### Executive Summary

Neighbourhood forum designations expire five years after they are initially granted. The Roman Road Bow Neighbourhood Forum expired on 16 August 2022. The Forum submitted an application for re-designation in August 2022. This application was refused on 21 June 2023 by the Mayor in Cabinet on the basis that the forum had not demonstrated that its membership was drawn from different sections of the community within the neighbourhood planning area.

The Roman Road Bow Neighbourhood Forum re-applied to be re-designated on 5 April 2024. In their application, the Forum explains how, following the refusal to re-designate, they expanded their outreach and brought a wider range of local people into the Forum, including changing the makeup of the executive committee to better reflect the diversity of the area.

Should the Forum be redesignated, they will be a consultee on all planning applications in their neighbourhood area and will have the opportunity to review their Neighbourhood Plan or prepare a new one.

## **Recommendations:**

The Mayor in Cabinet is recommended to:

1. Approve the redesignation of the Roman Road Bow Neighbourhood Forum as the designated neighbourhood forum for the Roman Road Bow Neighbourhood Planning Area.
2. Note the specific equalities considerations as set out in Paragraph 7.1.

### **1. REASONS FOR THE DECISIONS**

- 1.1 Tower Hamlets Council has received an application to renew the designation of the Neighbourhood Forum for the Roman Road Bow Neighbourhood Area.
- 1.2 The Council is required to determine applications for the designation of Neighbourhood Forums in accordance with the Town and County Planning Act 1990 (as amended) ('TCPA 1990') and the Neighbourhood Planning (General) Regulations 2012 ('the 2012 Regulations'). The Government's Planning Practice Guidance ("PPG") on Neighbourhood Planning (Ref ID: 41-021-20140306) also provides guidance on the determination of such applications, which states that the role of the Local Planning Authority (LPA) is to take decisions at key stages in the neighbourhood planning process.
- 1.3 Under the modifications to the 2012 Regulations made by the Neighbourhood Planning (General) and Development Management Procedure (Amendment) Regulations 2016, the Council must make a decision on applications for neighbourhood forum designations within 13 weeks of starting a consultation on the application.
- 1.4 Council officers consider that the Neighbourhood Forum meets the minimum legal criteria to be designated as a neighbourhood forum as set out in Section 61F of the TCPA 1990 as well as addressing member questions regarding the diversity of the Forum's membership and its executive committee.
- 1.5 In their application, the Forum has specifically responded to Cabinet's reason for refusal of their previous application. It has demonstrated how it has strengthened its diversity through wider publicity, outreach to specific segments of the community and translation of publicity documents into Bangla. This outreach has resulted to significant changes in the Forum's membership, as visible in the list of names and the executive committee composition.
- 1.6 The public was notified of the Neighbourhood Forum's application for redesignation and was invited to respond for a period of 6 weeks from the 28 August to the 10 October. 65 responses were received in support of the redesignation, and no responses were received that objected to the redesignation.

## **2. ALTERNATIVE OPTIONS**

- 2.1 The Mayor in Cabinet may refuse the application for redesignation. Any reason for refusal must be in accordance with section 61F(5) of the TCPA.
- 2.2 Any decision reached by the LPA as to whether to designate the Roman Road Bow Neighbourhood Forum is subject to two legal tests, both of which may be open to challenge. The first test is whether the decision is correct in law. While the law allows the LPA to make a discretionary decision, a decision to refuse would need to be justified. This leads to the second legal test – that any decision reached by a local authority must be reasonable, and not an irrational decision, assessed on the Wednesbury Principle. The Wednesbury Principle establishes that, in order for the courts to overturn a decision of a local authority, the local authority must have made a decision so unreasonable that no reasonable authority could possibly have made it. The Wednesbury decision considers that giving undue relevance to facts that in reality lack the relevance for being considered in the decision-making process demonstrates irrational decision-making. In this case, considering facts or considerations beyond the criteria established for assessing applications for the designation of neighbourhood planning forums, as set out in section 61(F)(5) of the TCPA could be considered unreasonable and open to challenge through the courts.

## **3. DETAILS OF THE REPORT**

- 3.1 This report provides an overview of the assessment of the Roman Road Bow Neighbourhood Forum application.
- 3.2 The content of the report is as follows:
- Section 4 provides an introduction to neighbourhood planning
  - Section 5 outlines the relevant legislative framework and guidance
  - Section 6 provides an assessment of the Roman Road Bow Neighbourhood Forum application

## **4. INTRODUCTION TO NEIGHBOURHOOD PLANNING: A COMMUNITY-LED PROCESS**

- 4.1. The Localism Act 2011 amended the Town and Country Planning Act (TCPA) 1990 to make provision for neighbourhood planning, which gives communities direct power to develop a shared vision for their neighbourhood and shape the development and growth of their local area. Neighbourhood planning provides a powerful set of tools for local people to ensure that they get the right types of development for their community where the ambition of the neighbourhood is aligned with the strategic needs and priorities of the wider local area.
- 4.2. The legislative provisions concerning neighbourhood planning within the TCPA 1990 are supplemented by the Neighbourhood Planning (General) Regulations 2012 (as amended) and the Neighbourhood Planning (Referendum) Regulations 2012. Planning Practice Guidance issued by the

Secretary of State for Communities and Local Government provides detailed advice relating to the neighbourhood planning system, addressing the key stages of decision-making including the designation of Neighbourhood Areas.

- 4.3. A Neighbourhood Forum designation expires 5 years after it is made. A Forum can apply for redesignation. If the LPA considers the Forum to no longer meet the required criteria, the LPA can withdraw designation.

### **Overview of Neighbourhood Planning at LBTH**

- 4.4. The determination of applications to designate Neighbourhood Areas and Neighbourhood Forums are decisions exercised by the Mayor in Cabinet. Such applications are required by the Council to be submitted using the Council's neighbourhood planning application forms.
- 4.5. The Council has published guidance to assist prospective Neighbourhood Forums to understand what is involved in becoming a Forum and designating an area and the criteria the Council use to make decisions. This guidance advises prospective Forums to liaise with officers prior to applications being submitted. This allows those proposing to make neighbourhood planning obligations to meet relevant legislative requirements.

## **5. NEIGHBOURHOOD FORUMS: RELEVANT LEGISLATION AND GUIDANCE**

- 5.1. This section outlines the relevant legislative framework and guidance as they relate to the submission and consideration of applications for neighbourhood planning forums.
- 5.2. Before a neighbourhood forum can be designated for an area, the area must be designated a Neighbourhood Planning Area. Once an area is designated as a Neighbourhood Planning Area, it will remain designated indefinitely. Roman Road Bow was designated as a neighbourhood planning area on the 6<sup>th</sup> February 2017 through an Individual Mayoral Decision.
- 5.3. The designation of neighbourhood planning area is governed by Sections 61F, G and H of the Town and Country Planning Act 1990. Section 61H states that:

*Neighbourhood areas designated as business areas*

*(1)Whenever a local planning authority exercise their powers under section 61G to designate an area as a neighbourhood area, they must consider whether they should designate the area concerned as a business area.*

*(2)The reference here to the designation of an area as a neighbourhood area includes the modification under section 61G(6) of a designation already made.*

*(3)The power of a local planning authority to designate a neighbourhood area as a business area is exercisable by the authority only if, having regard to*

*such matters as may be prescribed, they consider that the area is wholly or predominantly business in nature.*

*(4) The map published by a local planning authority under section 61G(8) must state which neighbourhood areas (if any) are for the time being designated as business areas.*

- 5.4. At the time of designating the neighbourhood planning area, the area was not considered either wholly or predominantly business in nature, nor is it considered so now. However, it should be noted that the Forum has engaged with local businesses and its membership includes local business owners.
- 5.5. The Council has a statutory duty to determine applications to designate Neighbourhood Forums in accordance with the relevant legislation: TCPA 1990 Section 61F and the Neighbourhood Planning (General) Regulations 2012.
- 5.6. Regulation 8 of the 2012 Regulations specifies the criteria that:

*Where an organisation or body submits a neighbourhood forum application to the local planning authority it must include—*

- (a) the name of the proposed neighbourhood forum;*
- (b) a copy of the written constitution of the proposed neighbourhood forum;*
- (c) the name of the neighbourhood area to which the application relates and a map which identifies the area;*
- (d) the contact details of at least one member of the proposed neighbourhood forum to be made public under regulations 9 and 10; and*
- (e) a statement which explains how the proposed neighbourhood forum meets the conditions contained in section 61F(5) of the 1990 Act.*

- 5.7. Upon receipt of an application, it is validated in accordance with the above.

- 5.8. In accordance with Regulation 9 of the Neighbourhood Planning (General) Regulations 2012, the authority must publish the following on their website and in such a manner as to bring the application to the attention of people who live, work or carry on business in the area to which the application relates:

- (a) a copy of the application;*
- (b) a statement that if a designation is made no other organisation or body may be designated for that neighbourhood area until that designation expires or is withdrawn;*
- (c) details of how to make representations; and*
- (d) the date by which those representations must be received, being not less than 6 weeks from the date on which the application is first publicised.*

- 5.9. Regulation 11 of the 2012 Neighbourhood Planning Regulations allows that *“Where a neighbourhood forum has been designated in relation to a neighbourhood area under section 61F of the 1990 Act, and that designation has not expired or been withdrawn, a local planning authority may decline to consider any neighbourhood forum application made in relation to that neighbourhood area”*.
- 5.10. Section 61F of the TCPA (1990) specifies that an LPA may designate a relevant body as a Neighbourhood Forum if the authority is satisfied that it meets conditions identified in 61F(5) relating to purpose, membership and a constitution. The conditions are as follows:
- a) *It [the Forum] is established for the express purpose of promoting or improving the social, economic and environmental wellbeing of an area that consists of or includes the neighbourhood area concerned (whether or not it is also established for the express purposes of promoting the carrying on of trades, professions or other businesses in such an area).*
  - b) *It [the Forum] has a membership is open to:*

  - d) *It [the Forum] has a written constitution*
  - e) *Such other conditions as may be prescribed .*
- 5.11. Section 61F(6) states a local planning authority may also designate an organisation or body as a Neighbourhood Forum if they are satisfied that the organisation or body meets prescribed conditions. The Secretary of State has not prescribed any conditions in the 2012 Regulations.
- 5.12. Section 61F(7) of the Act also requires that a LPA
- (a) *must in determining under subsection (5) whether to designate an organisation or body as a neighbourhood forum for a neighbourhood are, having regard to the desirability of designating an organisation or body –*

- (i) *which has secured (or taken reasonable steps to attempt to secure) that its membership includes at least one individual falling within each of the sub-paragraphs (i) to (iii) of subsection (5)(b).*
- (ii) *whose membership is drawn from different places in the neighbourhood area concerned and from different sections of the community in that area*
- (iii) *whose purpose reflects (in general terms) the character of that area*

5.13. The Forum application is assessed against the above legislative criteria and public consultation responses. The following section assesses the application against the above criteria.

5.14. Once designated, section 61F(8) states that the Forum designation expires after 5 years to the day of designation. In addition, section 61F(9) states that:

*A local planning authority may withdraw an organisation or body's designation as a neighbourhood forum if they consider that the organisation or body is no longer meeting—*

- (a) *the conditions by reference to which it was designated, or*

*and, where an organisation or body's designation is withdrawn, the authority must give reasons to the organisation or body.*

## **6. ROMAN ROAD BOW NEIGHBOURHOOD FORUM APPLICATION**

6.1. This section provides detailed assessment of the Roman Road Bow Neighbourhood Forum application, in relation to the legal requirements outlined above in paragraphs 5.10 and 5.12.

### **Previous Application**

6.2. The Roman Road Bow Neighbourhood Forum previously applied for redesignation in 2022. Officers recommended that the application be approved and the Forum be re-designated on the basis that it had met the legal requirements of a neighbourhood forum. The Mayor in Cabinet refused the application for re-designation on the basis that it had not met the requirement that its membership be drawn from different sections of the community within the neighbourhood planning area (in accordance with section 61F(7) of the Town and Country Planning Act (1990)).

### **Making the Application**

- 6.3. An application was received from the Roman Road Bow Neighbourhood Forum to renew their designation as a neighbourhood forum on 5 April 2024. The application contained:
- The name of the Neighbourhood Forum
  - A copy of the written constitution of the Neighbourhood Forum
  - The name of the Neighbourhood Area to which the application relates and a map which identifies the area
  - The contact details of at least one member of the Neighbourhood Forum which could be made public
  - A statement which explains how the Neighbourhood Forum meets the conditions contained in 61F(5) of the 1990 Act (provided through responses to the questions on the application form)
- 6.4. Officers confirmed that the application had been received on 5 April 2024 and that the required information was included.
- 6.5. Officers also reviewed the application to determine specifically whether the Neighbourhood Forum had addressed the reason for the refusal of their previous application. The Forum's application demonstrates how it has engaged in outreach and specifically targeted a more diverse range of the local community. It should also be noted that both the general membership and the executive committee have changed since the previous application was submitted. The Forum has explained that they have made efforts to ensure that the executive committee includes members from a range of ages, ethnic backgrounds and socio-economic positions to ensure that the forum is being administered by diverse members.

### **Consulting on the Application**

- 6.6. In accordance with regulation 9 of the Neighbourhood Planning Regulations 2012, public consultation on the Roman Road Bow Neighbourhood Forum application was open for six weeks from 28 August to 10 October 2024.
- 6.7. 65 responses were received, all of which express support for the redesignation of the Neighbourhood Forum.
- 6.8. The Neighbourhood Planning (General) and Development Management Procedure (Amendment ) Regulations 2016 insert regulation 9A into the 2012 Regulations. This states that:
- (1) *Where a local planning authority receive a neighbourhood forum application which they do not decline to consider under regulation 11, the authority must determine the application by the date prescribed in paragraph (2)*
  - (2) *The date prescribed in this paragraph is:*

- (a) *In a case where the neighbourhood area to which the application relates falls within the areas of two or more local planning authorities, the date which is the last day of the period of 20 weeks beginning with the day immediately following that on which the application is first publicised in accordance with regulation 9;*
- (b) *In all other cases, the date which is the last day of the period of 13 weeks beginning with the day immediately following that on which the application is first publicised in accordance with regulation 9.*

## **9. COMMENTS OF THE CHIEF FINANCE OFFICER**

9.1. There are no financial implications emanating from this report which seeks support for the re-designation of the Roman Road Bow Neighbourhood Forum as the designated neighbourhood forum for the Roman Road Bow Neighbourhood Planning Area as it meets the conditions and provisions within section 61F of the TCPA 1990 and the 2012 Regulations

As a result, the CIL regulations 2010 allow the Council to retain any CIL income collected from this area but it must reinvest 25% of this income back into the local community. Should the application be accepted then this will need to be considered when using this CIL funding.

## **10. COMMENTS OF LEGAL SERVICES**

10.1. All functions of an authority are executive functions unless they are specified as not in either the Local Government Act 2000 Act or the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended).

10.2. The decision on designating a Neighbourhood Forum is not a specified function and is therefore a decision for the Executive. The Executive is also authorised to consider the proposed recommendations in this report as they comprise a 'Key Decision' as defined in the Council's Constitution.

10.3. The Roman Road Bow Neighbourhood Forum is likely to have a significant effect on communities living or working within the Roman Road Bow Neighbourhood Planning Area given that the Neighbourhood Forum was

established for the express purpose of promoting or improving the social, economic and environmental wellbeing of the Roman Road Bow Neighbourhood Area. The Forum aims among other things, to improve community safety and cohesion, promote civic pride in the area, improve the functionality of the public realm, protect and promote heritage and conservation assets, identify areas for environmental improvement, and promote sustainable development that contributes to the health of the local economy while managing negative impacts.

- 10.4. The legislative framework for the designation of neighbourhood forums by the Council and their operative measures are set out in detail in this report and are contained in the Town and County Planning Act 1990 (as amended) ('TCPA 1990') and the Neighbourhood Planning (General) Regulations 2012(as amended) ('the 2012 Regulations'). The Government's Planning Practice Guidance ("PPG") on Neighbourhood Planning (Ref ID: 41-021-20140306) also provides guidance on the determination of such applications, which states that the role of the Local Planning Authority (LPA) is to take decisions at key stages in the neighbourhood planning process.
- 10.5. Section 61(F)(5) to (7) of the TCPA 1990 sets out the conditions that must be satisfied before a local authority may designate an organisation or body as a neighbourhood forum. This report provides a comprehensive assessment of the Roman Road Bow Neighbourhood Forum's application for re-designation as a neighbourhood forum and concludes that the conditions set out in this section of the TCPA 1990 satisfied in recommending Cabinet to approve the same provisionally, pending a final report on the results of the public consultation.
- 10.6. Regulation 9 of the 2012 Regulations requires the Council to publicise valid neighbourhood forum applications in the areas where they are proposed to operate and invite public representations for a minimum 6 week period.
- 10.7. The 2012 Regulations were amended by the Neighbourhood Planning (General) and Development Management Procedure (Amendment) Regulations 2016. Under regulation 9A(2)(b) of the amended 2012 Regulations, the Council must make a decision on applications for neighbourhood forum designations within 13 weeks of starting a consultation on the application.
- 10.8. The Equality impacts of the proposed measure to redesignate the Roman Road Bow Neighbourhood Forum is set out in the Report. It is considered that the proposed recommendations do not have any adverse effects on people with protected characteristics and no further action is required at this stage. Members must have regard to these equality impacts when reaching a decision.
