3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
  4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
  5. For example (but not exclusively), where the activity will occur on additional days during the summer months.
  6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

  9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for

example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.

10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways:

1. by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under section 182 of the Licensing Act 2003.
2. by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below)

### **Home Office online right to work checking service**

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work check service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and /or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Good Afternoon Licensing,

Please take this as my holding representation to the new premises licence for Knave of Clubs 1 Club Row, ref 171592, until I have received a response from the complaint, as the type of licensed premises this intends to be able to consider the licensing objective for the prevention of public nuisance, and the fact that the premise is in Brick Lane Cumulative Impact Zone.

Good Afternoon Felix, Lisa,

I am reviewing the new premises licence for Knave of Clubs 1 Club Row, but it is proving difficult to assess the application as the description is given as "Licensed Premises". Is it a Bar, Club, Restaurant?

Please can you provide a detailed description of the premises, including venue capacity.

Thank you.

Kind regards

Dear James/Felix

Having looked at this application further I make the following representation under the licensing objective of the prevention of public nuisance.

Despite taking into consideration the existing shadow licence hours and conditions, plus the agree conditions with the police I am still concerned regarding the 'off sales' of alcohol especially as a previous application requesting off sales was refused by the licensing committee. As you are aware this premises is within the Brick Lane CIA area and therefore the area is already saturated with licensed premises therefore this application could add to the accumulative effect on undermining the licensing objectives.

You state 'off sales' are requested so your client can have outside seating (I note there is no outside seating on the plan) therefore I request the following conditions:

- 1. Off sales of alcohol/consumption of alcohol shall only be consumed by patrons seated at a table within any external seating area belonging to the premises or under a pavement licence.***
- 2. All outside tables and chairs shall be rendered unusable by 21:00 hours each day.***
- 3. The premises licence holder shall ensure that any patrons drinking and/or smoking outside the premises do so in an orderly manner and are supervised by staff so as to ensure that there is no public nuisance or obstruction of the public highway.***

If these conditions are acceptable to your client I am prepared to withdraw my representation.

Kind regards

Morning Corinne, the maximum occupancy figures are 60 on the ground floor, 50 on the first and around 15 on the second.

As the pictures indicate there will be lots of seating provided.

Please do call do discuss if you wish.

Dear Corinne,

I write further to my brief response and thank you for your patience here.

I apologise that we did not reply to Nicola's earlier email but Felix is on holiday and returns on Tuesday.

This is an application for a new premises licence.

You are correct that there is a shadow licence in force in the name of the landlord and the premises previously operated, I understand, as Dirty Bones/Les Trois Garçons but that licence has lapsed.

By way of background James Dye and his business partner are behind this venture.

James Dye is a well respected owner operator, Director and entrepreneur in the hospitality industry.

He formerly operated premises in Peckham, South London; at Frank's café (iconic and award winning) the Camberwell Arms and his most recent venture is Bambi in nearby London Fields.

Bambi provides 'great music wine and food in equal measure' (a quote from James himself) and recently featured in the top 30 hottest restaurants in London according to British Vogue.

He therefore sees these closed premises as an opportunity to bring something of this quality back to life.

The concept is broadly as follows:-

1. The basement is toilets back of house kitchen etc.
2. The ground floor will more be a pub in style but will have good quality food with the introduction of a Rotisserie grill with a focus on French market style rotisserie chicken.
3. The first floor is going to be more fine dining restaurant called One Club Row which will be inspired by New York and so will be all about oysters, Martinis, steak tartare and some jazz.
4. The second floor has a small private dining room.

In summary, this will be about quality and where possible local food wine beer soft drinks and some live entertainment.

The building is grade two listed and so internal changes must be limited but it would be a shame if this site which is strategically placed on the corner were not trading in some way.

In relation to off sales then James would like the ability to have customers to drink outside and possibly a pavement licence for tables and chairs like the nearby all press and Jolene on or near Club Row.

I do hope that this assists.

I know that James will be more than happy to meet on site if that would help and show you around and explain what is proposed in more detail.

I will contact him to see if he has any material/photographs which I can send onto you.

I am sure that Felix will be in touch when he returns next week and I know Nicola that you have put in a holding rep in any event.

Kind regards

To whom it may concern,

I will be in the 'Other persons' criteria for this representation as i live & have lived in [REDACTED]  
[REDACTED] for the past 3 years.

My full address & title is -

Miss Rebecca Warde,  
[REDACTED]

I put forward my representation on behalf of the following 3 grounds -

- the prevention of crime and disorder
- the prevention of public nuisance
- public safety

Firstly, I like to talk about grounds of public nuisance.

A nightclub is going to erase our ability to sleep at night. Boxpark is further away from this proposed nightclub. There is about 25-30 people living in this building right beside where this proposed club wants to go. It does not belong here, we are already getting noise pollution from the construction work being done at the opposite end of the road, they are literally working there all day until late evening & on the weekends & plan to do this for at least the next two years. It is NOT fair that the residents of this building will have to be put through even MORE noise pollution. Between Boxpark, construction work & this proposed nightclub we will not be able to sleep.

Secondly, I would like to talk about public safety & crime - there is mostly females living in this building. It is outlandish to say having hundreds of drunk revellers on the street after 2am is going to make any of us feel safe. I do not want to walk home if I am out late & see probably mostly men loitering around the street. It is also away from the main road, therefore if you have lots of drunk people coming out drunk not into public view this will end in violence & increased crime. We all know when people leave a nightclub at 1 or 2am they do not go straight home.

I am flabbergasted & extremely anxious this might potentially go ahead. It is so out of touch with the area to have a nightclub put on this quiet residential street & surrounding areas. We already have Shoreditch House & numerous amount of establishments nearby, there does not to be another place for drunk people to loiter around - this kind of place would be better suited to Shoreditch High Street. Cecconis run a hotel & there is 7 full apartments less than 25m away from this proposed development - please if you have any care or decency think of us & how this will impact our ability to sleep + function in our daily lives before allowing it in.

I look forward to hearing from you.

Kind regards,

Rebecca.

Hi James,

With regards to the conversation we had earlier. I would request if consideration could be given to add the following conditions to the license as proposed. This is two additions and two amendments. The reason for this is keeping in line with the licensing act 2003, subsequent 182 guidance and the Tower Hamlets Licensing Policy I believe these changes will allow the venue to adhere to the licensing objectives and operate as a responsible license holder:

1- A minimum of 2 SIA licensed door supervisors shall be on duty at the premises from 20:00 hours until close Friday and Saturday. A minimum of 1 SIA licensed door supervisors shall be on duty Thursday directly before a bank holiday Friday and Sunday directly before a bank holiday Monday from 20:00 until close. Additional SIA shall be employed on a risk assessment basis. These risk assessments are to be written and reviewed yearly, and made available to Police as soon as practicable.

(With regards to the above, if your client wishes to add in conditions around the first floor being a restaurant only I'd be happy for it to be 1 SIA)

2- In the event that a serious assault is committed on or directly outside of the premises (where staff witness) or appears to have been committed the management will immediately ensure that:

- a) the police (and, where appropriate, the London Ambulance Service) are called without delay;
- b) the crime scene is preserved so as to enable a full forensic investigation to be carried out by the police;
- and
- c) such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises

3- All front of house staff shall complete welfare and vulnerability awareness training as part of their induction process to work at the premises. This training shall be documented and repeated/refreshed at yearly intervals.

Also further to our original conversation, the policy for challenging ID for protection of children from harm, can this be given consideration to be amended to the following:

4-A challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram

Subsequently the wave training link is below:
