “<i>Olympic Park – Football Ground conditions in our Model Conditions in appendix 3.</i>” Then Delete sub para 1).</p>	Move conditions to Appendix 3 – Model Conditions.
Page 16 (20 on reviewed policy)	<p>After para 8.6 (now 10.6) insert new para: <i>“<u>Martyn’s Law</u> – This will place a requirement on those responsible for certain locations/premises to consider the threat from terrorism and implement appropriate and proportionate mitigation measures, see link below. Numerous licensed premises within the borough may fall within the scope of this legislation. The law is likely to come into force in 2024/25, or sooner. Thus, Licence holders and applicants should consider the threat from terrorism and implement appropriate and proportionate mitigation measures. In particular they should consider completing Police ACT Training: https://ct.protectuk.police.uk/ https://www.protectuk.police.uk/news-views/martyns-law-what-you-need-know”</i></p>	Added after consultation with Community Safety. Encourages licence holders to consider the threat from terrorism.

Page 16 (22 on reviewed Policy)	<p>Replace para 9.2 now (11.2) with the below: <i>“Like many London boroughs, Tower Hamlets has many areas of the borough where businesses and residents are “cheek by jowl” with each other. Thus, the correct balance needs to be adopted ensuring residents are not unduly disturbed by licensed premises, whilst ensuring this does not stifle growth in the licence trade.”</i></p>	<p>Changed following consultation with Environmental Health - Noise</p>
Page 16 (22 on reviewed Policy)	<p>After para 9.2 (now 11.2) Add the below paras.</p> <p><i>“Though all licensed premises must promote the licensing objectives, and thus actively try to prevent public nuisance being caused by their licensable activities, there are some factors that this Licensing Authority would expect to applicants to consider and where appropriate address in their operating schedule. These are:</i></p> <ul style="list-style-type: none"> <i>a) Music/performances Measures to reduce impact of noise on residents</i> <i>b) Queue management Measure to prevent obstruct access to properties, pavements. Measure to reduce the impact of people noise on residents</i> <i>c) Ingress and Egress Measure to prevent people noise during ingress and egress</i> <i>d) Use of outside areas (see 11.7 below)</i> <i>e) Deliveries, particularly pick-ups by vehicles Measures to prevent noise/fumes from engines, drivers (including smoking),</i> <i>f) Bottle disposal Done at reasonable time to prevent impact on residents e.g. between 8am and 8pm</i> <i>g) Litter Measures to prevent littering around the venue from patrons</i> 	<p>Changed following consultation with Environmental Health - Noise</p>

	<p><i>The Licensing Authority appreciates that it would not be necessary or appropriate for all applications to have measures to prevent the above issues. Nevertheless, we will take a strong view on applications for licences that are in close proximity to residential premises, and whose intended use has a higher likelihood of causing public nuisance. This also includes those applications in areas covered by a Cumulative Impact Assessment (CIA). Especially where the applications falls outside the scope of any exceptions to such CIAs.”</i></p>	
Page 16 (22 on reviewed Policy)	<p>Para 9.3 (no 11.4) after the word “identified” Delete the remainder of the sentence and Replace with: <i>“listed above, or any other conditions it considered appropriate and proportionate to promote the licensing condition of prevention of public nuisance.”</i></p>	Better clarity considering para changes above, changed as part of Environmental Health – Nosie response to consultation.
Page 17 (23/24 on reviewed Policy)	<p>After para 9.5 (now 11.8) Add the below Paras: <i>“Beer Gardens and outside areas – since the ending of the restrictions imposed during the Coronavirus pandemic, we have seen an increase the use of outside areas. This has also been encouraged by Government under the Business and Planning Act 2020. We want to strike the right balance between allowing businesses to thrive whilst still protecting residents of the borough being unduly disturbed by the night time economy. Hence, we would encourage applicants address this concern in their operating schedule by detailing what mitigating measures they intend adopt to reduce any disturbance the use of the outside area is likely to have on neighbouring residents. Such measures could include:</i></p> <ul style="list-style-type: none"> • <i>limiting the amount of patrons permitted in the outside area, and/or,</i> 	Addition of our expectation for applicants in relation to Beer Gardens and Outdoor Space, and Party Boats. This is in response to changing trends in recent years.

	<ul style="list-style-type: none"> • <i>restricting the use of areas after a certain time,</i> • <i>ceasing its use after a certain time.</i> <p><i>Where disturbance of residence from outside areas is likely, and where its discretion is engaged, this Licensing Authority may add conditions limiting the numbers of person permitted to use any outside areas, and/or seek to cease the use of any outside areas after 21:00 hours.</i></p> <p>Party Boats – <i>An increasing number of complaints have been received in London Boroughs that boarder the River Thames in relation to “Party Boats”, which use the River. In respect of this we would encourage applicants for Party Boats to consider adopting the “Boat” conditions, listed in our Model Conditions in Appendix 3, where appropriate to promote the Licensing Objective of Prevention of Public Nuisance. Furthermore, where disturbance of residence from these party boats is likely, and where its discretion is engaged, this Licensing Authority may add one or more of the boat conditions from our Model Conditions.”</i></p>	<p>This has been slight amended by Environmental Health – Noise as part of the response to the consultation, this mainly relates to the bullet points, and first sentence of the Part Boats para.</p>
