## M

Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

The licence will be displayed in our catering areas and also at both receptions to the premises.

**b) The prevention of crime and disorder**

The primary reason for applying for this licence is for the University to hold private, corporate events, to promote the work of the University and the Students. We will also hold events for current students which will be managed through the University events team, taking into account the Universities safe guarding policy.

As a management policy, during the week attendance at events are primarily students and staff of the University and their bona fide guests. University supplied identification can be requested at any time and all ID cards can be traced through a central database system.

The University has strict disciplinary measures to deal with inappropriate behaviour in the venue. At any event that is open to the wider general public, we will promote the event or deal with reputable promoters and community groups to reduce the likelihood of crime.

At each event where security staff are required, we will use SIA licensed door security staff who will monitor all areas within the venue.

London Metropolitan University operates a zero tolerance policy towards the use of drugs, all staff are trained in the implementation of the policy and notices are displayed around the venue.

**c) Public safety**

London Metropolitan University, is committed to ensuring that its students, staff and visitors can enjoy our events in a safe environment. We have and will continue to work with all relevant authorities to ensure continued focus is given to the safety of our clientele.

Events taking place are all risk assessed and staff are fire trained in fire safety procedures.

The University has a Health & Safety department who undertake risk assessments of the spaces and events. Advise on the implementation of Health and Safety management systems and procedures. Principal accountabilities include:

1. Producing the full range of health, safety and environmental policies and procedures in compliance with current legislation and guidance
2. Prepare and present health, safety and environmental training courses for all levels of university staff.
3. Audit all University sites in a proactive manner to ensure implementation of all health and safety policies.
4. To give advice and specific requirements related to health and safety
5. Managing a disabled access audit of the University and subsequent action plan of remedial works.

#### **d) The prevention of public nuisance**

London Metropolitan University is sensitive to the needs and expectations of residents and businesses in the vicinity. We are committed to minimising any disturbance associated with our premises and will work with the local authority to prevent public nuisance by promoting effective management and operation of our venue.

#### **e) The protection of children from harm**

Events taking place will ordinarily have controlled access to over 18s only. However community, cultural and family based events take place, where those under 18 would be encouraged to participate. In order to ensure that children are not exposed to inappropriate influences, the management will ensure the following:

1. Unaccompanied under-18s will only be permitted to enter events where the primary activity is **NOT** the sale of alcohol.
2. Under-16s must be accompanied at all times by an adult or be attending a pre-booked event where adequate responsible supervision is undertaken by the event organizer.

Where an event is to be held and under-18s are to be admitted, we will ensure adequate numbers of adult staff are available to ensure the safety and well being of the admitted children during an emergency. This ratio will be agreed upon after consulting with the Council's Children and Families Service.

If an event takes place where alcohol sales take place then we will operate under the challenge 25 process.

**Staff Security Checks**

In order that children are not put at risk from dealing with our staff, the following measures will be made:

1. All operational management will be put forward for the qualification and application process to enable them to hold a Personal Licence and will complete the necessary Criminal Records Bureau / Police checks.
2. All door security staff will hold an SIA Licence and will complete the necessary Criminal Records Bureau / Police checks.

**Checklist:**

**Please tick to indicate agreement**

•	I have made or enclosed payment of the fee.	✓
•	I have enclosed the plan of the premises.	✓
•	I have sent copies of this application and the plan to responsible authorities and others where applicable.	✓
•	I have enclosed the consent form completed by the individual I wish to be designated premises supervisor, if applicable.	✓
•	I understand that I must now advertise my application.	✓
•	I understand that if I do not comply with the above requirements my application will be rejected.	✓
•	[Applicable to all individual applicants, including those in a partnership which is not a limited liability partnership, but not companies or limited liability partnerships] I have included documents demonstrating my entitlement to work in the United Kingdom or my share code issued by the Home Office online right to work checking service (please read note 15).	✓

It is an offence, under Section 158 of the Licensing Act 2003, to make a false statement in or in connection with this application. Those who make a false statement may be liable on summary conviction to a fine of any amount.

It is an offence under Section 24b of the Immigration Act 1971 for a person to work when they know, or have reasonable cause to believe, that they are disqualified from doing so by reason of their immigration status. Those who employ an adult without leave or who is subject to conditions as to employment will be liable to a civil penalty under section 15 of the Immigration, Asylum and Nationality Act 2006 and pursuant to Section 21 of the same act, will be committing an offence where they do so in the knowledge, or with reasonable cause to believe, that the employee is disqualified.

**Part 4 – Signatures** (please read guidance note 11)

**Signature of applicant or applicant’s solicitor or other duly authorised agent** (see guidance note 12). **If signing on behalf of the applicant, please state in what capacity.**

<b>Declaration</b>	<ul style="list-style-type: none"> <li>[Applicable to individual applicants only, including those in a partnership which is not a limited liability partnership] I understand I am not entitled to be issued with a licence if I do not have the entitlement to live and work in the UK (or if I am subject to a condition preventing me from doing work relating to the carrying on of a licensable activity) and that my licence will become invalid if I cease to be entitled to live and work in the UK (please read guidance note 15).</li> <li>The DPS named in this application form is entitled to work in the UK (and is not subject to conditions preventing him or her from doing work relating to a licensable activity) and I have seen a copy of his or her proof of entitlement to work, or have conducted an online right to work check using the Home Office online right to work checking service which confirmed their right to work (please see note 15)</li> </ul>

Dear Licensing Authority,

**Licensing Act 2003**  
**New premise licence London Metropolitan University**  
**16 Goulston Street E1 7TP**

The Licensing Authority (acting a Responsible Authority) is making a representation against the above application.

**Special Cumulative Impact Policy for the Brick Lane**

***This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.***

*The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.*

*The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.*

***This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane CIA if they wish to rebut this presumption.***

*The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons*

against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.

Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:

- Prevention of Crime and Disorder;
- Prevention of Public Nuisance.

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

#### **Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments**

- Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;
  - Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,
  - Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away), and,
  - Have arrangements to prevent vertical drinking, for example fully seated venues;
- Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments),
- Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

#### Licensable activities and times

The Licensing Authority has had regard to the Guidance to the Act when determining this policy. The end times set out in the policy are not (and should not be regarded as) the 'usual' or 'normal' terminal hour for licensable activities in the Borough. Instead, the 'framework hours' serve to identify cases where the Licensing Authority will pay particular regard to the likely effect on the local neighbourhood of carrying out the proposed licensable activities during the hours applied for. Applications for hours up to the end of the Framework Hours will not automatically be granted. This policy will be applied

*only where relevant representations are made. Each case will be considered on its merits.*

- *Sunday* – 06:00 hours to 22:30 hours
- *Monday to Thursday* – 06:00 hours to 23:30 hours
- *Friday and Saturday* – 06:00 hours to 00:00 hours (midnight)

*Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.*

- a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).*
- b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.*
- c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder and the prevention of public nuisance.*
- d) Where the premises have been previously licensed, the past operation of the premises.*
- e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.*
- f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.*

### The Home Office guidance

under Section 182 of the Licensing Act 2003 (8.42) says:

*“Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:*

- *the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- *any risk posed to the local area by the applicants' proposed licensable activities; and*
- *any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.”*

### Application:

The applicant has described the application as being for, a mix of events taking place on the campus which encompass but not limited to student events, art shows, exhibitions and commercial events.

The applicant has applied for:

**Regulated entertainment:**

- **Plays** (inside and outdoors)  
Monday to Thursday from 08:00 hours to 23:00 hours  
Friday to Saturday from 08:00 hours to 00:00 hours  
Sunday from 08:00 hours to 22:00 hours

**(Amplified sounds outside during the summer)**

- **Films** (inside and outdoors)  
Monday to Thursday from 08:00 hours to 23:00 hours  
Friday to Saturday from 08:00 hours to 00:00 hours  
Sunday from 08:00 hours to 22:00 hours

**(Amplified sounds used outside in the courtyard area (Summer) 09:00- 23:00 hours)**

- **Live and recorded music** (inside and outdoors)  
Monday to Thursday from 08:00 hours to 23:00 hours  
Friday to Saturday from 08:00 hours to 00:00 hours  
Sunday from 08:00 hours to 22:00 hours

**(Amplified sounds used outside in the courtyard area 09:00- 00:00 hours)**

- **Nonstandard timing**  
New Year's Eve, New Year's Day for 24hrs for all licensing activities
- **Performances of dance** (inside)  
Monday to Thursday from 08:00 hours to 23:00 hours  
Friday to Saturday from 08:00 hours to 00:00 hours  
Sunday from 08:00 hours to 22:00 hours
- **Sales of Alcohol** (on sales only)  
Monday to Thursday from 10:00 hours to 23:00 hours  
Friday to Saturday from 10:00 hours to 00:00 hours  
Sunday from 10:00 hours to 22:00 hours

- **Nonstandard timing**

Except on:

Friday – Sunday preceding a Bank Holiday

New Year's Eve, New Year's Day for 24hrs for all licensing activities

The applicant has not acknowledged that the premises falls within a CIA. There is insufficient information on how they intend to uphold the licensing objectives in regards to public nuisance within the CIA. The applicant has not demonstrated how the premises will not have a negative effect on the already saturated area.

The outdoor area during summer months, being used for amplified activities until as late as 00:00 hours, is likely to impact on the local residents and other businesses within close proximity by causing a noise nuisance and therefore this Responsible Authority has great concerns as to how this will be managed effectively.

On a balance of probability, this Authority is concerned by the addition of this premises selling alcohol within the CIA, potentially adding to the existing anti-social issues in the area. The addition of alcohol could cause customers to be in high spirits when leaving the premises and therefore potentially undermining the licensing objectives.

If the applicant is unable to prove to the Licensing Sub-Committee, through the implementation of appropriate conditions within the Operating Schedule, that the granting of the application will not undermine the licensing objectives; then the application should be rejected. However, if the Sub-Committee is minded to grant a licence, then I would ask that the following conditions be attached:

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Tower Hamlets Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.
2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.
3. An incident log shall be kept at the premises, and be available on request to the Police or an authorised officer. It must be completed within 24 hours of any incident and will record the following:
  - a) all crimes reported to the venue;
  - b) all ejections of patrons;
  - c) any complaints received concerning crime and disorder;
  - d) any incidents of disorder;
  - e) all seizures of drugs or offensive weapons;
  - f) any faults in the CCTV system;
  - g) any refusal of the sale of alcohol;
  - h) any visit by a relevant authority or emergency service.

4. A Challenge 21 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.
5. Appropriate communication will be maintained with students and guests, reminding them to leave the premises quietly and notices to that effect will be displayed in the exit areas.
6. Where the premises are open for licensable activities on any day after 20:00 hours, from 21:00 hours, SIA Door Supervisors shall be employed, on the basis of a risk assessment, at the premises until 30 mins after close. Further when engaged, all SIA licensed door supervisors will:
  - a) wear their SIA badges;
  - b) be equipped with closed circuit radios;  
and
  - c) when stationed outside the premises, wear high visibility jackets or vests.
  - d) ask customers not to stand around talking in the street outside the premises and ask customers to leave quickly and quietly.
  - e) will check the toilets every 30 mins and these checks are to be documented, this condition is of nil effect if the toilets are staffed by a toilet attendant.
  - f) Sign in in a register at the start of their shift and sign out at the end of their shift. In this log they will, confirm their full name, date of Birth, SIA registration number, and Contact details (phone number and email address).
  - g) remain on duty for half an hour after the close the venue to ensure all patrons are dispersed from the area.
  - h) monitor any patrons who are in a designated smoking area.
  - i) will have control of clickers ensuring that the venue is not over capacity at any time. Smokers must be included in the clicker count.
7. When SIA are employed at the premises the licence holder will:
  - a) keep a photographic copy of each SIA door supervisor's badge, this will be produced upon request to the Metropolitan Police.
  - b) Employ a minimum of one (1) female SIA door supervisor, where possible; where this is not possible the licence holder will confirm the reasons in an incident report.
8. There shall be always at least one personal licence holder on duty on the premises from 20:00 hours until close when the premises are authorised to sell alcohol.
9. No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.

10. Notices shall be prominently displayed:

- a) at the main exit and the events exit requesting patrons to respect the needs of residents and leave the area quietly.
- b) in the bar area stating that the premises has a zero tolerance towards drugs and weapons.
- c) in the bar area warning of potential criminal activity such as theft that may target customers.
- d) in the bar area advising customers that the premises operates a Challenge 21 proof of age scheme.

11. The premises licence holder will ensure that all bar staff are trained commensurate with their roles at the premises including:

- a) The Licensing Act 2003, responsibilities in supporting the four key objectives.
- b) Crime Scene Preservations
- c) Welfare and Vulnerability Engagement (WAVE) training

12. The premises licence holder will ensure that records of staff training are kept and, subject to the Data Protection act 2018, made available to Responsible Authority Officers on request.

13. The premises licence holder will ensure that refresher training is provided every 6 months.

14. Deliveries of materials necessary for the operation of the bar business shall be carried out at such time or in such a manner as to prevent nuisance and disturbance to nearby residents.

15. The premises licence holder will devise and maintain the following policies:

a) Dispersal

This policy will include but not limited to:

- i. How patrons leaving the premises will be directed away from the premises;
- ii. How patrons will be informed of the services of taxi and private hire operators;
- iii. What staff will be responsible for supervising those leaving the premises and how they will supervise such persons;
- iv. Any 'wind' down periods;
- v. Methods to prevent re-entry to the premises;
- vi. How bottles and glasses will be prevented from being removed from the premises.

b) Security

This policy will include but not limited to:

Clear expectations of staff roles (including the DPS, managers/supervisors and door supervisors);

Staff training regarding identification of suspicious activity and what action to take;

- c) Drugs, this will be a zero-tolerance policy with regard to the use/possession of controlled drugs and psychoactive substances Including but not limited to:

- i. Dealing with patrons suspected of using drugs on the premises;
  - ii. Scrutiny of spaces including toilets or outside areas;
  - iii. The handling of items suspected to be illegal drugs or psychoactive substances.
  - iv. Steps taken to discourage and disrupt drug use on the premises
  - v. Steps to be taken to inform patrons of the premises drug policy/practice.
16. When the premises is open past 22:00 they shall operate a last admittance policy for patrons whereby the last patron shall be admitted to the premises 60 minutes before closing time.
17. Loudspeakers shall not be located in the entrance lobby or outside the premise building.
18. In any area where regulated entertainment is provided, all windows and external doors shall be kept closed at any time when regulated entertainment takes place, except for the immediate access & egress of persons.
19. The external areas including the courtyard shall not be used after 21:30 hours, except for patrons permitted to temporarily leave and then re-enter the premises, e.g., to smoke, and shall be limited to 20 persons at any one time from 21:30 until close.”
20. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.

Yours faithfully

**Subject:** New Premises Licence Application London Metropolitan University - 16 Goulston Street London E1 7TP - MA 162720

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Dear Licensing,

Hope you are well

2. I have considered the premises license application for – London Metropolitan University 16 Goulston Street, London, E2 9BU or and the potential impact of public nuisance and measures to prevent noise generated from within the premises which could cause disturbance to people in the vicinity. Consideration also has to be given to the fact that the premises is within Brick Lane Cumulative Impact Zone.

3. There is insufficient information in the operating schedule of the licence application to show how the applicant will promote the licensing objective for the prevention of public nuisance. The section d in page 19 under public nuisance stated “ *London Metropolitan University is sensitive to the needs and expectations of residents and businesses in the vicinity. We are committed to minimising any disturbance associated with our premises and will work with the local authority to prevent public nuisance by promoting effective management and operation of our venue.* ” These statements are general and not sufficient for considering the impact on public nuisance from the premises, which is so close to residential properties opposite to the premises.

Noise Sensitive premises: in close proximity to residential flats.

4. In conclusion, Environmental Protection does not support the application for the following reasons:

- The applicant has not provided sufficient information to show how they will promote the licensing objective for the prevention of public nuisance.
- The premises is located in Brick Lane Cumulative Impact Zone.
- There is great likelihood of disturbance to residential premises.

5. If the committee are minded granting this application, I would ask the follow conditions: -

- No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises, which gives rise to a public nuisance.
- Notices shall be prominently displayed at all exits requesting users to respect the needs of local residents and businesses and leave the area quietly. And no loitering of users outside the premises .

Thanks and best regards,

Dear Licensing team,

I am writing to object to the premises application for the above. The area is already oversaturated with establishments that provide/sell alcohol.

Local residents already suffer from noise nuisance and anti-social behaviours at all hours of the day and night.

Granting this application will only add to the ever increasing issues of drunken behaviour, alcohol related antisocial behaviour and crime.

I would urge that the committee refuse this application.

Thank you

**To:** Licensing  
**Subject:** Complain of premises license

This is a complaint regarding your premises licence of 16 Goulston Street. The success of this premises licence would enable a higher rate of nuisance for the local residents of this area as it would allow people to harass, create unwanted noise and create anti-social behaviour.

This same premises licence was granted some time ago on the corner of Old Castle Street which had a profound disturbance to the residents of the local area. Loud music, late night raves and anti-social behaviour took place and it affected the local residents mentally through after hours excessive noise such as shouting and screaming.

On behalf of the residents of Herbert and Jacobson House, we would like you to reconsider the proposal of a premises licence and reject this application on the fact that it would cause more harm than good for the residents of the local area. There are a lot of elderly people living here as well as a number of children here alongside night-shift workers who all will be negatively impacted if this proposal goes through.

Yours sincerely, the Family of Abdul Karim residing on [REDACTED]

Dear Licencing team

Re: London Metropolitan University, 16 Goulston Street, London E1 7TL

I am writing in regards to the premises application above. I am writing to object this proposal. Our local area is already overloaded with establishments the provide and sell alcohol. We have seen in the past that by having these businesses so close to the local community leads to vandalism in the area such as vomiting and urinating at the gates near the flats.

There is already a pub at the end of the road and the local residents are already disturbed from loud noise and anti-social behaviours at all hours of the day and late night.

We would like a community where the residents and especially children are able to feel comfortable and safe. Granting this application will only increase noise disturbance and issues of drunken and antisocial behaviour, littering and potential crime.

I would urge that the committee refuse this application.

Kind Regards

Ashfaque Miah

**From:** Alex Gordon Shute <[REDACTED]>  
**Sent:** 08 September 2023 10:30  
**To:** Licensing  
**Subject:** Licensing application: London Metropolitan University, 16 Goulston Street and Old Castle St

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Dear Licensing Team

I write to object to the licensing application submitted by London Metropolitan University for 16 Goulston St and Old Castle St.

My reasons for objection are:

1. The site is located within the CIZ of the Spitalfields & Banglatown Ward. The principle of the CIZ is to acknowledge the saturation of licensed premises for the ward and operate a 'one in, one out' basis. The scale of the licence which London Metropolitan University have applied for (a venue for 500 people) should mean quite a number of licensed premises elsewhere in the ward ceasing to operate. As this isn't what's planned, this new licence should not be granted. The saturation from this scale would overwhelm the area.
2. The application is for 'indoor and outdoor' live music and plays. This style of event causes the maximum disruption and noise disturbance to local residents (including students not attending the event and trying to sleep). The outdoor element is particularly harmful to locals.
3. The timing of the licence makes it horribly disruptive to residents and others. Alcohol from 11am until 2am and music until 10pm or 11pm creates huge noise disturbance and likely ASB issues. The demographic of those attending the events is a demographic particularly inclined towards excessive drinking and drug taking, and then ASB which results from being so out of control. It could not be worse for local residents.
4. The area around Goulston St and Old Castle St is one of the areas within Tower Hamlets where there is ongoing development of high value commercial real estate in the borough – a real financial and development 'win' for Tower Hamlets. To have (likely) drunk and drug-high students and members of the public causing ASB through the early hours of morning, and then leaving a trail of ASB issues after them for office workers to encounter on their way into work, will do the Borough no good, and may depress land values and the attractiveness for office tenants such as BT, whose headquarters are 100 yards from this site.
5. This area is already an ASB hotspot for the Ward. It is on the Neighbourhood Policing's 'top 3 list' of priority areas because of its historic problems and the ongoing issues and difficulties for residents from ASB and drug dealing. This licence for alcohol and live events would make that problem significantly worse.

I entreat the Licensing Committee to reject the application.

Best wishes

Alex Gordon Shute

**From:** Alan Williams <[REDACTED]>  
**Sent:** 08 September 2023 11:24  
**To:** Licensing  
**Subject:** Licensing application: London Metropolitan University, 16 Goulston Street and Old Castle St

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Dear Licensing Team

The London Metropolitan University has submitted a licensing application for 16 Goulston Street and Old Castle Street.

I would like to object to the application; my reasons are:

The site is in an area that is already an ASB hotspot; and is on the Neighbourhood Policing's 'top 3 list' of priority areas because of its historic problems. The grant of this application would in my view exacerbate the ongoing issues and difficulties for residents from ASB and drug dealing.

The site is located within Spitalfields & Banglatown's CIZ. The principle of the CIZ is to take account of the saturation of licensed premises for the ward and operate a 'one in, one out' basis. The scale of the licence applied for (a venue for 500 people) should mean quite a number of licensed premises elsewhere in the ward ceasing to operate. This is not what is proposed; so as saturation of this scale is likely to overwhelm the area, I suggest that the application should be rejected.

I notice that the application is for both indoor and outdoor live music and plays. The outdoor element would be particularly harmful to residents. It causes the maximum disruption and noise disturbance to locals (including students not attending the event and trying to sleep).

The total of hours requested in the application is likely to be very disruptive to locals. Alcohol from 11am until 2am and music until 10pm or 11pm creates noise disturbance on a large scale; and ASB issues are likely to follow. People attending this kind of event come from a demographic attracted towards excessive drinking and drug taking, and ASB is the result.

The area around Goulston and Old Castle Streets is one of the areas within Tower Hamlets where there is ongoing development of high value commercial real estate in the borough - a real financial and development 'win' for Tower Hamlets. It will do the Borough no good to have a nearby source of ASB into the early hours of morning, the results of which office workers will encounter on their way into work.

My conclusion is that this application should be rejected on its current proposed terms and I urge the Licensing Committee to reject it.

Please would you redact my address from any electronic publication of this letter. Many thanks.

Alan Williams

Dear Licencing team

Re: London Metropolitan University, 16 Goulston Street, London E1 7TL

I am writing in regards to the premises application above. I am writing to object this proposal. Our local area is already overloaded with establishments that provide and sell alcohol. We have seen in the past that by having these businesses so close to the local community leads to vandalism in the area such as vomiting and urinating at the gates near the flats.

There is already a pub at the end of the road and the local residents are already disturbed from loud noise and anti-social behaviours at all hours of the day and late at night.

We would like a community where the residents and especially children are able to feel comfortable and safe. Granting this application will only increase noise disturbance and issues of drunken and antisocial behaviour, littering and potential crime.

I would urge that the committee refuse this application.

Kind Regards

Amina Begum

**Re: Formal Objection to Proposed Premise Application and Licence for London Metropolitan University, 16 Goulston Street, London, E1 7TP**

Dear Licensing Team

I am writing on behalf of Spitalfields Residents Against Anti-Social Behaviour (“SPIRE”), a community group established in 2012, which represents individuals and, at least, six of the largest resident associations including, Exchange Building Residents Association, St George’s Residents Association, Spitalfields Community Group (SCG), Spitalfields Market Residents Association (SMRA), Norton Folgate Community Group (NFCG), and Spitalfields Society, in Spitalfields and Banglatown (“the Ward”).

SPIRE reviews all new and/or amended applications for alcohol licenses in the Ward to ensure the interests of individuals and groups it represents are not negatively impacted by any such application(s).

Specifically, SPIRE reviews all new and/or amended applications for alcohol licenses to ensure they do not contravene applicable law, guidelines, and/or other acceptable practices for alcohol licenses in the Ward. This includes, but not limited to, the appropriate enforcement of the Brick Lane Cumulative Impact Assessment (CIA), which applies to a majority of the Ward.

Where reasonable and possible, SPIRE attempts to first address any concerns and/or objections directly with the individual or party making an application for a new and/or amended alcohol license. Formal objections are only typically made to the London Borough of Tower Hamlets (LBTH) in situations where concerns and/or objections remain unresolved after direct contact with an applicant or if an applicant chooses not to engage with SPIRE.

SPIRE is a ‘pro-commerce’ community group and supports the careful balance of a vibrant, diverse, and commercial ward with the needs of residents and visitors to appreciate a safe, clean, and liveable neighbourhood free from anti-social behaviour and related issues.

Consequently, when a formal objection is raised by SPIRE, such as the case detailed below, it has been carefully considered and represents a substantial number of constituents in the Ward.

I am also writing on behalf of the Spitalfields and Banglatown Ward Panel of which I am also current Chairman. As part of my responsibilities working closely with the Metropolitan Police (MET), local businesses, residents, council, and social services, I am tasked with helping to monitor activities in the ward which may contribute to both crime and anti-social behaviour (ASB). Furthermore, I am tasked with helping to identify priorities and potential solutions to deal with such issues.

In my capacity as Ward Panel Chair for Spitalfields and Banglatown, I have access to current statistics about crime and ASB which is most impacting the ward at any given time. As such, I have detailed knowledge of hotspots and problem areas in the ward which are at the heart of focus with work across our partners in the MET, council, social services, and broader community.

### **Formal Objection**

A formal objection is raised to the proposed application for licence of London Metropolitan University, 16 Goulston Street, London, E1 7TP (“the Premise”).

The Premise is proximally near one of the Ward’s most prolific hotspots for antisocial behaviour, The Brune Estate, and is an area of great concern. The Brune Estate has been in the top three priorities, due to ASB and crime, for the Safter Neighbourhood Team (SNT) of the MET for the ward over the past two years.

The Premise is also located within the CIA for Brick Lane where new and varied premise licenses are meant to be limited, if not prohibited, based on the over saturation of businesses involved with the sale of alcohol and entertainment, attributable to the Ward’s current issues with antisocial behaviour.

While no priority is suggested by the order below, our objections are based on the following issues and observations from reviewing the proposed application for the Premise.

**Patron Quantity:** The application repeatedly highlights that the provisions requested are for up to 500 people. There are few, if any, venues in the Ward which accommodate this number of people. Equally, while in some instances the application refers to events for university students, staff, and their guests, there is also mention of commercially letting the premise for other events (e.g. film previews) which opens up the venue to an unlimited and unknown population of participants.

The sheer volume of participants at the venue gives rise to many concerns including but not limited to: (i) noise nuisance of the coming and going of such large numbers of people, (ii) noise nuisance related to such high concentration of such a large group of people, (iii) loitering that may ensue around the Premise by those associated with the venue, and (iv) drunken and antisocial behaviour of arriving and departing guests of the Premise. No mention of permanent security is made to ensure that venue participants are handled in ways to control risk factors for local businesses and residents.

**Relentless Amplification of Entertainment:** The application seeks amplified sound for plays, films, and dance performance seven days a week until midnight. Equally, amplified live and recorded music is requested until 23:00 Monday through Thursday, Midnight on Friday and Saturday, and 22:00 on Sunday. Worse, the application looks for exception on Bank Holidays and the Friday, Saturday, and Sunday preceding Bank Holidays whereby such amplification is permitted 24 hours a day! To further concerns, the amplification is recorded for both internal and external (outdoor) use.

If the license is granted there would be little to no reprise for local residents and businesses from amplified entertainment. Worse, on bank holidays and the days preceding, when local residents are likely home from work they would be subjected to 24 hour noise nuisance without restriction (based on the license application).

**Alcohol Sales and Late Night Refreshment:** The application seeks late night refreshment and alcohol sales seven days a week until 2:00 a.m. Further, it is presumed that as the facility can accommodate up to 500 people that sales would be available to a very sizable population. Worse, the hours listed for the sale of alcohol start at 10:00 a.m. seven days a week.

In short, the application is for what would be the Ward's largest bar! This is inconceivable given the fact the premise is in the CIA for Brick Lane. The fact the applicant is seeking to sell alcohol from 10:00 a.m. is concerning and wishes to continue to sell until 2:00 a.m. (well after any other licensed bar in the area) is more than concerning. What purpose does sales of alcohol have at 10:00 a.m.?

Local businesses and residents must already deal with ASB caused by disrespectful bar patrons who are leaving local establishments between 23:00 and Midnight. Under the current license application, they would now be subject to a further wave of disruption at an even more unsociable hour at 2:00 a.m. (and in large numbers!). Many of London's tubes are closed at this time, leaving individuals departing the venue to rely upon either waiting for private taxis or night buses, therefore, pushing patrons who may have had too much to drink on the streets. This is bad for local businesses, residents, the council, and local law enforcement.

**Nature of (some) of the Proposed Entertainment:** It is proposed that some of the likely entertainment will include performances with semi-nudity, nudity, and drag queens. While most certainly some forms of performance art include these aspects, there is great concern how far these performances may go and the type of demographic attracted to such performances. No recognition of this is acknowledged in the application.

**Limited Detail About Prevention of Public Nuisance:** The application completely glazes over how the Premise intends to engage with local businesses and residents to address concerns, control risks, and remedy issues that are caused as a result of the requests made in the application. Furthermore, the application breezes over security requirements for events saying only that security will be supplied where 'it is required'. It is extremely unclear what warrants any singular event 'requiring security' whereas another may not.

While both SPIRE and The Spitalfields and Banglatown Ward Panel recognise and support the educational and cultural mission of The London Metropolitan University, it is unclear what, if any, community engagement the university has undertaken in preparation of their license application. It would appear that the application has not been well thought through in respect to the potential impact to local businesses and residents, the Brick Lane CIA, and/or the licensing objectives of the council. It is clearly an application for the sole benefit of The London Metropolitan University with little, or no, regard to the surrounding community. This is not only unfortunate but inconceivable how licensing objectives in the borough can support such an application in its current form.

A license for a local hospitality business just around the corner from the Premise with a cover of 100 patrons was rejected by the licensing committee just this past year. The proposed application for this premise is 5x an application which has already been found to be in violation of council licensing objectives.

A message has been left for Mr Eugene McCrossan, Chief Operating Officer, of The London Metropolitan University, to discuss community concerns outlined in this letter. However, at the date of submitting this formal objection we have not heard from Mr McCrossan.

It is difficult to imagine how a facility accommodating up to 500 people, serving alcohol will not contribute to all current issues in the area including but not limited to additional risk and burden by way of increased public nuisance and potential crime, disorder, health and safety of local residents and visitors, noise, and antisocial behaviour. These are all the things which are meant to be safeguarded by the implementation and effective monitoring and maintenance of the CIA for Brick Lane

Please acknowledge that our initial objection has been received and that the contents of this letter will be considered as part of the overall review process.

Yours sincerely

Randall Thiel  
Chairman, SPIRE and Chairman, Spitalfields and Banglatown Ward Panel

**From:** Richard Timpson <[REDACTED]>  
**Sent:** 26 September 2023 17:55  
**To:** Licensing  
**Subject:** Licensing Representation - ref CLC/EHTS/LIC/162720

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Dear Sir/Madam

I wish to object to aspects of the application from London Metropolitan University for a Premises Licence for Regulated Entertainment, reference CLC/EHTS/LIC/162720.

My objection is based on my concern that this new licence may increase the possibility of public nuisance for the many residential dwellings nearby, including my own.

I am particularly concerned about noise nuisance in what is a partially residential area. In particular I note the application includes:

- Amplified sound/music, both live and recorded, in an outdoor space every day of the week until 23:00 or 00:00
- 24 hour amplified sound and alcohol licensing for three continuous days each and every Bank Holiday weekend

I believe it wholly inappropriate and a significant potential noise nuisance to local residents to allow amplified live and recorded in an outdoor space late into the night on such a regular basis. Likewise 24 hour licensing for alcohol and amplified music for such long durations and so frequently is likely to cause both noise nuisance and an increase to crime and disorder in the immediate area. While the area has a number of licensed premises it is my understanding that none of these include regular outdoor music or 24 hour licenses other than at New Year. I would suggest it is reasonable that the premises is required to apply for temporary licenses for these activities if required and justified on an infrequent basis.

I would be grateful if the Licensing team would consider my objection and

1. not permit outdoor amplified live or recorded music at any time; and
2. limit 24 hour licensing to New Years only in line with other licenced premises in the area.

Kind regards

Richard Timpson

Dear whom it may concern,

We are the occupants, myself and my family at [REDACTED]. We understand that this specific area has received a licensing authority to sell alcohol however we do not agree with this as there are many occupants at Herbert house that are elderly/sick/disabled children who would be triggered by this loud noise and entertainment coming from that address. Hope this gives you a valid representation of a few of the occupants at Herbert house.

Yours thankfully,  
Shafique uddin Ahmed.

**To:** Licensing; Critchley, main; Critchley, Sandy  
**Subject:** Licence Application from Londonndon Metropolitan University

Dear Licensing Team,

Licensing Application from London Metropolitan University, 16 Goulston Street and Old Castle Street

I'm writing to register my objection to the licensing application from London Metropolitan University for a licence to serve alcohol from 1000 to 0200 every day/night of the week, as well as to conduct other activities and entertainments.

This application is unlikely to satisfy the provisions of the Licensing Act 2003, namely: the prevention of crime and disorder, the protection of public safety, the prevention of public nuisance and the protection of children from harm.

In addition, the premises are located within the Cumulative Impact Zone (CIZ) for Spitalfields and Banglatown ward; this Zone is designed to operate on a 'one in, one out' basis and would, if this licence were granted, require one or probably more of the existing licences in the area to be surrendered. They are also close to a primary school on Commercial Street.

One of the major factors behind my objection is the sheer scale of the application: multiple types of activity hosting up to 500 people on every day of the week, not just for students but for ordinary members of the public; this potentially would allow a massive, noisy messy event to take place at the premises not just occasionally but every day and night, causing disturbance and annoyance to local residents and routine visitors as well. And the hours applied for are ridiculously long. This sounds like sheer hell for locals!

We have suffered in Spitalfields from the plague of anti-social behaviour. But the CIZ and a greater focus from the police have in the past few years made a big difference. Granting this licence as it stands would undermine this protective shield and risk reverting to the Wild West conditions of the past.

I therefore ask the Licensing Committee to reject this application.

With best regards,  
Sandy Critchley

Dear Licencing team

Re: London Metropolitan University, 16 Goulston Street, London E1 7TL

I am writing to object to the premises application for the above. The area is already oversaturated with establishments that provide/sell alcohol.

Local residents already suffer from noise nuisance and anti-social behaviours at all hours of the day and night.

Granting this application will only add to the ever-increasing issues of drunken behaviour, alcohol related antisocial behaviour and crime.

I would urge that the committee refuse this application.

Thank you

**To:** Licensing  
**Subject:** Licensing Application: London Metropolitan University, 16 Goulston Street and Old Castle Street

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Dear Licensing Team,

It has come to my attention that the London Metropolitan University have submitted a licensing application for 16 Goulston St and Old Castle St, which concerns me greatly for the following reasons.

1. The application repeatedly mentions a venue that will be able to accommodate up to 500 people on an almost daily basis with outside and indoor live music, plays and film shows. The application not only mentions that this proposed venue space would accommodate university students, staff and their guests but also it is planned to open up the venue on a commercial basis, which would allow an unknown population of participants to attend. The sheer volume of people that this venue would attract is on a scale that is seen nowhere else in this part of Tower Hamlets. This area is a known hotspot for ASB, drink and drug abuse and a huge student bar with daily entertainment can only exacerbate and add to all of these problems.
2. This proposed venue is situated within the CIZ for Brick Lane, which up to now has successfully contained the proliferation of licenses to all and sundry and curtails the outbreak of ASB in these largely residential and commercial areas of the Ward. The CIZ works on a 'one in, one out' principle and an application for a license to supply alcohol to some 500 people on a regular basis would mean other businesses in close proximity would suffer or have to close.
3. The timings applied for in this application are completely out of keeping in an area which houses many residents, families and children as well as students who live nearby but might want peace to sleep or study. To allow amplified music until 23:00 Monday through Thursday, Midnight on Friday and Saturday, and 22.00 on Sunday is totally unacceptable! Unbelievably, the application seeks exception on Bank Holidays and the Friday, Saturday and Sunday preceding Bank Holidays, which means amplification would be allowed for 24 hrs a day!
4. The application asks that alcohol sales be permitted seven days a week until 2:00 am. This would mean that after an event, perhaps 500 inebriated, noisy people would begin to disperse through the streets nearby to find taxis or night buses. The tubes would be closed at that time.  
What makes things worse is that the hours listed for the sale of alcohol start at 10:00 am. What purpose does the sale of alcohol have to be sold at 10 am?
5. There does not seem to be any provision for daily supervision or security.

I have lived in this area for over 20 years and have noticed a gradual improvement in ASB over the past 10 years as the CIZ has worked its magic. The Police have become ever more vigilant of hotspots and have been ever ready to clamp down on drink and drug abuse. This has helped to enhance the lives of all of us who live or work in and around the Spitalfields area.

It is for this and for all the reasons listed above that I urge you, the Licensing Committee, to please REJECT this application outright.

Kind regards,

Susan Kay

**From:** Yameen Karim [REDACTED]  
**Sent:** 19 August 2023 21:36  
**To:** Licensing  
**Subject:** Complaint of premises license

This is a complaint regarding your premises licence of 16 Goulston Street. The success of this premises licence would enable a higher rate of nuisance for the local residents of this area as it would allow people to harass, create unwanted noise and create anti-social behaviour.

This same premises licence was granted some time ago on the corner of Old Castle Street which had a profound disturbance to the residents of the local area. Loud music, late night raves and anti-social behaviour took place and it affected the local residents mentally through after hours excessive noise such as shouting and screaming.

On behalf of the residents of Herbert and Jacobson House, we would like you to reconsider the proposal of a premises licence and reject this application on the fact that it would cause more harm than good for the residents of the local area. There are a lot of elderly people living here as well as a number of children here alongside night-shift workers who all will be negatively impacted if this proposal goes through.

Yours sincerely, the Family of Yameen Karim residing on [REDACTED]

**Subject:** RE: London Metropolitan University - Premises Application Replacement for M/162328

Hi Daniel,

Following on from our previous conversation..

With regards to your license application and with regards to the licensing objectives, can the following amendments/additions be made to your conditions ignoring the previous email I sent on your last application:

***Crime and Disorder***

1. *The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Tower Hamlets Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.*
2. *A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.*
3. *When the designated premise supervisor is not on the premises any or all persons authorised to sell alcohol will be authorised by the designated premises supervisor in writing. This shall be available on request by the Police or any authorised officer.*
4. *An incident log shall be kept at the premises, and be available on request to the Police or an authorised officer. It must be completed within 24 hours of any incident and will record the following:*
  - a) *all crimes reported to the venue;*
  - b) *all ejections of patrons;*
  - c) *any complaints received concerning crime and disorder*
  - d) *any incidents of disorder;*
  - e) *all seizures of drugs or offensive weapons;*
  - f) *any faults in the CCTV system, searching equipment or scanning equipment;*
  - g) *any refusal of the sale of alcohol;*

- h) any visit by a relevant authority or emergency service.
5. In the event that a serious assault is committed on the premises (or appears to have been committed) the management will immediately ensure that:
- a) the police (and, where appropriate, the London Ambulance Service) are called without delay;
  - b) all measures that are reasonably practicable are taken to apprehend any suspects pending the arrival of the police;
  - c) the crime scene is preserved so as to enable a full forensic investigation to be carried out by the police; and
  - d) such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises.

### **Protection of Children from Harm**

6. A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.
7. A record shall be kept detailing all refused sales of alcohol. The record should include the date and time of the refused sale and the name of the member of staff who refused the sale. The record must show the outcome of the person who was intoxicated. The record shall be available for inspection at the premises by the police or an authorised officer at all times whilst the premises is open.

If you have no objections please email me letting me know, if you need to discuss it or wish to make any changes please let me know.

Kind Regards,

Kieran.

# Appendix 52

## **Section 182 Advice by the Home Office Updated on August 2023**

### Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.
- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards.

If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.
- 9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

# Appendix 53

## Licensing Policy Section 11

### Prevention of Public Nuisance

- 11.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 11.2 Like many London boroughs, Tower Hamlets has many areas of the borough where businesses and residents are “cheek by jowl” with each other. Thus, the correct balance needs to be adopted ensuring residents are not unduly disturbed by licensed premises, whilst ensuring this does not stifle growth in the licence trade.
- 11.3 Though all licensed premises must promote the licensing objectives, and thus actively try to prevent public nuisance being caused by their licensable activities, there are some factors that this Licensing Authority would expect to applicants to consider and where appropriate address in their operating schedule. These are:
- a) Music/performances  
Measures to reduce impact of noise on residents
  - b) Queue management  
Measure to prevent obstruct access to properties, pavements. Measure to reduce the impact of people noise on residents
  - c) Ingress and Egress  
Measure to prevent people noise during ingress and egress
  - d) Use of outside areas (see 11.7 below)
  - e) Deliveries, particularly pick-ups by vehicles  
Measures to prevent noise/fumes from engines, drivers (including smoking),
  - f) Bottle disposal  
Done at reasonable time to prevent impact on residents e.g. between 8am and 8pm
  - g) Litter  
Measures to prevent littering around the venue from patrons
- 11.4 The Licensing Authority appreciates that it would not be necessary or appropriate for all applications to have measures to prevent the above issues. Nevertheless, we will take a strong view on applications for licences that are in close proximity to residential premises, and whose intended use has a higher likelihood of causing public nuisance. This also includes those applications in areas covered by a Cumulative Impact Assessment (CIA). Especially where the applications falls outside the scope of any exceptions to such CIAs.
- 11.5 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the

problems identified listed above, or any other conditions it considered appropriate and proportionate to promote the licensing condition of prevention of public nuisance.

- 11.6 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Councils rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 11.7 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.
- 11.8 **Beer Gardens and outside areas** – since the ending of the restrictions imposed during the Coronavirus pandemic, we have seen an increase the use of outside areas. This has also been encouraged by Government under the Business and Planning Act 2020. We want to strike the right balance between allowing businesses to thrive whilst still protecting residents of the borough being unduly disturbed by the night time economy. Hence, we would encourage applicants address this concern in their operating schedule by detailing what mitigating measures they intend adopt to reduce any disturbance the use of the outside area is likely to have on neighbouring residents. Such measures could include:
- limiting the amount of patrons permitted in the outside area, and/or,
  - restricting the use of areas after a certain time,
  - ceasing its use after a certain time.

Where disturbance of residents from outside areas is likely, and where its discretion is engaged, this Licensing Authority may add conditions limiting the numbers of person permitted to use any outside areas, and/or seek to cease the use of any outside areas after 21:00 hours.

- 11.9 **Party Boats** – An increasing number of complaints have been received in London Boroughs that boarder the River Thames in relation to "Party Boats", which use the River. In respect of this we would encourage applicants for Party Boats to consider adopting the "Boat" conditions, listed in our Model Conditions in Appendix 3, where appropriate to promote the Licensing Objective of Prevention of Public Nuisance. Furthermore, where disturbance of residence from these party boats is likely, and where its discretion is engaged, this Licensing Authority may add one or more of the boat conditions from our Model Conditions.

# Appendix 54

# Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated December 2022

## Public nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

# Appendix 55

## Licensing Policy Section 9

### Crime and Disorder

- 7.1 Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment for large numbers of people, can be a source of crime and disorder problems and to store prescribed information.
- 7.2 When addressing crime and disorder the applicant should initially identify any particular issues (having regard to their particular type of premises and / or activities) which are likely to adversely affect the promotion of the crime and disorder licensing objective. The applicant should also list such steps that are required to deal with these identified issues. Both risks and mitigating steps should be included within the applications operating schedule. Where the Metropolitan Police, acting as a responsible authority, makes recommendations in respect of an application relating to the licensing objectives the Licensing Authority would expect the applicant to incorporate these into their operating schedule.
- 7.3 Applicants are recommended to seek advice from Council Officers and the Police as well as taking into account, as appropriate, local planning and transport policies, with tourism, cultural and crime prevention strategies, when preparing their plans and Schedules.
- 7.4 In addition to the requirements for the Licensing Authority to promote the licensing objectives, it also has duties under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough and to share prescribed information.
- 7.5 The Licensing Authority, if its discretion is engaged, will consider attaching Conditions to licences and permissions to deter and prevent crime and disorder both inside and immediately outside the premises and these may include Conditions drawn from the Model Conditions in Appendix 3.
- 7.6 **CCTV** - The Licensing Authority, if its discretion is engaged, will attach conditions to licences, as appropriate where the conditions reflect local crime prevention strategies, for example the provision of closed circuit television cameras.
- 7.7 **Touting** – This is soliciting for custom. There has been a historic problem with Touting in the borough, mainly in relation to restaurants, and as such in 2006 the Council introduced a byelaw under Section 235 of the Local Government Act 1972 for the good rule and government of the London Borough of Tower Hamlets and for the prevention and suppression of nuisances.

As a result, in relation to premises where there is intelligence that touting is, or has been carried out, the Licensing Authority, where its discretion is engaged, will insert a conditions from our model conditions in appendix 3, to prohibit 'touting':-

7.8 **Responsible Drinking** - The Licensing Authority expects alcohol to be promoted in a responsible way in the Borough. This should incorporate relevant industry standards, such as the Portman Group Code of Practice. Where appropriate and proportionate, if its discretion is engaged, the Licensing Authority will apply conditions to ensure responsible drinking. The Licensing Authority also recognises the positive contribution to best practice that "Pubwatch" and other similar schemes can make in promoting the licensing objectives and is committed to working with them.

7.9 **Psychoactive Substances, e.g. Nitrous Oxide (NOx)** – Misuse of nitrous oxide is associated with increased antisocial behaviour including littering, noise nuisance and vandalism, all of which are detrimental to residents' quality of life and feelings of safety. Use of nitrous oxide is also a health concern and has other associated harms.

As a result, this Licensing Authority expects Licence Holders to refuse entry to any person seen use or selling NOx as a psychoactive Substance. Refusals should also be entered into Licence Holders refusals logs.

Where its discretion is engaged this Licensing Authority impose conditions to formally require refusal of persons seen selling or using NOx as a psychoactive Substance.

7.10 **Drinks spiking** – in reference to the Local Governments Association (LGA) Guidance note on drink spiking prevention, this Licensing Authority expects licence holders and applicants to have a zero-tolerance policy towards drinks spiking. This involves as a minimum ensuring all reports of spiking are acted upon and that all incidents of alleged spiking are recorded and reported to the police. Licence holders and applicants should also be aware of the Metropolitan Police's definition of drink spiking:

"Spiking is where someone adds drugs or alcohol to another person's drink without them knowing, it is illegal."

The LGA has set some recommendations for Licence holder, and we would expect our Licence holders to follow these where appropriate to their venues:

<https://www.local.gov.uk/publications/lga-guidance-note-drink-spiking-prevention#recommended-actions-for-licensed-premises->

Applicants for new and variations of exiting licences as well as those submitting TENs are expected to work with the Metropolitan Police in order to consider actions needed to prevent drinks spiking in their venues/events

Where its discretion is engaged this Licensing Authority will impose conditions on licences aimed at preventing drinks spiking, specifically any recommended by the metropolitan police.

7.11 **Welfare and Vulnerability** – This Licensing Authority believes that all Licensed venues should train their staff in Welfare and Vulnerability Engagement (WAVE). As of 2023 this Licensing Authority in partnership with the Metropolitan Police and the London Borough of Hackney is delivering monthly WAVE training sessions for Licensed venues within both Tower Hamlets and Hackney. As a result, we expect that all Licensed venues who sell alcohol for consumption on their premises should train their staff in WAVE and adopt Ask for Angela or similar initiatives aimed at assisting vulnerability within alcohol licensed venues.

7.12 **Sexual Harassment in the Night Time Economy** – sadly this is still an issues for women working in and visiting licensed venues in London. As a result, this Licensing Authority encourages Licensed venues to sign up to the Mayor of London’s Women’s Night Safety Charter:

<https://www.london.gov.uk/programmes-strategies/arts-and-culture/24-hour-london/womens-night-safety-charter>

As well as the Women’s Night Safety Charter we would encourage applicants and licence holders to discuss applications with the Council’s Violence Against Women and Girls Service, who can provide advice and training to venues on preventing misogyny within licensed premises.

Lastly, we expect Licence Holders to take a zero-tolerance approach to misogyny within their venues where this is towards customers or employees. We would expect licence holders to refuse to serve persons who commit acts of sexual harassment, even in the first instance, and report the matter to the Metropolitan Police.

7.13 **Party Boats** – An increasing number of complaints have been received in London Boroughs that boarder the River Thames in relation to “Party Boats”, which use the River. In respect of this we would encourage applicants for Party Boats to consider adopting the conditions listed in our Model Conditions in Appendix 3, where appropriate to promote the Licensing Objective of Prevention of Crime and Disorder. Furthermore, where its discretion is engaged, this Licensing Authority may add one or more of the boat conditions from our Model Conditions.

7.14 **Criminal Activity** - There is certain criminal activity that may arise in connection with licensed premises which the Licensing Authority will treat particularly seriously. These are the use of the licensed premises:

- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
- for the sale and distribution of illegal firearms;
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
- for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;

- for prostitution or the sale of unlawful pornography;
- by organised groups of paedophiles to groom children;
- as the base for the organisation of criminal activity, particularly by gangs;
- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

The Secretary State's Guidance states that it is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and this Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence, even in the first instance, should be seriously considered.

- 7.15 The Licensing Authority is mindful of the Secretary of State's Guidance "Reviews arising in connection with crime".
- 7.16 From 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) will need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database which will be available from April 2017. This is an ongoing obligation and if a business is found to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a 'trade buyer') does not need to register unless they sell alcohol to other businesses. Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers, and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC. Further information may be found at: <https://www.gov.uk/guidance/the-alcohol-wholesaler-registration-scheme-awrs>.
- 7.17 **Smuggled Goods** – The Licensing Authority will exercise its discretion to add conditions to licence where appropriate and proportionate to reduce the risk of receiving smuggled goods and encourage traceability.
- 7.18 **Olympic Park (Football Ground)** – Premises where Police intelligence shows that football supporters congregate within the borough should consider adding the Olympic Park – Football Ground conditions in our Model Conditions in appendix 3.

# Appendix 56

# Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated December 2022

## Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority (“SIA”) as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.

- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.
- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that evidence of a right to work check, either physical or digital (e.g. a copy of any document checked as part of a right to work check or a clear copy of the online right to work check) are retained at the licensed premises.

# Appendix 57

## Licensing Policy – Sections 20, 21 and Appendix 5

### Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area

1. The Licensing Authority has adopted a special policy relating to cumulative impact in areas of:
  - Brick Lane
  - Bethnal Green

**This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.**

2. The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance. As part of the review in 2021, the Council also decided that the concentration of licensed premises within the Bethnal Green area was also having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

#### Review of Cumulative Impact Assessment - Supporting Evidence

3. In determining the Councils CIAs for the area of Brick Lane and Bethnal Green (Figures One and Two Below) the Council considered the following evidence:
  - Hot spot maps of incidents of crime and disorder and ASB linked to Licence premises in the defined areas for 2017 to 2020.
  - Complaint data from Environmental Health and Trading Standards relating to Noise and Licensing.
  - Licence Application data for the defined areas for 2017 to 2020
  - Results of the Consultation, that included Survey data and comments and written responses.

This evidence is published on our website:

<http://democracy.towerhamlets.gov.uk/ieListDocuments.aspx?CId=309&MId=12361>.

## Cumulative Impact Assessments (Brick Lane and Bethnal Green)

4. The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane and Bethnal Green Areas (highlighted in Figures One and Two below) is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.
5. The Brick Lane and Bethnal Green CIAs aim to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on the local amenity, environmental degradation and emergency and regulatory services in managing this impact.
6. The effect of this Special Cumulative Assessment Policy will apply to the following types of applications:
  - New Premises Licences applications,
  - New Club Premises Certificates applications
  - Provisional Statements,
  - Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).

However, it will only apply where the application seeks to permit the Licensable activities of:

- the sale or supply of alcohol for consumption on or off the premises, and/or,
- the provision of late night refreshment.

7. **This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIAs if they wish to rebut this presumption.**
8. The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.
9. Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

10. It must be stressed that the presumption created by this special policy does not relieve responsible authorities or other persons of the need to make a representation. If there are no representations, the licensing authority must grant the application in terms that are consistent with the operating schedule submitted in line with their delegated authority.
  
11. This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:
  - Prevention of Crime and Disorder;
  - Prevention of Public Nuisance.

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

12. The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

### **Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments**

- Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;
  - Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only;
  - Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away); and,
  - Have arrangements to prevent vertical drinking, for example fully seated venues.
  
- Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments), .
  
- Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

**The Cumulative Impact Assessment Areas for the Brick Lane and Bethnal Green**

13. The Cumulative Impact Assessment Areas are detailed in the maps below.

**Figure One**

**Brick Lane area:**

**Figure Two:**

**Bethnal Green Area**

# Appendix 58

## **Licensing Policy Relating to Hours of Trading**

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

### **(see 16.8 of the Licensing Policy)**

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

### **(See 16.9 of the Licensing Policy)**

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

# Appendix 59

## **Planning**

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.
