

## **Appendix 6: On Line Responses**

The Chart A below gives a graphical breakdown of the responses received from the on line survey. The key is in ascending order of high to low.

Do you believe it is appropriate for the Council to introduce the Levy?

Chart B above shows how many respondents were in favour of the Council introducing the levy.

Do you agree the Levy should start at midnight?

Chart C above shows a large proportion of respondents did not answer this question in the survey. However of 73 that did answer the majority were in favour of the Levy starting at midnight. The key is in descending order of low to high.

Do you agree with the proposed exemption/non reductions?

From Chart D above it is clear that most were in favour of the proposed exemptions/reductions/no reductions. However four of these clearly disagreed with, although as can be seen the difference between yes and no on the chart is slim between some of these results.

What should the revenue be spent on?

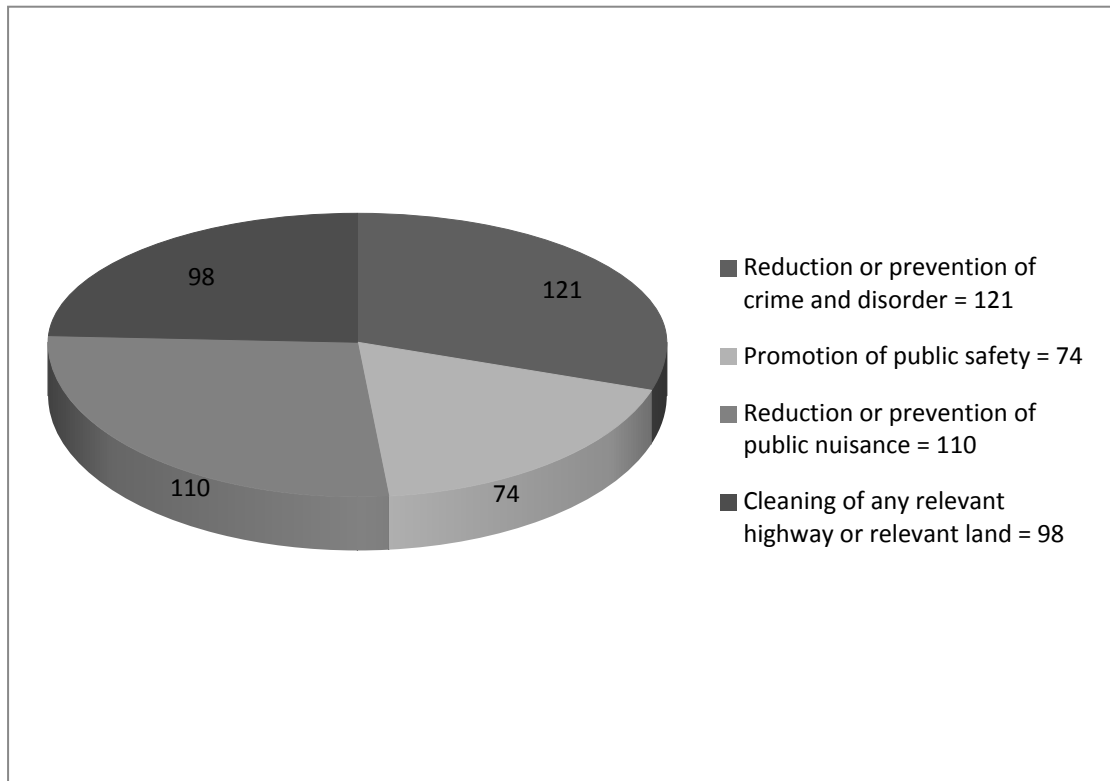

Chart E above shows the number of respondents who wanted the money raised by the levy (should it be introduced) spent in these areas.
