Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.

 8. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
 9. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
 10. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 11. Please list here steps you will take to promote all four licensing objectives together.

Dear Licensing Authority,

Licensing Act 2003
Variation premise licence 104 Brick Lane E1 6RL

The Licensing Authority (acting a Responsible Authority) is making a representation against the above application.

Special Cumulative Impact Policy for the Brick Lane

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late-night refreshment in the Brick Lane is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.

This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane CIA if they wish to rebut this presumption.

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.

Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:

- Prevention of Crime and Disorder;
- Prevention of Public Nuisance.

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;
 - Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,
 - Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),and,
 - Have arrangements to prevent vertical drinking, for example fully seated venues;
- Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments),
- Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

Licensable activities and times

The Licensing Authority has had regard to the Guidance to the Act when determining this policy. The end times set out in the policy are not (and should not be regarded as) the 'usual' or 'normal' terminal hour for licensable activities in the Borough. Instead, the 'framework hours' serve to identify cases where the Licensing Authority will pay particular regard to the likely effect on the local neighbourhood of carrying out the proposed licensable activities during the hours applied for. Applications for hours up to the end of the Framework Hours will not automatically be granted. This policy will be applied only where relevant representations are made. Each case will be considered on its merits.

- Sunday – 06:00 hours to 22:30 hours

- *Monday to Thursday* – 06:00 hours to 23:30 hours
- *Friday and Saturday* – 06:00 hours to 00:00 hours (midnight)

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

- a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).*
- b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.*
- c) The adequacy of the applicant’s proposals to address the issues of the prevention of crime and disorder and the prevention of public nuisance.*
- d) Where the premises have been previously licensed, the past operation of the premises.*
- e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.*
- f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.*

The Home Office guidance

under Section 182 of the Licensing Act 2003 (8.42) says:

“Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- *the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- *any risk posed to the local area by the applicants’ proposed licensable activities; and*
- *any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.”*

Application:

The applicant has described the application as, to extend the operating hours from 00:00 hours to 02:00 hours on Friday and Saturday for late night refreshments only.

The premises already has a licence for:

- **Sales of Alcohol**
Monday to Sunday from 11:00 hours to 00:00 hours
- **Late Night Refreshments**
Monday to Sunday from 11:00 hours to 00:00 hours
- **Hours open to the public**
Monday to Sunday from 11:00 hours to 00:30 hours

The hours applied for:

- **Provisions of regulated entertainment (indoors) (section H of the application only)**
- 11:00 hours to 00:00 hours
- **Late night refreshments (indoors)**
Sunday to Thursday 11:00 hours – 00:00 hours (current hours)
Friday to Saturday 11:00 hours – 02:00 hours
- **Opening hours**
Monday to Sunday 11:00 hours to 23:30 hrs

The extension of hours is past the council's framework hours. The applicant has only applied for, the extension of late-night refreshment on the premises, and has given no explanation as to what customers will be doing on the premises for two hours, when only food will be offered for sale and regulated entertainment (anything of a similar nature). The applicant needs to explain further how they will prevent sales of alcohol from taking whilst open with only late-night refreshments licensed between 00:00 hours – 02:00 hours.

The current premises licence has no conditions mitigating potential cumulative impact issues, nor has the applicant acknowledged the CIA or demonstrate that, the operation of the premises with the extended hours will not add to the cumulative impact in regards to the following licensing objectives:

- prevention of public nuisance
- crime and disorder

On a balance of probability, this Authority is concerned by the addition of this premises offering late night refreshments in an already saturated area, potentially adding to the existing anti-social issues in the area.

If the applicant is unable to prove to the Licensing Sub-Committee, through the implementation of appropriate conditions within the Operating Schedule, that the granting of the application will not undermine the licensing objectives; then the application should be rejected.

Yours faithfully

Subject: 164120 MAU REPRESENTATION Variation of premises license for Bar 104 104 Brick Lane, London E1 6RL

Dear Licensing,

I have considered the variation of premises license application Bar 104 104 Brick Lane, London E1 6RL and the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity. The applicant is proposing licensable hours well beyond the Council's framework hours and consideration has to be given to the fact that the premises is in Brick Lane Cumulative Impact Zone (CIZ).

The applicant's is proposing Licensable Activities: Late Night Refreshment:

Friday and Saturday from Midnight until 02:00 hours (an extension of two hours on existing license hours)

There is insufficient information both In the existing license, or the operating schedule of the licence variation application to show how the applicant will promote the licensing objective for the prevention of public nuisance, with the impact on public from regulated entertainment, increase footfall from persons accessing and egressing the premises, particularly when considering the late hours applied for by the applicant, and the fact that the premises in the Brick Lane CIZ

Noise Sensitive premises: residential and commercial premises in close proximity to the premises.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and
- The hours of operation (inclusive of proposals)

CONCLUSION

Environmental Protection **does not** support the variation application for Bar 104, 104 Brick Lane E1 6RL for the following reasons:

1. The applicant have not provided sufficient information to show how they will promote the licensing objective for the prevention of public nuisance, particularly when considering the late hours sought for Fridays and Saturdays
2. The premises is in Brick Lane Cumulative Impact Zone.

> Dear Mark,

>

> Thank you for your time earlier.

> I would like to address the concerns raised in the objection to our application for the extension of operating hours at 104 Bar on Brick Lane.

>

> Firstly, I appreciate the Council's commitment to ensuring public peace and preventing disturbances in the neighborhood. In response to the concerns outlined, I would like to assure you that we take these matters seriously and are committed to implementing measures to mitigate any potential impact on public nuisance.

>

> To address the noise concerns, we are willing to cease all regulated entertainment activities during the extended hours. This includes a commitment not to play any recorded music at the store at all during the proposed hours of operation. Furthermore, we will take additional measures to prevent noise breakout from the venue, such as ensuring that patrons leave the premises quietly and orderly by putting up a sign on the way out.

> Additionally, we understand the significance of the premises being in the Brick Lane Cumulative Impact Zone (CIZ). To respect the surrounding noise-sensitive premises, we will implement strict crowd control measures during access and egress, ensuring that patrons do not disturb neighboring residents. We are also exploring the possibility of partnering with a professional security team to manage the flow of patrons responsibly.

Appendix 9

**Section 182 Advice by the Home Office
Updated on August 2023**

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.
- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards.

If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.
- 9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated December 2022

Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority (“SIA”) as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.

- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.
- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that evidence of a right to work check, either physical or digital (e.g. a copy of any document checked as part of a right to work check or a clear copy of the online right to work check) are retained at the licensed premises.

Appendix 11

Licensing Policy Section 9

Crime and Disorder

- 7.1 Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment for large numbers of people, can be a source of crime and disorder problems and to store prescribed information.
- 7.2 When addressing crime and disorder the applicant should initially identify any particular issues (having regard to their particular type of premises and / or activities) which are likely to adversely affect the promotion of the crime and disorder licensing objective. The applicant should also list such steps that are required to deal with these identified issues. Both risks and mitigating steps should be included within the applications operating schedule. Where the Metropolitan Police, acting as a responsible authority, makes recommendations in respect of an application relating to the licensing objectives the Licensing Authority would expect the applicant to incorporate these into their operating schedule.
- 7.3 Applicants are recommended to seek advice from Council Officers and the Police as well as taking into account, as appropriate, local planning and transport policies, with tourism, cultural and crime prevention strategies, when preparing their plans and Schedules.
- 7.4 In addition to the requirements for the Licensing Authority to promote the licensing objectives, it also has duties under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough and to share prescribed information.
- 7.5 The Licensing Authority, if its discretion is engaged, will consider attaching Conditions to licences and permissions to deter and prevent crime and disorder both inside and immediately outside the premises and these may include Conditions drawn from the Model Conditions in Appendix 3.
- 7.6 **CCTV** - The Licensing Authority, if its discretion is engaged, will attach conditions to licences, as appropriate where the conditions reflect local crime prevention strategies, for example the provision of closed circuit television cameras.
- 7.7 **Touting** – This is soliciting for custom. There has been a historic problem with Touting in the borough, mainly in relation to restaurants, and as such in 2006 the Council introduced a byelaw under Section 235 of the Local Government Act 1972 for the good rule and government of the London Borough of Tower Hamlets and for the prevention and suppression of nuisances.

As a result, in relation to premises where there is intelligence that touting is, or has been carried out, the Licensing Authority, where its discretion is engaged, will insert a conditions from our model conditions in appendix 3, to prohibit 'touting':-

7.8 **Responsible Drinking** - The Licensing Authority expects alcohol to be promoted in a responsible way in the Borough. This should incorporate relevant industry standards, such as the Portman Group Code of Practice. Where appropriate and proportionate, if its discretion is engaged, the Licensing Authority will apply conditions to ensure responsible drinking. The Licensing Authority also recognises the positive contribution to best practice that "Pubwatch" and other similar schemes can make in promoting the licensing objectives and is committed to working with them.

7.9 **Psychoactive Substances, e.g. Nitrous Oxide (NOx)** – Misuse of nitrous oxide is associated with increased antisocial behaviour including littering, noise nuisance and vandalism, all of which are detrimental to residents' quality of life and feelings of safety. Use of nitrous oxide is also a health concern and has other associated harms.

As a result, this Licensing Authority expects Licence Holders to refuse entry to any person seen use or selling NOx as a psychoactive Substance. Refusals should also be entered into Licence Holders refusals logs.

Where its discretion is engaged this Licensing Authority impose conditions to formally require refusal of persons seen selling or using NOx as a psychoactive Substance.

7.10 **Drinks spiking** – in reference to the Local Governments Association (LGA) Guidance note on drink spiking prevention, this Licensing Authority expects licence holders and applicants to have a zero-tolerance policy towards drinks spiking. This involves as a minimum ensuring all reports of spiking are acted upon and that all incidents of alleged spiking are recorded and reported to the police. Licence holders and applicants should also be aware of the Metropolitan Police's definition of drink spiking:

"Spiking is where someone adds drugs or alcohol to another person's drink without them knowing, it is illegal."

The LGA has set some recommendations for Licence holder, and we would expect our Licence holders to follow these where appropriate to their venues:

<https://www.local.gov.uk/publications/lga-guidance-note-drink-spiking-prevention#recommended-actions-for-licensed-premises->

Applicants for new and variations of exiting licences as well as those submitting TENs are expected to work with the Metropolitan Police in order to consider actions needed to prevent drinks spiking in their venues/events

Where its discretion is engaged this Licensing Authority will impose conditions on licences aimed at preventing drinks spiking, specifically any recommended by the metropolitan police.

7.11 **Welfare and Vulnerability** – This Licensing Authority believes that all Licensed venues should train their staff in Welfare and Vulnerability Engagement (WAVE). As of 2023 this Licensing Authority in partnership with the Metropolitan Police and the London Borough of Hackney is delivering monthly WAVE training sessions for Licensed venues within both Tower Hamlets and Hackney. As a result, we expect that all Licensed venues who sell alcohol for consumption on their premises should train their staff in WAVE and adopt Ask for Angela or similar initiatives aimed at assisting vulnerability within alcohol licensed venues.

7.12 **Sexual Harassment in the Night Time Economy** – sadly this is still an issues for women working in and visiting licensed venues in London. As a result, this Licensing Authority encourages Licensed venues to sign up to the Mayor of London’s Women’s Night Safety Charter:

<https://www.london.gov.uk/programmes-strategies/arts-and-culture/24-hour-london/womens-night-safety-charter>

As well as the Women’s Night Safety Charter we would encourage applicants and licence holders to discuss applications with the Council’s Violence Against Women and Girls Service, who can provide advice and training to venues on preventing misogyny within licensed premises.

Lastly, we expect Licence Holders to take a zero-tolerance approach to misogyny within their venues where this is towards customers or employees. We would expect licence holders to refuse to serve persons who commit acts of sexual harassment, even in the first instance, and report the matter to the Metropolitan Police.

7.13 **Party Boats** – An increasing number of complaints have been received in London Boroughs that boarder the River Thames in relation to “Party Boats”, which use the River. In respect of this we would encourage applicants for Party Boats to consider adopting the conditions listed in our Model Conditions in Appendix 3, where appropriate to promote the Licensing Objective of Prevention of Crime and Disorder. Furthermore, where its discretion is engaged, this Licensing Authority may add one or more of the boat conditions from our Model Conditions.

7.14 **Criminal Activity** - There is certain criminal activity that may arise in connection with licensed premises which the Licensing Authority will treat particularly seriously. These are the use of the licensed premises:

- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
- for the sale and distribution of illegal firearms;
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
- for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;

- for prostitution or the sale of unlawful pornography;
- by organised groups of paedophiles to groom children;
- as the base for the organisation of criminal activity, particularly by gangs;
- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

The Secretary State's Guidance states that it is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and this Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence, even in the first instance, should be seriously considered.

- 7.15 The Licensing Authority is mindful of the Secretary of State's Guidance "Reviews arising in connection with crime".
- 7.16 From 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) will need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database which will be available from April 2017. This is an ongoing obligation and if a business is found to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a 'trade buyer') does not need to register unless they sell alcohol to other businesses. Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers, and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC. Further information may be found at: <https://www.gov.uk/guidance/the-alcohol-wholesaler-registration-scheme-awrs>.
- 7.17 **Smuggled Goods** – The Licensing Authority will exercise its discretion to add conditions to licence where appropriate and proportionate to reduce the risk of receiving smuggled goods and encourage traceability.
- 7.18 **Olympic Park (Football Ground)** – Premises where Police intelligence shows that football supporters congregate within the borough should consider adding the Olympic Park – Football Ground conditions in our Model Conditions in appendix 3.

Appendix 12

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated December 2022

Public nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Appendix 13

Licensing Policy Section 11

Prevention of Public Nuisance

- 11.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 11.2 Like many London boroughs, Tower Hamlets has many areas of the borough where businesses and residents are “cheek by jowl” with each other. Thus, the correct balance needs to be adopted ensuring residents are not unduly disturbed by licensed premises, whilst ensuring this does not stifle growth in the licence trade.
- 11.3 Though all licensed premises must promote the licensing objectives, and thus actively try to prevent public nuisance being caused by their licensable activities, there are some factors that this Licensing Authority would expect to applicants to consider and where appropriate address in their operating schedule. These are:
- a) Music/performances
Measures to reduce impact of noise on residents
 - b) Queue management
Measure to prevent obstruct access to properties, pavements. Measure to reduce the impact of people noise on residents
 - c) Ingress and Egress
Measure to prevent people noise during ingress and egress
 - d) Use of outside areas (see 11.7 below)
 - e) Deliveries, particularly pick-ups by vehicles
Measures to prevent noise/fumes from engines, drivers (including smoking),
 - f) Bottle disposal
Done at reasonable time to prevent impact on residents e.g. between 8am and 8pm
 - g) Litter
Measures to prevent littering around the venue from patrons
- 11.4 The Licensing Authority appreciates that it would not be necessary or appropriate for all applications to have measures to prevent the above issues. Nevertheless, we will take a strong view on applications for licences that are in close proximity to residential premises, and whose intended use has a higher likelihood of causing public nuisance. This also includes those applications in areas covered by a Cumulative Impact Assessment (CIA). Especially where the applications falls outside the scope of any exceptions to such CIAs.
- 11.5 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the

problems identified listed above, or any other conditions it considered appropriate and proportionate to promote the licensing condition of prevention of public nuisance.

- 11.6 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Councils rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 11.7 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.
- 11.8 **Beer Gardens and outside areas** – since the ending of the restrictions imposed during the Coronavirus pandemic, we have seen an increase the use of outside areas. This has also been encouraged by Government under the Business and Planning Act 2020. We want to strike the right balance between allowing businesses to thrive whilst still protecting residents of the borough being unduly disturbed by the night time economy. Hence, we would encourage applicants address this concern in their operating schedule by detailing what mitigating measures they intend adopt to reduce any disturbance the use of the outside area is likely to have on neighbouring residents. Such measures could include:
- limiting the amount of patrons permitted in the outside area, and/or,
 - restricting the use of areas after a certain time,
 - ceasing its use after a certain time.

Where disturbance of residents from outside areas is likely, and where its discretion is engaged, this Licensing Authority may add conditions limiting the numbers of person permitted to use any outside areas, and/or seek to cease the use of any outside areas after 21:00 hours.

- 11.9 **Party Boats** – An increasing number of complaints have been received in London Boroughs that boarder the River Thames in relation to "Party Boats", which use the River. In respect of this we would encourage applicants for Party Boats to consider adopting the "Boat" conditions, listed in our Model Conditions in Appendix 3, where appropriate to promote the Licensing Objective of Prevention of Public Nuisance. Furthermore, where disturbance of residence from these party boats is likely, and where its discretion is engaged, this Licensing Authority may add one or more of the boat conditions from our Model Conditions.

Appendix 14

Licensing Policy – Sections 20, 21 and Appendix 5

Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area

1. The Licensing Authority has adopted a special policy relating to cumulative impact in areas of:
 - Brick Lane
 - Bethnal Green

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

2. The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance. As part of the review in 2021, the Council also decided that the concentration of licensed premises within the Bethnal Green area was also having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

Review of Cumulative Impact Assessment - Supporting Evidence

3. In determining the Councils CIAs for the area of Brick Lane and Bethnal Green (Figures One and Two Below) the Council considered the following evidence:
 - Hot spot maps of incidents of crime and disorder and ASB linked to Licence premises in the defined areas for 2017 to 2020.
 - Complaint data from Environmental Health and Trading Standards relating to Noise and Licensing.
 - Licence Application data for the defined areas for 2017 to 2020
 - Results of the Consultation, that included Survey data and comments and written responses.

This evidence is published on our website:

<http://democracy.towerhamlets.gov.uk/ieListDocuments.aspx?CId=309&MId=12361>.

Cumulative Impact Assessments (Brick Lane and Bethnal Green)

4. The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane and Bethnal Green Areas (highlighted in Figures One and Two below) is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.
 5. The Brick Lane and Bethnal Green CIAs aim to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on the local amenity, environmental degradation and emergency and regulatory services in managing this impact.
 6. The effect of this Special Cumulative Assessment Policy will apply to the following types of applications:
 - New Premises Licences applications,
 - New Club Premises Certificates applications
 - Provisional Statements,
 - Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).
- However, it will only apply where the application seeks to permit the Licensable activities of:
- the sale or supply of alcohol for consumption on or off the premises, and/or,
 - the provision of late night refreshment.
7. **This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIAs if they wish to rebut this presumption.**
 8. The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.
 9. Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

10. It must be stressed that the presumption created by this special policy does not relieve responsible authorities or other persons of the need to make a representation. If there are no representations, the licensing authority must grant the application in terms that are consistent with the operating schedule submitted in line with their delegated authority.

11. This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:
 - Prevention of Crime and Disorder;
 - Prevention of Public Nuisance.

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

12. The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;
 - Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only;
 - Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away); and,
 - Have arrangements to prevent vertical drinking, for example fully seated venues.

- Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments), .
- Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

The Cumulative Impact Assessment Areas for the Brick Lane and Bethnal Green

13. The Cumulative Impact Assessment Areas are detailed in the maps below.

Appendix 15

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 16.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 16.9 of the Licensing Policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 16

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.
