Hello,

I am writing to say that if VNS Poplar Ltd want to change their hours I do not agree. This is because their closing time now being 10pm is already a bit disturbing as it gets very noisy and this is a problem as our rooms are located right above the shop. We can already not sleep before 10pm due to the noise and if they extend the time it will become a very big problem for us. I have to wake up at around 3-4am for work and my children have to also wake up early for school. This means we have to sleep a bit early. Please consider our circumstances and that if they keep the shop open for longer it will be very difficult to live here.

Thanks

Dear Lavine,

I am writing with reference to the objection for a premises licence variation for the above address. I have discussed this matter with Viren, my client.

He believes that there will be no issue with increased noise emanating from, or related to his premises due to his longer opening hours. There is no noise now and no complaints have been made.

The only noise that already exists, is from the adjacent building, where the objector resides, due to persons(customers) constantly coming and going at various hours. Apparently the neighbours have made complaints, but the matter has not been resolved.

My client states that his customers are happy with the extended hours and he will ask them to sign a petition in regard to supporting his application.

Regards,

Arlene

Appendix 8

Section 182 Advice by the Home Office Updated on August 2023

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.
- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards.

If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.
- 9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Appendix 9

Licensing Policy Section 11

Prevention of Public Nuisance

- 11.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 11.2 Like many London boroughs, Tower Hamlets has many areas of the borough where businesses and residents are “cheek by jowl” with each other. Thus, the correct balance needs to be adopted ensuring residents are not unduly disturbed by licensed premises, whilst ensuring this does not stifle growth in the licence trade.
- 11.3 Though all licensed premises must promote the licensing objectives, and thus actively try to prevent public nuisance being caused by their licensable activities, there are some factors that this Licensing Authority would expect to applicants to consider and where appropriate address in their operating schedule. These are:
- a) Music/performances
Measures to reduce impact of noise on residents
 - b) Queue management
Measure to prevent obstruct access to properties, pavements. Measure to reduce the impact of people noise on residents
 - c) Ingress and Egress
Measure to prevent people noise during ingress and egress
 - d) Use of outside areas (see 11.7 below)
 - e) Deliveries, particularly pick-ups by vehicles
Measures to prevent noise/fumes from engines, drivers (including smoking),
 - f) Bottle disposal
Done at reasonable time to prevent impact on residents e.g. between 8am and 8pm
 - g) Litter
Measures to prevent littering around the venue from patrons
- 11.4 The Licensing Authority appreciates that it would not be necessary or appropriate for all applications to have measures to prevent the above issues. Nevertheless, we will take a strong view on applications for licences that are in close proximity to residential premises, and whose intended use has a higher likelihood of causing public nuisance. This also includes those applications in areas covered by a Cumulative Impact Assessment (CIA). Especially where the applications falls outside the scope of any exceptions to such CIAs.
- 11.5 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the

problems identified listed above, or any other conditions it considered appropriate and proportionate to promote the licensing condition of prevention of public nuisance.

- 11.6 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Councils rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 11.7 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.
- 11.8 **Beer Gardens and outside areas** – since the ending of the restrictions imposed during the Coronavirus pandemic, we have seen an increase the use of outside areas. This has also been encouraged by Government under the Business and Planning Act 2020. We want to strike the right balance between allowing businesses to thrive whilst still protecting residents of the borough being unduly disturbed by the night time economy. Hence, we would encourage applicants address this concern in their operating schedule by detailing what mitigating measures they intend adopt to reduce any disturbance the use of the outside area is likely to have on neighbouring residents. Such measures could include:
- limiting the amount of patrons permitted in the outside area, and/or,
 - restricting the use of areas after a certain time,
 - ceasing its use after a certain time.

Where disturbance of residents from outside areas is likely, and where its discretion is engaged, this Licensing Authority may add conditions limiting the numbers of person permitted to use any outside areas, and/or seek to cease the use of any outside areas after 21:00 hours.

- 11.9 **Party Boats** – An increasing number of complaints have been received in London Boroughs that boarder the River Thames in relation to "Party Boats", which use the River. In respect of this we would encourage applicants for Party Boats to consider adopting the "Boat" conditions, listed in our Model Conditions in Appendix 3, where appropriate to promote the Licensing Objective of Prevention of Public Nuisance. Furthermore, where disturbance of residence from these party boats is likely, and where its discretion is engaged, this Licensing Authority may add one or more of the boat conditions from our Model Conditions.

Appendix 10

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated December 2022

Public nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Appendix 11

Licensing Policy Section 9

Crime and Disorder

- 7.1 Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment for large numbers of people, can be a source of crime and disorder problems and to store prescribed information.
- 7.2 When addressing crime and disorder the applicant should initially identify any particular issues (having regard to their particular type of premises and / or activities) which are likely to adversely affect the promotion of the crime and disorder licensing objective. The applicant should also list such steps that are required to deal with these identified issues. Both risks and mitigating steps should be included within the applications operating schedule. Where the Metropolitan Police, acting as a responsible authority, makes recommendations in respect of an application relating to the licensing objectives the Licensing Authority would expect the applicant to incorporate these into their operating schedule.
- 7.3 Applicants are recommended to seek advice from Council Officers and the Police as well as taking into account, as appropriate, local planning and transport policies, with tourism, cultural and crime prevention strategies, when preparing their plans and Schedules.
- 7.4 In addition to the requirements for the Licensing Authority to promote the licensing objectives, it also has duties under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough and to share prescribed information.
- 7.5 The Licensing Authority, if its discretion is engaged, will consider attaching Conditions to licences and permissions to deter and prevent crime and disorder both inside and immediately outside the premises and these may include Conditions drawn from the Model Conditions in Appendix 3.
- 7.6 **CCTV** - The Licensing Authority, if its discretion is engaged, will attach conditions to licences, as appropriate where the conditions reflect local crime prevention strategies, for example the provision of closed circuit television cameras.
- 7.7 **Touting** – This is soliciting for custom. There has been a historic problem with Touting in the borough, mainly in relation to restaurants, and as such in 2006 the Council introduced a byelaw under Section 235 of the Local Government Act 1972 for the good rule and government of the London Borough of Tower Hamlets and for the prevention and suppression of nuisances.

As a result, in relation to premises where there is intelligence that touting is, or has been carried out, the Licensing Authority, where its discretion is engaged, will insert a conditions from our model conditions in appendix 3, to prohibit 'touting':-

7.8 **Responsible Drinking** - The Licensing Authority expects alcohol to be promoted in a responsible way in the Borough. This should incorporate relevant industry standards, such as the Portman Group Code of Practice. Where appropriate and proportionate, if its discretion is engaged, the Licensing Authority will apply conditions to ensure responsible drinking. The Licensing Authority also recognises the positive contribution to best practice that "Pubwatch" and other similar schemes can make in promoting the licensing objectives and is committed to working with them.

7.9 **Psychoactive Substances, e.g. Nitrous Oxide (NOx)** – Misuse of nitrous oxide is associated with increased antisocial behaviour including littering, noise nuisance and vandalism, all of which are detrimental to residents' quality of life and feelings of safety. Use of nitrous oxide is also a health concern and has other associated harms.

As a result, this Licensing Authority expects Licence Holders to refuse entry to any person seen use or selling NOx as a psychoactive Substance. Refusals should also be entered into Licence Holders refusals logs.

Where its discretion is engaged this Licensing Authority impose conditions to formally require refusal of persons seen selling or using NOx as a psychoactive Substance.

7.10 **Drinks spiking** – in reference to the Local Governments Association (LGA) Guidance note on drink spiking prevention, this Licensing Authority expects licence holders and applicants to have a zero-tolerance policy towards drinks spiking. This involves as a minimum ensuring all reports of spiking are acted upon and that all incidents of alleged spiking are recorded and reported to the police. Licence holders and applicants should also be aware of the Metropolitan Police's definition of drink spiking:

"Spiking is where someone adds drugs or alcohol to another person's drink without them knowing, it is illegal."

The LGA has set some recommendations for Licence holder, and we would expect our Licence holders to follow these where appropriate to their venues:

<https://www.local.gov.uk/publications/lga-guidance-note-drink-spiking-prevention#recommended-actions-for-licensed-premises->

Applicants for new and variations of exiting licences as well as those submitting TENs are expected to work with the Metropolitan Police in order to consider actions needed to prevent drinks spiking in their venues/events

Where its discretion is engaged this Licensing Authority will impose conditions on licences aimed at preventing drinks spiking, specifically any recommended by the metropolitan police.

7.11 **Welfare and Vulnerability** – This Licensing Authority believes that all Licensed venues should train their staff in Welfare and Vulnerability Engagement (WAVE). As of 2023 this Licensing Authority in partnership with the Metropolitan Police and the London Borough of Hackney is delivering monthly WAVE training sessions for Licensed venues within both Tower Hamlets and Hackney. As a result, we expect that all Licensed venues who sell alcohol for consumption on their premises should train their staff in WAVE and adopt Ask for Angela or similar initiatives aimed at assisting vulnerability within alcohol licensed venues.

7.12 **Sexual Harassment in the Night Time Economy** – sadly this is still an issues for women working in and visiting licensed venues in London. As a result, this Licensing Authority encourages Licensed venues to sign up to the Mayor of London’s Women’s Night Safety Charter:

<https://www.london.gov.uk/programmes-strategies/arts-and-culture/24-hour-london/womens-night-safety-charter>

As well as the Women’s Night Safety Charter we would encourage applicants and licence holders to discuss applications with the Council’s Violence Against Women and Girls Service, who can provide advice and training to venues on preventing misogyny within licensed premises.

Lastly, we expect Licence Holders to take a zero-tolerance approach to misogyny within their venues where this is towards customers or employees. We would expect licence holders to refuse to serve persons who commit acts of sexual harassment, even in the first instance, and report the matter to the Metropolitan Police.

7.13 **Party Boats** – An increasing number of complaints have been received in London Boroughs that boarder the River Thames in relation to “Party Boats”, which use the River. In respect of this we would encourage applicants for Party Boats to consider adopting the conditions listed in our Model Conditions in Appendix 3, where appropriate to promote the Licensing Objective of Prevention of Crime and Disorder. Furthermore, where its discretion is engaged, this Licensing Authority may add one or more of the boat conditions from our Model Conditions.

7.14 **Criminal Activity** - There is certain criminal activity that may arise in connection with licensed premises which the Licensing Authority will treat particularly seriously. These are the use of the licensed premises:

- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
- for the sale and distribution of illegal firearms;
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
- for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;

- for prostitution or the sale of unlawful pornography;
- by organised groups of paedophiles to groom children;
- as the base for the organisation of criminal activity, particularly by gangs;
- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

The Secretary State's Guidance states that it is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and this Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence, even in the first instance, should be seriously considered.

- 7.15 The Licensing Authority is mindful of the Secretary of State's Guidance "Reviews arising in connection with crime".
- 7.16 From 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) will need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database which will be available from April 2017. This is an ongoing obligation and if a business is found to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a 'trade buyer') does not need to register unless they sell alcohol to other businesses. Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers, and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC. Further information may be found at: <https://www.gov.uk/guidance/the-alcohol-wholesaler-registration-scheme-awrs>.
- 7.17 **Smuggled Goods** – The Licensing Authority will exercise its discretion to add conditions to licence where appropriate and proportionate to reduce the risk of receiving smuggled goods and encourage traceability.
- 7.18 **Olympic Park (Football Ground)** – Premises where Police intelligence shows that football supporters congregate within the borough should consider adding the Olympic Park – Football Ground conditions in our Model Conditions in appendix 3.

Appendix 12

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated December 2022

Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority ("SIA") as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.

- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.
- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that evidence of a right to work check, either physical or digital (e.g. a copy of any document checked as part of a right to work check or a clear copy of the online right to work check) are retained at the licensed premises.

Appendix 13

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 5.14 and 5.15 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 9.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and may be draw from the Model Conditions in **Appendix 3 of the Licensing Policy**. In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. **(See Section 20 of the Licensing Policy).**

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3)
CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders

- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 14

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 16.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 16.9 of the Licensing Policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 15

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.
