Children and Families Partnership Strategy

12 October 2023

The Children and Families Partnership

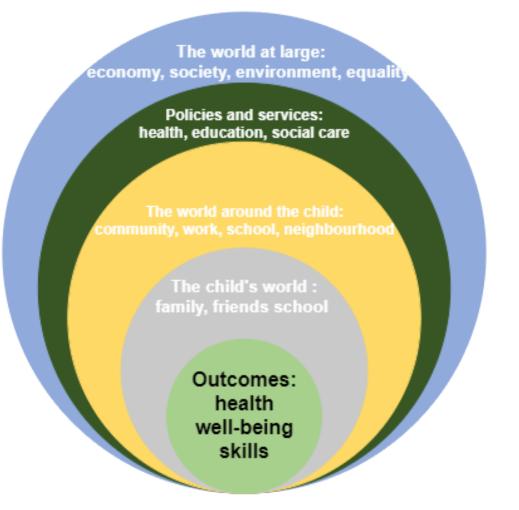

Babies, children, young people and their families

Why a Children and Families partnership?

Some examples of our collaboration

Supporting families during the pandemic

Cost of living, universal free school meals expansion, EMA and bursary programmes

Family hubs and a new approach to early help across 4 localities

Race equality in schools and governing bodies

Play charter

Asthma and wheeze collaboration

Young scrutineers in our safeguarding children partnership

Our child population

64,250 under 18's

84% under 16's from a non-White background, including 57% Bangladeshi heritage 18% pupils have special educational need or disability 301 children we care for

1 in 4 living in a low income family 16% of households are overcrowded

% babies are born at a low weight 52.7% of eligible two year olds take up the free education entitlement 60.5% five year olds have a good level of development

98% of primary & 89% secondary pupils in good/outstanding schools 66% year 6 pupils at expected standard in reading, writing and maths 54.5% achieved grade 5+ in English and Maths C+ average A level result

73.5% 5 year-olds received 2 doses of MMR 20.5% of reception age children, and 45.7% of year 6 children overweight or obese. 29.5% 5 year olds have visually obvious dental decay

142 first time entrants to the criminal justice system per 100,000 10-17 year olds

The changing context

- A new Mayor and an administration which is ambitious for children and young people and committed to tackling the cost of living and housing crisis
- The pandemic and cost of living crisis: a large and lasting impact on children, families and our workforce
- Our strengthened partnerships with each other and engagement with families and children
- Policy changes in children's social care and SEND provision
- New developments in integrated locality working and Family Hubs
- A new health and social care partnership landscape

Our proposed vision and values

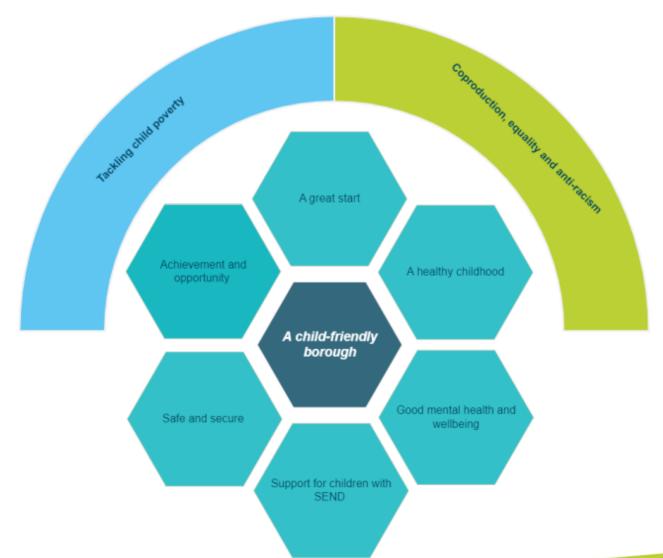

A child-friendly borough where children and young people from all backgrounds thrive, achieve their best, have opportunities, and are listened to.

- Child-focused
- Working with the whole family, with a collaborative and co-production approach;
- Strengths-based and trauma informed
- Recognising and working actively to combat discrimination and racism

Priority outcomes

Delivering the strategy
