

Integrated Care Board (ICB)

presented by Charlotte Pomery, Chief Participation and Place Officer

Reflections and achievements	Priorities for 2024/25
<ul style="list-style-type: none">• ICS Financial Strategy coming into place: Financial Sustainability Plan; shadow Place based budgets to be introduced from July 2024• Big Conversation initiated over the summer and autumn of 2023 across north east London - resulting in resident led success measures for the Integrated Care Strategy and opening up dialogue and co-production for the future• North East London People and Workforce Strategy now adopted - refreshed governance will take forward at a system and Place level• System successfully moved out of Tier 1 for Urgent and Emergency Care, reflecting improved performance across the system	<ul style="list-style-type: none">• Development and implementation of commissioning approach, aligned to adoption of population health improvement as strategic approach across north east London• Taking forward Integrated Neighbourhood Teams in each of our Places to bring care closer to home and offer a more joined up experience to local people• Responding effectively to rapid and significant population growth, especially in Tower Hamlets, Newham and Barking & Dagenham• Improving our response to growing demand for children, young people and their families with special educational needs and or disabilities• Continuing to sustain improvement in urgent and emergency care

Ongoing pressures and challenges
